DECEMBER 2010

COMMODORE'S CORNER

Spring is here even though the weather sometimes doesn't agree. There has been a lot of activity at the marina when the weather cooperates. Boat maintenance, bottom cleaning, sails being put back on are a few things that are going on in preparation for the upcoming season. Willoughby and Little Creek started racing the first week in April along with Hampton and CCV. Some cruising plans are in the works, with the first cruise taking place in the middle of April. I hope to see everybody on the water soon.

BBSA will take its annual sail on the American Rover on Tuesday, April 19th, which is our regular meeting night. We will be boarding the Rover promptly at 6:45pm for a 7:00pm cruise. Please bring a snack or appetizer to share, and of course drinks are available for purchase from the bar onboard as in years past. Members and their immediate families have been guests of Captain Brook Smith (son of Sonny Smith) on the American Rover for over 15 years. Even though the trip is a free membership benefit, the crew will be working hard to earn your generous tip. We'll be taking a collection at the end of the cruise to show the crew our appreciation.

I look forward to seeing everyone on the Rover,

David Hughes

LOOP CRUISE April 15 -18

What a start to the cruising season – a relaxing trip down the Dismal Swamp Canal to Elizabeth City, then on to Coinjock returning back home on the ICW

Friday 4/15 evening: Waterside Marina

Try to arrive at Waterside by ~17:00

We will have a brief planning meeting when all arrive.

Dinner in town (Kincaids? or other) would be optional for those who wish

Saturday 4/16. Waterside to Elizabeth City

Because the Gilmerton Br is approx. 5 miles from Waterside and "opens hourly on the half hour", we will need to leave Waterside Sat AM by about 06:30 to make that bridge's 07:30 bridge opening and then motor (the few miles) to, and wait for, the 08:30 Deep Creek lock opening. We should be able to motor the 22 miles to the South Mills lock for its 13:30 opening, then the ~ 15miles to Eliz. City by ~ 16:00 for (any of 14, first come, first serve) free slips. This would leave the afternoon to "visit" Eliz City and ... " Around 4:30 pm boaters can visit Groupers Waterfront Restaurant on the deck for the Rose Buddie Reception".

Sunday 4/17: Travel from Elizabeth City to either Coinjock Marina or Midway Marina.

Optional breakfast at Eliz. City followed by 35 mile sail around to Coinjock

Monday 18: Either travel via ICW back home

other proposed destinations that would increase cruise by 1 day are

- Manteo (Vinings Marina)

- Atlantic Yacht Basin

to be discussed at planning meeting

Please E-mail Bucky Harrison (sail420lat@yahoo.com) & let him know if you will be joining this cruise so that he has an approx head count.

CRUISE WITH A SOUTH OF ANOTHER BORDER THEME – Sat. May 21 – 22

It is time to start our cruising season, and our annual cruise will be at Waterside with a dockside party (dress appropriately for a South of the Border party), and then dinner at Kinkaid's.

GOOD WEATHER CRUISE – The party will start on the Waterside dock in front of our boat, Dreamtime at 4:30. The Goombay Smash drinks (rum and juices) were so popular that we will serve them again. Come to the party by boat or car. The party on the dock will end about 6:00 and then we will walk to Kinkaid's restaurant at MacArthur Center for dinner. The reservations are for 7:00 in the name of BBSA.

BAD WEATHER CRUISE – We will meet at Kinkaid's at 7:00.

My assistant, Jim, has made tentative reservations for 10 slips at Waterside. Each individual must make his own reservation and say that you are with BBSA. They will hold these reservations until May 7, after that slips are open to everyone.

Reservations for Kinkaid's must be given to me by May 13 – bevborgeberg@yahoo.com or 460-1051, also PLEASE, tell me if you are only going to attend the dockside party so I will not include you in the Kinkaid reservations.

Hope to see you all, and I will send out reminders.

AN INVITATION

We'll be working the vineyard in preparation for our grand opening in July this year. Look us up on Facebook under Good Luck Cellars! Y'all must come up, or sailup, anchor in Dividing Creek, north of the Rappahannock. We'll arrange transport to the vineyard only two miles inland just north of Kilmarnock.

Best Regards.

Paul and Katie Krop.

BURGEES AND SHIRTS AND CAPS - bevborberg@yahoo.com, 460 1051

Now is the time of the year to check the condition of your boat AND the condition of your Burgee. A crisp Burgee looks so pretty flying in the breeze. I have them for sale for \$20.

And I hope you all read the information on the shirts and caps that can be purchased with the BBSA Burgee and boat name or personal name on them. The attachment I had Jack send out last week had pictures, colors and prices for both the shirt and caps. I will be wearing my shirt and cap to the April meeting. If you have deleted the information for the purchase, let me know and I can resend.
