## **Commodore's Corner**

Of course, the big event in August was BBSA's 4<sup>th</sup> Annual Cape Charles Cup. An impressive 35 of the 75 boats entered belonged to BBSA! I'd like to take a quick moment to thank Jim Williams and his committee for doing a great job with the race... we're already looking forward to next year!

Big thanks to Jim and Bev Borberg for the use of their home for the August meeting and cook-out! The 25 or so members that turned out were treated to burgers, hotdogs, and plenty of other good food.

The Labor Day Weekend Cruise to Back Creek and York River Yacht Haven was very well attended. That's two years in a row that we've had good wind on Labor Day weekend. I especially enjoyed socializing with the 14 other sailors during Saturday evening's happy hour on *MODUS VIVENDI*. Some pictures have already been posted on our website at <http://www.broadbaysailing.org/gallery/index.asp>. Feel free to add your own!

Cruising continues this month with a trip back to the York River; this time the destination is Riverwalk Landing. More details follow later in this issue as well as on our website [www.broadbaysailing.org](http://www.broadbaysailing.org).

Our last big-boat race of the year is the Neptune's Atlantic Regatta on September 29<sup>th</sup>. Information and pre-registration is located on our website. This is the 6<sup>th</sup> race in the Chesapeake Bay Distance Racing Series. The post-race party will be at the Old Coast Guard Station located in the midst of the Neptune Festival's Boardwalk Weekend activities. Hope to see a good BBSA turnout for our final race!

Our next meeting will be held in the Folio Room at the Virginia Beach Central Library at 4100 Virginia Beach Boulevard next to Lohman's Plaza. Jim and Bev Borberg will be sharing photos and stories of their most recent adventure. Please bring a snack to share. Beverages will be provided by the club for a small donation

## Cape Charles Cup Report

By Jim Williams

The fourth edition of the Cape Charles Cup was another great event! Although Barbara and I chaired the event, the real organizing work was done by the following: Megan and Scott Almond, Jean and Jerry Pattenaude, Lin and John McCarthy, Bev and Jim Borberg, Bill Barnes, and Leo Wardrup. Leo's assistant, Vicky, was also instrumental, not only in the preliminary paperwork and record keeping, but also by doing most of the million things that had to get done on Friday, Saturday, and Sunday.

Leo Wardrup and his team on Black Widow became the first repeat winner of the Cape Charles Cup. Put another way, Leo has won exactly half of the Cups contested so far. Well done guys! The presentation of the winner's keeper and perpetual trophies will be made at the October BBSA covered dish meeting at the ODU Sailing Center.

Lin McCarthy wrote a terrific review of the Cup weekend for her weekly email newsletter "Southern Bay Racing News You Can Use". She has graciously allowed me to include it below:

The Cape Charles Cup racers were greeted both Saturday and Sunday with high winds and rolling seas as they started their more than 20 miles course across the Bay. On the trip from Little Creek (Norfolk) to Cape Charles, the race began in 18 to 20 knots, before tapering off by early afternoon to almost zilch. Conditions for the Sunday morning start were proof-perfect that weather-guessers have bad days too. The predicted "light and variable" turned out to be neither. Racers again clawed their way upwind (15+ knots) before rounding MOA and enjoying a beam reach across the Bay to set up for the finish off Buckroe. 75 boats did the 2007 Cape Charles Cup regatta hosted by Broad Bay Sailing Association. **Leo Wardrup's Black Widow** took 3rd in his fleet in the race to Cape Charles and 1st on Sunday's return from the really "far side". The Cape Charles Cup is awarded to the boat with the best combined corrected time for the two races. Racers, families, and friends all enjoyed the Saturday evening soiree on Cape Charles Bay Creek Resort Marina pier and the scrumptious barbeque buffet at the post-race awards gathering Sunday at Bay Point Marina on Little Creek. ### Cruise to Warwick Yacht & Country Club, August 11-12

You shoulda been there!

The heat wave broke for a spell, (yes pun intended), the breeze was fresh, the sky blue, the James River inviting and the destination about perfect. Charlie and Kathy Roberts aboard **Windwalker** roused the folks at the James River bridge for a lift at 11:30ish. The BBSA armada included **Mariah** with Doug, alias Marco Polo, and Judy Rose and their friends and fellow BBSAers Sam and Carol Morgan, **Marigot** with Don and Jewel Snyder aboard, **Cindy II** and crew Gary and Karen Stull, and **Rhumba**, Frits and Sancy Isham accompanied by crewster granddaughters Kaitlin Isham and Emily Maxwell. We were joined by landcruiser **Larry Bryant** at poolside and for dinner.

The day was spent poolside with occasional trips to the Raw Bar nearby. After showers, (water, water everywhere but not enough hot), our group dined indoors, and enjoyed a nice seafood buffet. Rhumba's crew occupied a table for two downing an alarming number of Shirley Temples, swapping jokes with the wait staff, and giggling a lot.

Sunday morning brought fairly early departures by all but Rhumba. We were joined by Jon and Cheri Isham and Evan for a wonderful sail down river with 10k breezes, a bonus for departing Warwick at midday.

## A Request From Past Commodore Debbie Koelikker Bruesewitz

Dear Scott & Mego,

So here we are, less than a month from Louie's Ninth Last Regatta. We have been raising money for Children's Hospital through Louie's Last Regatta. In the eight years of the regatta various teams have raised over \$350,000! With the help of our crew, our friends and family, over \$25,000 was raised on behalf of our boat, *REDRUM*! This year is no exception.

The regatta was born over nine years ago as a result of a bar challenge between two Milwaukee sailors. They envisioned an end-of-season regatta that celebrated the joy of sailing while promoting a great cause. From its humble beginnings of raising \$926 the first year, to raising \$123,000 last year, the regatta has been near and dear to our hearts. An important part of the regatta is winning the Maggie Bersch Memorial Trophy, named for a sailor's niece, Maggie. Maggie spent much of her eight short years at Children's Hospital battling leukemia, while still making people smile. It is because of her spirit that we are inspired to participate in this rewarding effort. Our Team has won the Maggie Trophy by raising the most money. This year the stakes are even greater! In order to attain our goal of \$20,000, we are asking everyone for help!

Since we are having boats, not babies, we decided to adopt this charity as our own! We ask you to consider a contribution to Children's Hospital and the Maggie Bersch Memorial Fund. It's easy to do and there's no greater feeling than helping kids in need. And, it's tax deductible. So please consider donating now!

You can donate safely and securely at: <http://www.firstgiving.com/REDRUM> If you prefer to pay by check, please send a check payable to **Children's Hospital** to us at: Debbie & Scott Bruesewitz

3911 E Morris Avenue  
Cudahy, WI 53110

If you have friends, co-workers, or relatives who might be inspired by the regatta, please feel free to forward this link on to them. Every little bit helps and it's for a great cause!

Thank you and see you on September 28 and 29th, 2007,

Scott & Debbie

## Saving the best for (Louie's) Last

**Y**ou've come a long way, baby. Eight years ago a little regatta called Louie's Last Regatta, so named for the favorite ale—Louie's Demise—made at the sponsoring tavern, had 12 boats with crews who raised \$925 for Children's Hospital of Wisconsin while enjoying the last race of the season. On September 30, 135 boats sailed that same regatta and raised more than \$130,000 for the hospital—the first time in six figures.

Named one of *SAILING* Magazine's "Top 10 Sailing Events," the regatta includes some unique rules that keep the fun level at a maximum. For instance, each boat is its own appropriately named division so everyone wins and smiling and waving at the race committee is not only encouraged, it's required. At the post-race party, held at the Milwaukee Ale House (up the Milwaukee River where some boats moor party-side), crews can buy their way to a better finish by donating more money to the cause. And lest Louie's start feeling too much like any other regatta, keep in mind that you are really fighting for third place, because the prize for first place is one quarter-barrel of Louie's Demise Ale, two for second place, but in this regatta, third place gets the spoils—three quarter-barrels of the brew.

This is also the regatta where sailors go out of their way to get their boats noticed. Glyn and Laura Livermore succeeded making their Sovereign 27 Wild Goose the prettiest girl at the dance with a handpainted mainsail in the fashion of Van Gogh's "Starry Night." Laura, a Milwaukee artist who usually paints silk scarves, used spray

Sailing past Milwaukee's Calatrava-designed art museum, Wild Goose sports some fine art of its own for Louie's Last Regatta, a fund-raiser for Children's Hospital of Wisconsin. enamel paint for her enormous canvas and spent a great deal of time running to the second-story balcony over her backyard to check the perspective and scale of the painting.

Many skippers created Web sites to encourage donations prior to the race. That helped Scott and Debbie Braesewitz and the crew of *Problem Child* raise more than \$15,000, to become the top donating boat of the regatta.
