COMMODORE'S CORNER

Jean Pattenaude, commodore@broadbaysailing.org

Our last membership meeting at Luna Maya Restaurant was very well attended. We had close to 50 members come out to socialize and participate in the nominations of officers. Thank you again, Mary Geblunas, for suggesting this meeting place and helping put it together.

Our **November membership meeting** will be held at the ODU Sailing Center on **November 14th** at 6:30pm. **This is one week earlier than our normal meeting time** so the meeting date does not interfere with the Thanksgiving holiday. This will be a pot luck and BBSA's Friends giving holiday party. Please see the party invitation on the next page for more information. Also, **we will be voting on our 2018 board members**. They are:

Commodore – Guy Sorensen

Member at large – Jonathan Romero

Vice Commodore – Eric Brinsfield

Rear Commodore – Jean Pattenaude

Treasurer – Sergio Diehl

Secretary – Karl Shulenburg

Cruising Fleet Captain – Ed and Aimee Darling

Racing Fleet Captain – Scott Almond

One Design Fleet Captain – Jerry Pattenaude

Our next and last official cruise for this year will be the lighting of Norfolk and Christmas parade at Waterside. Our club will be entering a float again for the parade. Volunteers have already been putting together the parade float, and welcome anyone who wants to volunteer to help, and or walk along side. If you are interested, please contact Jonathan Romero at romeroarms@cox.net or myself jean@leofjohnscontractor.com. This is a real fun time, sign up now! Make your dock reservations soon because according to the dock master, the dock spaces are filling up quickly.

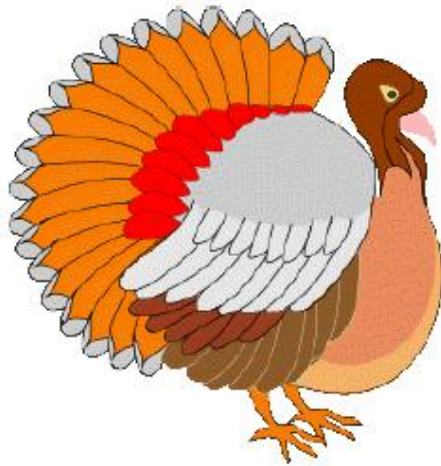

Save the date! The **Annual Banquet** (Change of Command) will be **at the Cavalier Yacht Club** on **Saturday January 27th** in Virginia Beach. There will be good food, music and dancing. Please plan on joining us and having a good time.

THE BVI cruise is on! I am really excited to go next year to support the businesses and people of the BVI's and see the progress that has been made, in such a short period of time. Please see the flyer in this Banter for additional information.

Jerry and I have many things to be thankful for, one of them is the friends we have made through this club.

Happy Thanksgiving!!

Jean Pattenaude

We owe a big 'thank you' to Tim Etherington (Old Point Comfort YC) for being our PROXY at the Annual Delegates Meeting of PHRF of the Chesapeake meeting on November 4th. A summary of the results of the meeting will be provided when the meeting minutes are made available.

BBSA racers came out on top of 3 of the 5 fleets in this year's Southern Bay Distance Racing Series (SBDRS) sponsored by HYC, NYCC, OPCYC, CCV, and BBSA! The awards are presented by BBSA at the annual Cruising Club of Virginia (CCV) Awards Party to be held on the evening of November 18 at the Hampton Crowne Plaza. Once again, a few BBSA skippers were only 1 or 2 races away from qualifying for a trophy; something to think about for next year. Following are the top BBSA finishers in each fleet. Full results will be posted shortly on our website at www.broadbaysailing.org.

CRUISING NEWS

Sergio Diehl, cruising@broadbaysailing.org

BBSA Cruisers

Another good sailing month, for either just day sailing around the lower Chesapeake or to visit the boat show in Annapolis. Although we did not have any cruises planned on the calendar, with the weather cooperating and the thermometer not inching to far down, a few impromptu cruises were sailed, two of which I heard about had magnificent sailing conditions and had the sailors regaling sea stories at the bar before the weekends were over. Thank you for the last-minute organization, and if anyone has plans for an impromptu cruise, let me know and I can publish it to the

membership. A slight modification to our cruise

calendar for November with the cancelation of the Urbanna Oyster Festival cruise, leaving only one planned cruise. With Christmas right around the corner a not to miss cruise is to Norfolk's Waterside for the Grand Illumination and Parade. Jonathan and Tanya have gone to great lengths in planning, including chili, libations and a dress boat competition. In years past, Jonathan with a group of volunteers from Broad Bay Sailing Association and the Hampton Roads Sunfish

Challenge and Dinghy Distance Race have even entered a float in the Parade. In addition, the long-range forecast for November is looking good for any impromptu gatherings, please let me know if you would like to host a cruise and I can help get the word out. Please take a few minutes to RSVP to Jonathan and Tanya to assist with their planning as well as it is not too early to make your slip reservation at Waterside.

Time to get underway,

Sergio

Norfolk Grand Illumination 18-19 November

Cruise Capt.: Jonathan and Tanya Romero

Don't miss the 33rd Annual Grand Illumination Parade in Downtown Norfolk.

Cruise with us to Norfolk's Waterside for the 4th Annual Grand Illumination Parade Cruise. The cruise, slated for the weekend of November 18-19th, kicks-off with the illumination of the downtown skyline while enjoying the premier holiday parade in the region, featuring spectacular floats, marching bands, giant balloons, dancers and Santa himself.

Before the parade, we can visit MacArthur Center's thrilling Winter Carnival and Ice Rink, visit with Santa Claus, take in a show at the Virginia Stage Company's A Christmas Carol, or visit Winter Wonderland and Dickens' Christmas Towne at Nauticus.

Cruisers are encouraged to dress their boats in the Winter Wonderland theme, and also to bring their favorite warm libations and warm crock pot chili's and stews.

We will have a Best Dressed Boat Contest as well as a Favorite Stew Contest, with awards given out from the viewing boat, Jerry & Jean's Shanghi-La. Come out and watch the parade and warm up with the Hot Toddies, Hot Buttered Rum, hearty stews, and nourishing chili's. So, break out your heartiest recipes, and join us for the Grand Illumination Parade Cruise to Waterside Marina in Norfolk.

Make sure to contact Waterside Marina, or Dockwa, and sign up for a slip before they are all gone.

For any questions or updates, I can be reached at my phone number is (757) 285-6017, or at my email address romeroarms@cox.net .

The fleet will monitor Ch. 72 for the sail down and we plan on arriving at Waterside around 1400. We would love to rendezvous at Willoughby Bay for the sail to Waterside around noon, and sail down as a flotilla to downtown Norfolk. I anticipate 12-15 boats making the cruise, so get slips soon.

Let's plan on a HUGE turnout for the last cruise of the sailing season, to watch the city lights shine for the 2017 Grand Illumination Cruise!

THE 2018 Winter Cruise to The BVI's IS ON!!!
A PICTURE OF THE BEACH AFTER IRMA AND MARIA

I attended the Annapolis Boat Show and spoke to our charter company and feel comfortable with the progress that has been made and I am excited to sail this winter in the BVI's! There were many families booking charters, but I'm hoping that the crowds may be down some, and it can be like it was in the earlier days. The palm trees are getting their leaves back, the reefs were not damaged and the beach bars are starting to get back into business. Isn't that all we need? The date is February 24th - March 6th, 2018. If your schedule allows you to join us, for all or part of the trip, the more the merrier. We picked these dates with the Full Moon party in mind. If you have any questions please feel free to ask a committee member:

Connie Motley - conniemotley@verizon.net
Jean Pattenauade - jean@leofjohnscontractor.com
Eric Fee - efecat30@yahoo.com
Cindy Hall - cleebythec@gmail.com
Chris Schott - cbschott20@icloud.com

I recommend BVlyachtcharters.com Because of the number of boats that have committed, we are being given a 15% discount with their company, 20% for 5 or more boats. Please mention that you are with our group to guarantee the discount.

Their phone lines and communications are back up, and they said to please call and reserve now! They have 20 new boats arriving, they were ordered before the storm, and they want them filled!

5 months to go! Don't be left in the cold!

Article from BoatUS about DSC-VHF Radios:

BoatUS: What You Need to Know About Your DSC-VHF Radio When Buying or Selling a Boat

ALEXANDRIA, Va., October 18, 2017 – If a boater has an emergency on the water, there’s no better way than to call for help than with a Digital Selective Calling ([DSC](#)) VHF radio which can give rescuers critical GPS location information. But that doesn’t mean these technologies come without a few quirks, especially when buying or selling a boat with DSC-VHF radios aboard. Boat Owners Association of The United States (BoatUS) has some practical advice to ensure that when you do need help, it arrives as quickly as possible.

The MMSI issue: DSC-VHF radio-equipped vessels must be registered and issued a Maritime Mobile Service Identity (MMSI) number that is then entered into the radio. Unlike a phone number that stays with you when you move across town, a boat’s MMSI always stays with the boat, so any subsequent owner must update the MMSI number with his or her new contact information. To make this easier, print a copy of your MMSI certificate, write down your registration login name and password and keep it in a safe place. This will make managing your boat’s MMSI easier if any registration details change or when it is sold to a new owner.

Hand-held DSC-VHF radios – who should get them when the boat is sold? Some boaters have both fixed-mount and hand-held DSC-VHF radios aboard, and both can share the same MMSI number. When selling, it’s wise to include any hand-held DSC-VHFs in the purchase and not take them with you to the new vessel. It would be dangerous to have the same MMSI being used by more than one vessel, and hand-held DSC-VHF radios often need to be sent to the manufacturer for a “factory reset” before they can be updated with a new MMSI number – a time-consuming process.

The international quirk: It’s OK to use your DSC-VHF radio for communications purposes when transiting foreign waters. Once you communicate with or enter a foreign port (“foreign station”), however, a US-registered boat must have a federal Ship Station License. These are only issued by the Federal Communications Commission, which also provides an appropriate internationally accessible MMSI number as part of the \$220 Ship Station License fee, good for 10 years. The benefit of receiving an MMSI from the FCC is that your emergency contact information goes into an internationally accessible database (also accessible to the US Coast Guard), potentially speeding a foreign rescue. MMSI numbers not issued by the FCC are only entered into the US Coast Guard database used for domestic waters. Boaters can learn more at the BoatUS Foundation for Boating Safety and Clean Water’s free online [DSC-VHF radio tutorial](#).

DSC-VHF radio and Automatic Identification System (AIS): While both use the vessel’s same MMSI number when it comes to registration, DSC-VHF radio and Automatic Identification System (AIS) do not share any other relationship, and each has a completely different process to follow when buying and selling a boat, or potentially when changing a boat’s name (an AIS requirement).

BoatUS offers an easy online MMSI registration for \$25 that makes obtaining an MMSI number simple, adds an extra layer of safety by partnering with the US Coast Guard to share information, and offers valuable boater benefits. This registration fee includes complimentary BoatUS membership. Go to [BoatUS.com/MMSI](#) for more.
