## COMMODORE'S CORNER

Jim Currie, [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

I am sure you are all going to have a great time on the Rover cruise even though your commodore is still missing in action. The good news for you and probably less for me is that I will be back for the May meeting at ODU. I have it on good authority that spring has finally sprung and that sail boats have been seen on the Chesapeake so there is no excuse for not being out there enjoying the good weather. Although there have not been many sailing days to date the committee have put together a great program that should cater for all members needs, whether it be racing, cruising or just messing about in boats. We sailors are the luckiest people alive for no other activity provides the rewards and satisfaction on being out in a boat whether as crew or owner. Which brings me nicely to my main point this month that your participation and enjoyment in these events is our priority.

See you in May and safe sailing

Jim Currie

This month's membership gathering will be on the American Rover, Tuesday, April 15<sup>th</sup>, 6:30pm, at:  
Waterside Marina  
Norfolk, VA

## RACING NEWS

Scott Almond, [racing@broadbaysailing.org](mailto:racing@broadbaysailing.org)

### PHRF Racing News:

What's that sound?? I believe it is the LONG HORN... the prep flag is coming down for the 2014 racing season! The 2014 Southern Bay racing calendar has been posted on the lower right hand corner of our homepage, [www.broadbaysailing.org](http://www.broadbaysailing.org) . Both of our week night 'beer can' racing series (Little Creek and Willoughby) start this month. Registration, details, and scoring for these are on our website. Randy Goodman and Rick Perkins head these series up (LCSA and WR, respectively) for BBSA. Payment of racing dues can be done online as well: [www.broadbaysailing.org/renew/index.asp](http://www.broadbaysailing.org/renew/index.asp) .

The Notices of Race for all of our PHRF/big-boat races have been posted in the PHRF Notices of Race area of the Downloads section of our website, [www.broadbaysailing.org/downloads/index.asp](http://www.broadbaysailing.org/downloads/index.asp).

Don't miss out this year on the most competitive racing event in the area, Southern Bay Race Week. Their lineup is solid (almost as strong as the Yankees): 3 days of racing and 4 parties! Racing in the Cruising Fleet features 2 days of racing for a reduced entry fee. All fleets will feature a return of the very popular middle distance race on Saturday. You're not going to want to miss this (or the early bird discount that comes with 10 free beverage tix... link to info is below)

If you haven't yet applied or renewed your PHRF Valid Rating Certificate for 2014, now is the time to do so: [www.phrfchesbay.org](http://www.phrfchesbay.org) . Also, to be eligible for the CBYRA season-long high point trophies, you must join or renew your membership: [www.cbyra.org](http://www.cbyra.org) . Put BBSA in the application blank for both organizations as your 'principal/primary yacht club'.

### The Cape Henry Cup / May Pot Luck Dinner and Awards Presentation

The Cape Henry Cup Race will be sailed on Saturday, May 17th. This is the first of four CBYRA-sanctioned races sponsored by BBSA this year and Race #2 in the Southern Bay Distance Racing Series (SBDRS). All members are urged to participate in this race which was first sailed in May 1974. The \$25 entry fee is **WAIVED** for BBSA members. Registration for members couldn't be easier. Go to our website (link below) and use the online registration! On the following Tuesday, the 20th, one of our famous pot luck dinners will feature the presentation of the Cape Henry Cup and the other awards for the race. The meeting will be held at the Old Dominion University Sailing Center. Mark your calendars for both of these events. Details on the dinner will be found in the May Banter. The Notice of Race is already posted on the BBSA website and the Sailing Instructions will soon be posted as well.

This year's Southern Bay Racing Schedule is posted on the lower right hand corner of our homepage: [www.broadbaysailing.org](http://www.broadbaysailing.org) .

### **Little Creek Sailing Association Wednesday Races – Randy Goodman:**

Join the Little Creek Sailing Association Facebook site at

<https://www.facebook.com/groups/250807138384289/>

[LCSA's first race of the 2014 season was on April 2<sup>nd</sup>. We had a](#) very nice turnout for race with 11 boats racing, 2 x Spinnaker boats, 5 x NS-1 boats and 4 x NS-2 boats.

Congrats to Schock-Full-O-Nuts (SPIN), Black Widow (NS-1) and Coeur d'Alene (NS-2) for first place finishes in their fleets.

Race results are posted on the BBSA website <http://www.broadbaysailing.org/index.asp>

Cap'n Larry VanHoola and his endeavor 32, LISETTE, joined LCSA this week and he is looking for Crew. If you have an interest, or know someone that might be, please contact him at [vanhoolar@aol.com](mailto:vanhoolar@aol.com), Larry is looking for people who are eligible for AARP, but he will not discriminate against any of us younger sailors.

### **Willoughby Racers Thursday Races – Rick Perkins:**

[willoughbyracers@broadbaysailing.org](mailto:willoughbyracers@broadbaysailing.org)

Check our website <http://www.broadbaysailing.org/racing/willoughby.asp> and our Willoughby Racers Facebook page for updates and more information.

The Sailing Instructions for 2014 have changed; the biggest change has to do with shortening course, our Rule 11. We will no longer be able to declare the "starting line" to be the finish line as in the past (e.g. West course Start – A Mark- Return, or East course Start-B Mark -Return). This is to bring our races into conformance with RRS. If you have any questions, please contact me or you Series Captain.

We're off to a good start!

### **PHRF and CBYRA News – Randy Pugh:**

The new registration forms are in the mail and by now all should received theirs. They have sent notice to everyone who has had a certificate in the last few years. The other big thing that you will receive in the packet is the new equipment requirements for racing on the bay. This has been brought about by the recent accidents that have occurred and the pressure from the Coast Guard on US Sailing. You will note that Chesapeake Bay has its own set of requirements. It does not change much from the old 4P requirements. If you have any questions or if you did not receive a renewal, contact **PHRF of the Chesapeake, Inc. P.O. Box 1856, Edgewater, MD 21037 or phone 443-699-0868.**

### **Cape Charles Cup Race Information – Hank Giffin:**

The summer "bookend" race to the Southern Bay Race Week race is the 11<sup>th</sup> Cape Charles Cup on August 16 and 17 this year. Our new Sunday course is two miles shorter to allow more finishers. We still have three great social events and two great days on the Bay. Cruisers are welcome without racing experience! POC is Hank Giffin 757 375 1491.

## U.S. Singlehanded Championships

From Liz Walker [LizWalker@USSAILING.ORG](mailto:LizWalker@USSAILING.ORG)

As part of US Sailing's series of articles, this month's piece features the U.S. Singlehanded Championship for the O'Day and Hanley Trophies. Photo credit: Walker/US Sailing.

**Secretary's note:** Above are last year's winners. I looked on line to put names with the faces. The women's winner is Simone Staff; the men's winner is Clay Johnson. I could not find the name of the Sportsmanship Award winner. Ms. Walker sent this for sailing associations to include in their newsletters, banters, etc. Below is a write up Liz attached with her email promoting the US Singlehanded Handed Championship.

### Taking a New Tack in Singlehanded Sailing

US Sailing is taking a new tack to some of its championships. For the first time, a US Sailing National Championship will be integrated as part of a larger class event. The 2014 Laser North Americans will be the host of the U.S. Singlehanded Championship, and the top eligible male Laser and female Radial sailor will be named United States Singlehanded Champion. The regatta will be hosted by the Alamos Bay Yacht Club on June 12-15 in Long Beach, Calif.

Athletes competing at the 2014 U.S. Singlehanded Championships will get a golden opportunity to race against a talented collection of the top Laser sailors in the world.

With the growth of one-design sailing here in the U.S, and with ever more events in the sailing calendar, it became clear to US Sailing that the traditional qualifying series was limiting the number of sailors who

could compete for the O'Day and Hanley Trophies. Our goal is to allow more people to have a chance to compete for these historic championships. As the Laser class is one of the largest singlehanded classes in the world, identifying the top U.S. Singlehanded sailor through the North Americans is a natural fit.

Who is eligible to be named U.S. Singlehanded Champion? Sailors must be at least 17 years of age in the calendar year and current members of US Sailing and the Laser class. All the sailors will be scored as one fleet with the highest eligible male Laser sailor winning the O'Day Trophy and the highest female Radial sailor winning the Hanley Trophy.

To learn more or to register, visit the website at

<http://championships.ussailing.org/Adult/USSinglehandedChampionship.htm>

If you would like to source more features from US Sailing, please visit our website at

**Bev Borberg**, [bevborberg@yahoo.com](mailto:bevborberg@yahoo.com), or [cruising@broadbaysailing.org](mailto:cruising@broadbaysailing.org), or 460 1051

The cruising planning meeting was held at our home on March 9. It was great, because everyone was so enthusiastic about planning a season of sailing, and the food and sea stories were delicious and fun to hear.

The weather is so unpredictable for March and April that no cruises were officially planned, but if anyone wants to at the last minute plan a week end get together just let me know and I will have Karl send out a quick note to the membership with details.

**May 3 – 4 is our official kick off cruise at Waterside.** So put on your beads and come to the party. We have made block reservations for 10 boats but these will not be held indefinitely, so please make your own reservations soon and say that you are with BBSA. Sat. at 4:00 we will have Happy Hour in front of our boat DREAMTIME on the dock. Jim will make his famous Goombay Punch and small appetizers can be brought to the party. After the party you can either eat on your boat or make your own dinner plans. Please let me know if you are coming so we can have enough punch and we can let you know if there is a change in plans because of weather. Bev's cell is 757 581 9250, Jim's cell 757 581 9210, or email [bevborberg@yahoo.com](mailto:bevborberg@yahoo.com)

**May 17 – 18 Cape Charles City Marina:** Andy and Carmen Spittler will sponsor this.

Their dock holds about four boats, but there is plenty of anchor room. Approximate coordinates for their place on the East River are 37 24.5 76 20.65. We will have Happy Hour and then barbeque on their porch. Bring your drinks, main dish, a dish to share, plates, and silverware

**May 31 – June 1 – Hampton Pirates' Festival** raft up. Capt. John Scott will sponsor this. Hampton Pirates' Festival raft up. **BBSA 2-Week Summer Cruise June 21 through July 6 – Sergio Diehl [sergio.diehl@cox.net](mailto:sergio.diehl@cox.net):**

The two-week cruise schedule is set and is listed below. We already have a number of cruisers that have signed up but there is room for more. This is primarily a cruise of the lower Potomac River but I have included stops at a winery for some enjoyable wine tasting and dinner and of course two days at the Tides Inn for our 4<sup>th</sup> of July celebration. Please go ahead and start making your reservations (with the exception of Indian Creek Yacht and Country Club, I will take care of slip assignments. Please let me know if you will be joining us.) at the various marinas, especially the Tides Inn as their space is limited and I have been told that they fill up quickly.

In addition to our two-week cruise, I have added an option to participate in the Summer Sailstice with Hampton Yacht Club. The Summer Sailstice was founded in 2001, Summer Sailstice is the global sailing holiday celebrated on the weekend closest to the summer solstice connecting the global sailing community in a multifaceted and multi-location sailing holiday. Every year, Summer Sailstice unites over 19,000 sailors all over the world—cruisers, racers and recreational—to celebrate and showcase life under sail. The event has expanded to include participants from Asia, across the Americas and Europe with almost 5,000 sailboats racing, cruising and day sailing in all 50 US states and over 40 countries.

Thursday, June 19 - Sail to anchorage, there will be a progressive dinner that evening.

Friday, June 20 - Sail to Indian Creek Yacht & Country Club. Enjoy the club and meet up for a special social at the club, a reservation will be made for whoever wants to join the group dinner. Please contact Mary at [marygreblunas@yahoo.com](mailto:marygreblunas@yahoo.com) to get your slip assignment.

Saturday, June 21 - Sail to the Summer Sailstice destination, Little Bay it's about 45 minutes away. Fun on the beach, games/contest, happy hour and a bonfire in the evening to roast dinner.

To participate, sailors need to simply go to <http://www.summersailstice.com>, look under “Find Event” for Hampton Yacht Club, sign up and then go sailing on the weekend of June 21st. There's no better way to start the summer and no better weekend in the Northern Hemisphere to unite with sailors around the world. It doesn't cost to sign up and by signing up for our Summer Sailstice event you become eligible to win prizes contributed by Footloose Sailing Charters, West Marine, Hobie, Offshore Sailing, Wooden Boat and many other marine favorites. Prizes include a one week BVI charter with Footloose, a Hobie Kayak and over 400 other prizes on the site <http://www.summersailstice.com/prizes>.
