Fourteen BBSA members (Butch Patterson, Eric Schwab, Graham Field, Don DeLoatch, Mike Veraldi, Martin Casey, Leo Wardrup, Walter Boatwright, Christian Schaumlöffel, Rick Carroll, Bob Howell, Tony Thornton, Tim Dull, and Robert Hausmann) entered their boats in the very competitive Southern Bay Race Week held during the last weekend in May. Congratulations go out to Walter Boatwright - PUFF CARD for finishing 1st Overall in the PHRF N (1HS) Fleet. Also deserving recognition are Mike Veraldi - QUICKY for 2nd Place in the J/24 fleet, Leo Wardrup - BLACK WIDOW for 2nd Place in the PHRF N (2HS) Fleet, and Rick Carroll - SUR LE VENT for 2nd Place in the Cruising Fleet. LCSA has finally gotten past the bad weather and has successfully conducted races off of Oceanview the past four weeks. There are many returnees and quite a few new boats out there this season.

The Cape Charles Cup Report

Another hit for the Cape Charles Cup!!! The full-page advertisement on page 88 in this month's *Spinsheet* magazine really captures the flavor of our event. If you are excited about seeing our great race prominently displayed in the magazine, please thank them for their tremendous support the next time you pass by their booth at a boat show or similar event.

We have instituted a new level of sponsorship this year. For only \$50 you can become an Ensign-level sponsor, get listed in the yearbook, and more importantly help support this wonderful event in a year when sponsorship money is most difficult to obtain. If you or someone you know is willing to help us, drop me a line and I'll send you a sponsorship form.

Could you be persuaded to become the chair of this fine event? As much as Barbara and I have enjoyed it, other time requirements demand that we pass the torch for the 2010 edition. We have a great cadre of volunteer committee members who make this a very satisfying, if demanding, opportunity. Send me an email if you are interested.

Commodore's Comments

It's been a month and it's all ready June (I've been commodore for 6 months)! Seems like last week that we where at the norfolk yacht and country club having our change of commands, and what a wonderful place it is to have that at.

Our last meeting was great over at O.D.U. sailing center, which was also the awards for the cape henry cup. Pot luck style supper and awards for those members who could not attend. Congradulations to all that placed. With sailing season in full swing, B.B.S.A. members have been counting up the miles, include cruise week, thursday night racing, and down the bay race. Other events to look foward to are screwpile race week, cock island, and cape charles cup (which is going to be better than ever, I promise).

With the weather being soo nice to be out sailing, It's almost too nice to spend time on the computer! I hope to see everybody out sailing, or at a racing function. Don't forget to say hi to your commodore. sunblock, sunglasses, and broad reaches, may you

your commodore,
brendan drinkwater

BBSA Summer Two-Week Cruise

It is almost time once again for our club's two-week summer cruise. We will soon be getting underway and heading up the Bay, visiting a variety of Gunkholes and Marinas, lots of time to relax and enjoy all the beauty that the Bay has to offer and of course sun downers every night. Below is our planned itinerary, starting in Jackson Creek and going as far North as Rock Hall. We look forward to all of you joining in on the whole cruise, or even for just a part. If you are interested, please call Sergio Diehl at 635-1846, or e-mail at Sergio.diehl@cox.net, and do not forget to make your reservations at the applicable marinas. I have already pre-booked a number of berths in BBSA's name that need to be confirmed by each individual Captain.

One Design News

June is here and One Design sailing is in full swing. Last month Portsmouth Boat Club ran their Merrimac Regatta. The Norfolk Naval Sailing Association Wednesday night series has started.

The **48th annual Broad Bay Regatta** will be held on the 27th of June. We will welcome all one design monohulls and will have a Portsmouth handicap rating for any boats that do not have enough to assemble a class. The Hampton Yacht Club annual regatta will be held on July 4th and 5th.

So If you haven't been out mixing it up one design or dingy style get out there don't waste your summer thinking about it.

I would like to congratulate BBSA member Martin Casey and the crew of Bow Movement on there respectful second place podium finish at the 2009 NOOD Annapolis Regatta. Job Well Done.

Jimmy Hardesty

Burgees

I will have BBSA burgees for member's boats available at all meetings. The cost is \$18, and \$19 if I mail one to you. Let's try and have a large percent of our boats flying our Burgees at BBSA functions.
