COMMODORE'S CORNER

Andy Spittler, commodore@broadbaysailing.org

Well, it's officially summer. Seems there is something going on every weekend!

When you had the Coast Guard perform your yearly inspection (we all do that... correct???) did they tell you that your flares are past their expiration date? Did you ever want to light them off in your back yard just to see how they worked or how bright they are? Well here is your chance to find out. With permission from the Coast Guard, we can light them off for a certain period of time at our monthly meeting! All this while providing valuable "education" on how to properly set them off. And you will also learn, the easy way, why flares have an expiration date (in the past, some have brought expired flares that failed to light off correctly). So bring those expired flares and a covered dish to our membership meeting on 19 July 2016 at the ODU Sailing Center. We will convene at 1830 (6:30pm to those that are "military impaired") at the ODU sailing Center, have a wonderful dinner and share sailing stories. Then adjourn to the waterfront and spend some time "learning" about your flares. We have permission to light them off between 1900-2100.

I would also like to congratulate the BBSA Sailors who participated in the Southern Bay Race Week. In spite of course relocations Sunday, BBSA brought home a fair amount of silver. While Scott is going to cover all the details in the Racing News... I want to speak to the fact that five of our sailors did not pick up their trophies. In fact, the only racers not to pick up their trophies were BBSA racers. I guess the only answer is these guys are so good, they do not have any more display room.

The Rat with a bone in her teeth. SBRW was my first race with the Big Boys, and it was a blast. The picture (by Photo Boat) was taken Sunday on the Hampton Flats/Elizabeth River Course.

Saturday I got lost off Buckroe... Perhaps next time I need to read the complete race instructions. I understand there is a photographic record out there, so if Sergio will exercise some restraint, only the readers of the Banter will know.

The Two Week Cruise will be underway shortly. Thanks to Jim, Bev, and Sergio for setting this up. We also have the First Annual BBSA Challenge, Little Creek Racers vs. Willoughby Racers. This race is open to BBSA members of record (no ringers) and will be held July 9th off the Ocean View Pier. Thanks to Randy, Scott, and Guy for setting this one up. Come out and support your school. See ya on the water.

Fair Winds,
Andy

PHRF Racing News:

BBSA was well represented (23 boats out of 102!) in the highly competitive Southern Bay Race Week held on the weekend following Memorial Day. A couple of bottles of Añejo (rum!), three great days of racing in nice breeze, and plenty of sunshine satisfied the immediate racing fix of 'yours truly' and everyone who participated. Congratulations go out to Mike Veraldi (QUICKY) for 2nd place in the J/24 fleet, Ken Copeland, Carl Gade, and Alvin Girardin (BLACK WIDOW) for 2nd place in PHRF N, and Ryan McCrillis (HAKA) for 3rd place in PHRF B1. BBSA really shined in the Cruising Fleets including a sweep of Cruising A by Jonathan Romero (TEMPO) - 1st, Dave Bettis (SURELY BOO) - 2nd, and Kent Utley (MORTAR OFFER) - 3rd and 1st Place in Cruising B by the Greblunas-Fee Syndicate (TIPSEA). Kudos to all of our BBSA skippers who participated in THE TOP SHELF of our area's competitive regattas! Full results can be found at: http://www.yachtscoring.com/event_results_cumulative.cfm?eID=1547.

Registration is underway for BBSA's signature event of the summer, the Leo Wardrup Memorial Cape Charles Cup. New this year is a complete ONLINE entry and payment form... registration, t-shirts, and Saturday party ticket purchasing couldn't be 'more easier' at www.CCCup.net. There is still time to get in without the late fee (early bird deadline is July 20th). You don't want to miss this highlight of the summer! Between now and then, there are plenty of opportunities to "get your racing on", including the New Willoughby Challenge hosted by Norfolk Yacht and CC.

Post Event Review of the BBSA's Broad Bay Regatta (June 25th), from Jerry Pattenaude:

BBSA 54th Annual

2016 DINGHY REGATTA

This year's dingy regatta was well attended with 19 boats registered - 18 started. One boat tore it's sail before the 1st start and was unable to compete. The race was attended by various types of boats: Lasers, Catamarans, Foiling A Cats, a Mobjack and a Taser. It was an absolutely gorgeous day, with air temps near 80 and winds blowing 10 to 12 NE for all 5 races.

As a catamaran sailor I felt as if I died and went to heaven. This was one of those perfect sailing days. A day where at almost any time while beating to weather you can bring in a little more sheet and gracefully lift a hull. From there it is a balancing act 5 to 7 feet above the water cruising around 15 knots with not a care in the world. (except port tack boats). While on a broad reach the leeward hull drives effortlessly thru the chop sending white water sprays over the rear transom with the nose diving every so often like a dolphin playing in the bow wave of a cruising boat. At that moment I find myself sitting on the rear beam holding on for dear life, tiller in one hand and the main sheet in the other being eased in and out to find that perfect balance for speed. The adrenaline that is racing thru my body and the exhilaration I feel are one of the main reasons I love this sport . There was one moment in time

while sailing away from the finish line that I asked my crew Jim Weixel if we should just continue sailing on for a while and catch up with the race later. He just smiled! Then my brain kicked in and we turned about to get ready for the next race.

This weekend we got 5 races in thanks to the professional manner in which the races were executed. I heard the competitors give Scott Almond, who was the PRO, accolades for races well run. On the race committee boat to help were: Art Quarnstrom, Andy Spittler, Linda Unger, Bill Pardee, Charles Brockley, Jean Pattenaude, and Joe Lieberman.

I want to give a big thank you to Art who also stuck around after the races and grilled up the hamburgers and hot dogs for the awards party afterwards. This really makes it feel like a club.

Without the above volunteers this race would not have been such a success. Thank you everyone! And as everyone knows, behind every good man is even a better women. Thank you Vice Commodore Jean for all your efforts behind the scenes. You are the best:)

Can't wait for next year! Ya'll ought to come join us. It's your club.

LABOR DAY CRUISE

Last year the weather did not cooperate and we were unable to sail to this location, but our friend Nam Vu has welcomed our group again to his beautiful home on the Ware River Saturday, September 3rd. There is a 400' dock plus plenty of deep water anchorage in front of his home.

He has an outside cooking area, so if you would like to bring something to grill you are welcome to do so. Nam Vu will be having his annual Labor Day oyster roast and have invited us to attend along with his shore friends. Afterwards we will retire for drinks and conversation on the water to continue the party!

The coordinates to go to by are: 37 degrees, 21' 38.8 N, and 76 degrees, 27' 22.25 W.

Important: Since Nam Vu will be hiring a catering company for the oyster roast he has asked that I give him a head count before the cruise so a RSVP to me is necessary.

On Sunday we will be off to the York River Yacht Haven. Come early to enjoy the pool. We will meet for drinks and hors d'oeuvres early evening. I have blocked slips for our group, but you will need to call and make your individual marina reservations, the number is 804-642-2156. They have offered us a discounted rate of \$ 1.50 a ft.

Please call Jean or Jerry Pattenaude at 757-543-3029 or email us at jpattenaude@cox.net so we have a boat count for the event.

We are looking forward to having a good time on Labor Day weekend!

Harborfest Cruise Post Event Review, by John Scott:

As we set sail for the parade of sail Friday, June 10th the winds were 20 out of the north and that made for a rocky ride to the James River. Once passed the HRBT the waters were smooth. The parade got started a little late but once underway it was a wonderful trip down the Elisabeth River escorting the Argentina tall ship Libertad. When we reached Norfolk there was a large crowd along both the Norfolk and Portsmouth sea walls cheering everyone along. Saturday was another beautiful day with sunshine and music in the air from the festivals. Saturday night, we all gathered on the sailing cat Shangri-La for docktails and fellowship among both OPCYC and BBSA members. Afterwards, Norfolk did a bang up job with a double shooting of fireworks. The wind shifted to the SW making a quick trip home.

I want to thank everyone who came out to enjoy this great weekend on the water.

In attendance:

Summer Wine, Flight Risk, Pirates Passion, Puala Sea, E, Tiki Rose, Modus Vinendi, Amara, Jammin, Crow's Nest, Tell Tales Two, Hedonist, Fin & Tonic, Chessie, No More Paddlin, Pretty Woman, David Vaugan, and a special thanks to Shangri-La.

Sail Nauticus info provided by Randy Goodman:

SAIL NAUTICUS VOLUNTEERS NEEDED

In addition to new members, our community sailing center at Sail Nauticus relies on volunteers to continue to offer low cost access to sailing. We are currently seeking sailing captain, fleet maintenance, and race administrator volunteers. Time commitments are often for two and half hours at a time. Volunteers with 50 hours can check out boats. Please call [757-823-4242](tel:757-823-4242) for more information.

Monthly Meeting:

When you had the Coast Guard perform your yearly inspection (we all do that... correct???) did they tell you that your flares are past their expiration date? Do you have shelves covered with said expired flares? Well here is your chance to get rid of those pesky things. With permission from the Coast Guard, we can light them off for a certain period of time at our monthly meeting! All this while providing valuable education on how to properly set them off. And you will also learn the easy way why flares have an expiration date (some have brought flares that failed to light off correctly). So bring those expired flares and a covered dish to our membership meeting on 19 July 2016 at the ODU Sailing Center. We have permission to light them off between 1900-2100. We will convene at 1830 (6:30pm to those that are "military impaired") at the ODU sailing Center, have a wonderful dinner and share sailing stories.

Cruise the Aegean Sea off the Greek Coast, by Dimitris Bampakos:

Dear fellow BBSA sailors,

I am writing to offer you a special deal for two training cruises that I have planned with ASA Flagship Sailing School (<http://www.flagshipsailing.com>), in the Aegean Sea, Greece this summer during the following dates:

- August 27 - September 03
- September 03-10

The cruises will start from Lavrion, Attica. Lavrion is located 30 miles south of Athens, close to Athens International airport (12 miles), and it has the advantage of an easy access to the island complexes of Cyclades and Argolic-Saronic gulf. The plan is to sail and visit a different island every day, stopping for swimming in protected bays and beaches. Most evenings will be docked ashore around 7:00pm.

Yacht

The yacht is a four cabin i434 Elan, in an excellent condition, with a dingy and outboard. It has all the inspection certifications for her seaworthiness and compliance with the European and Greek national safety regulations. Her safety equipment includes an EPIRB device and a Life Craft.

What is included?

- The charter of the yacht and its insurance
- A full time captain/ASA instructor
- All fuel and fresh water costs,
- Harbor fees, marina fees, local taxes
- Professional cleaning of the yacht, prior and at the end of the cruise
- All linens
- Provisioning for breakfast and lunch onboard plus snacks, bottled water, soft drinks and juices during the day as well as ice as needed

What is not included?

- Alcoholic beverages
- Evening meals on shore
- Personal insurance (it is highly recommended to purchase travel insurance prior to your arrival).

The price of the training cruise for a limited number of fellow BBSA/Patriot sailors is \$900 (a 50% discount). This special price does not include ASA certifications, which can be provided for an additional cost up to the 105 level.

For further information, please email me at

asa_captain.dimitris@yahoo.com

You may also find me every Wednesday evening at Bay Point Marina, Norfolk, where I sail with Red Frog (Randy Goodman). Take care and I hope that we will sail together in Greece one day.

Fair winds,

Captain, ASA Instructor
BBSA member
