## COMMODORE'S CORNER

Guy Sorensen, [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

Happy May!

Spring has finally made its appearance and I for 1 couldn't be happier! May has brought us May flowers and some great sailing opportunities! The Cruise to Yorktown was a huge success. Apparently, we weren't the only pirates abound! Thank you to the Darlings for hosting such a wonderful event!

The Willoughby Racers are off to a wonderful start this year! Robert Duncan and crew have had some heavy air races on their Thursday night series and the completion is as good as it gets! Little Creek Sailing Association has been busy with their Wednesday series as well. Looks like the Bold Mariner's Cup is going to be a great one this year! Currently the Little Creek Fleet has the Cup but the Willoughby Racers have vowed to bring the Cup home to its original home. The Cape Henry Cup is the Weekend of the 19<sup>th</sup>. This is a free regatta for BBSA members and with the May breeze blowing favors the larger cruising vessels, come check it out! This regatta is also one for the Southern Bay Distance Racing Series.

We have some wonderful cruising opportunities this month. York River Yacht Haven cruise is also on the weekend of the 19<sup>th</sup> of May so that weekend there is no reason not to go sailing! There are a couple of opportunities to cruise on Memorial Day weekend, Then June is on the horizon and that brings the Norfolk Harborfest Cruise! This is a Great time year after year and a wonderful venue. I would suggest booking your slip now if you haven't already done so. We also have the BBSA Two Week Summer Cruise to Washington, DC beginning on 6/16/18. The itinerary for this event is set and looks like an incredible opportunity to see the Chesapeake Bay and the nation's capital!

The May Meeting will be held at the Rebel Marina and is a Potluck so bring your favorite dish to share rain or shine! "Sea stories" begin at 1800, then dinner followed by a short membership meeting and finally the Cape Henry Cup awards. Come out and show your support for the racers!

Also on the horizon is the Southern Bay Race Week May 31-June 3. This is a great Regatta put on by our neighbors at HYC and is a wonderful regatta that has become one of the best on the Bay!

Looking at the schedule I would have to say there is no reason not to be out on the water! With that being said, make time, make friends, and GO SAILING!!

Cheers!

Guy Sorensen

See you on the Water,

Guy

### **Hobie Fleet 32:**

This is looking like a new year to the fleet as far as race and event schedules! Unfortunately, the Duck Cup (Duck, NC) was cancelled due to new construction on the site, but Jon promised to run the race again next year when the new facilities are complete. This is a Fleet favorite and I recommend everyone plan on making the grand re-opening!

We decided to skip the Sail the Bay Regatta this year because of the bad luck we have had in the past three years. This is our flagship event that is scheduled for the last weekend in May at Seashore State Park. We have been plagued with bad weather and equipment break downs, so it seemed like it was time to take a break and regroup. We thought it would be a better idea to focus our energy on building membership to the beach cat sailing family and decided that the Raven Rookie Race would be the best event to attract new sailors.

The Raven restaurant has been sponsoring this event for over 20 years by providing swag to fleet members and rookies. We typically try to run a rigging/safety seminar for new sailors and then a quick racing seminar. We have not been able to actually run training races recently, but the event has taken a turn to more of a general sailing seminar. Last year, we were blessed with zero wind, so we took the opportunity to hold a righting seminar. Every catamaran sailor is concerned with righting their boat after capsizing, but they never get a chance to practice in a controlled environment. We were able to flip a boat on its side in shallow water and let everyone learn how to right their boat! We have also provided boat handling seminars to help new sailors learn valuable skills like tacking, beach launching/landing and general sail trim.

It has been suggested that we change the name to not emphasize racing because catamaran racing could be very intimidating to new sailors. Most rookies are really only interested in figuring their boat out, anyway. So, I'm proposing to change the name to: (Drum roll, please...) "The Raven Rookie Sailing Seminar." Yes, not much thought went in to that one, I welcome all suggestions for anything better.

We will hold the seminar July 7<sup>th</sup> with a rain date of July 8<sup>th</sup>. We welcome ANY sailors, whether you own a beach cat or not to attend! If weather permits, we can get you on a fleet member's boat to experience the thrill of catamaran sailing.

On top of the Raven Rookie Sailing Seminar, we are planning on several Family Fun days throughout the summer to build participation and morale. We have had great success sponsoring poker runs, general family sailing days and a watermelon race. The watermelon race has everyone except one boat starting with a greased watermelon. The object is to navigate a course and to not be the one to return to the beach without a watermelon. Oh, you have to drop your watermelon at each mark, round the mark and pick it back up. You can pick up any watermelon (or several). This is very fun and it is a great way to practice man overboard drills as well as boat handling skills.

We are hoping that these events will lead up to greater participation in our Labor Day event, the 'Version 2.x' regatta. This event is very similar to the old 'Low Rent' regatta in that we use the islands (channels) of the Chesapeake Bay Bridge Tunnel as navigational points. This is an exciting and challenging race! It will get you hooked on distance catamaran racing!

Hope to see Lots of new faces on the beach this year!

## CRUISING NEWS

Ed and Aimee Darling, [cruising@broadbaysailing.org](mailto:cruising@broadbaysailing.org)

The 2018 cruising season has officially begun! It started this past weekend with a cruise to Yorktown's River Walk Landing. The pirates were invading, but they were nothing in comparison to the BBSA/HYC Scalley-wag cruisers that snuck in! S/V's Flight Risk, Modus Vivendi and Virginia Breeze were the first arrive on Friday, followed by S/V's Amara and Blew J a few hours later. Early Saturday morning S/V's Lio Kai and E rounded out the fleet. There was plenty to do in Yorktown including the Farmers Market, (where a few of us bought some incredible locally made Bloody Mary mix), the roving pirates and just exploring Yorktown itself. The Schooner Virginia was in attendance and open to the public for tours at the end of our dock. They had over 3200 visitors on Saturday alone. This made great entertainment for us cruisers, because we set up chairs and umbrellas and enjoyed the people watching for the better part of the day!

Saturday evening yours truly hosted "Cocktail hour" on the dock. Painkillers were served, flags were flown, and cannons were fired. The men had a great time confusing the pirates and visitors by taking turns at firing S/V Amara's own cannon. I am happy to report Yorktown remained unscathed by this surprise attack!

Saturday night was one of rocking and rolling in our berths as the winds picked up. It was quite impressive in the morning to see the wind and waves coming down the York River. One by one, the fleet pushed off from the docks and made their way home. I believe I can safely say that everyone had a great time.

This is just the beginning! There are many more cruises to come, so don't be shy. Take a look at the schedule which can be found on the BBSA website. Be sure to check it out occasionally because sometimes changes are made to it. So, come on out for some good fun!

### Upcoming Cruises

**Norfolk Waterside Cruise, 5-6 May:** *note: slight change in plans*

We, Jim and Bev Borberg have sponsored a Kentucky Derby Party or Cinco de Mayo party for about 13 years. However, we were "between boats" and Sergio and Misty graciously said they would do the cruise. However, we will be closing on our new boat the middle of April so will be at the dock with Dreamtime III ready to party. Party starts at 5:00, cause the race is usually around 6:30.

Mint Julips have not been popular, so Capt. Jim will make his famous Goombay Punch. Each boat draws the name of their "horse" and places a \$1 bet. Everyone is encouraged to wear a Kentucky Derby style hat and a prize will be awarded for the best (men can complete, in fact Sergio was one of the winners last year). PLEASE LET US KNOW IF YOU ARE COMING SO WE CAN BE SURE TO HAVE ENOUGH OF THE GOOMBAY SMASH DRINKS

Bring a small appetizer and drinks are furnished by us. This race will give you the Greatest 2 minutes in Sports for the year. Let us know if you are coming so we will be sure and have enough drinks. Jim  
[gnsailn@yahoo.com](mailto:gnsailn@yahoo.com)

**York River Yacht Haven, May 19-20:**

Come join us for a short sail up the York River to York River Yacht Haven (804-642- 2156) on Sarah's Creek the weekend of 5/19 – 5/20/2018. Call the marina and reserve a slip. YRYH is holding 8 slips for BBSA/HYC. I will see if we can get the second-floor clubhouse by the pool for a 5:00PM cocktail hour, if it isn't available we'll have it on the docks by our boat; bring an appetizer to share and your favorite beverage. For dinner, cook out or visit the on-site restaurant. Sunday enjoy a relaxing sail home.

John & Mary Bergman Bay Dreamer II 757-477-2738

**Memorial Weekend Cruise, 26-28 May:**

A cruise with sailors from the Norfolk Naval Sailing Association down to Portsmouth, moor at Tidewater Yachts, Ocean Yachts, Anchor out at Hospital Point, or Portside at the end of High Street. Enjoy Happy hour on OLD CROW, or VIA Piano were ever they are docked. Around 5 pm go down High street to Stellar Wine bar for a glass, or two, or three, then to Oak Barrel Distillery to taste the Gin and anything else they might have, then dinner at Manino's Italian or Bier Garten, or wherever we can get a seat. The cruise will change to escorting John Bouma in from his around the world sailing adventure from the Chesapeake Bay Bridge Tunnel to the Naval Station Marina If he is coming in on any of the Memorial Day weekend days. John departed on his cruise from NNSC in November 2016. John is presently in Grenada and plans to be back in May ahead of the start of hurricane season.

Any and all clubs are invited to join in the escort. We hope to get some sort of media coverage, but that is no guaranty. You can follow John's progress through this link: <https://share.delorme.com/Johnbouma>

Please RSVP to Scott and let him know your intentions

All HYC and BBSA members are welcome to join us for a fun sail up the bay. Eric and Cathy will host a gathering on Flight Risk about 5:30 pm on Saturday. Please bring an appetizer and your favorite beverage.

During the Saturday evening gathering, we can discuss whether to sit and relax the next day, exploring East River by dinghy, or whether to move to a different river to anchor for Sunday night. Eric will provide more details as we get closer to the cruise, so please let him know if you think will join the group.

### Membership Renewal Notice:

By now all should have received the yearly BBSA Roster of Members in the mail. The data for the roster is taken directly from your yearly renewal form, please take a minute to review and if I have made any errors or your information needs updating, please e-mail me at [Sergio.diehl@cox.net](mailto:Sergio.diehl@cox.net). If you did not receive a Roster in the mail, please let me know and I will have extra copies that I can provide at the many BBSA gatherings. Additionally, I am always open to new ideas on how to improve the Roster, send me your inputs. Thank you,

### Ship's Store News: Bev Borberg, (757)460-1051, [bevborberg@yahoo.com](mailto:bevborberg@yahoo.com)

This is truly the time to check your Burgees. If you need one I can mail you one or I usually have them with me at the meetings or on our boat. The cost is \$25 no matter how you get them! Jim and I just purchased a powerboat, and I am still trying to figure out how we can attach a Burgee to the boat. In our hearts we will always be sailors, but this is a new fun adventure!

If you want a cap or shirt with BBSA logo and ship's name embroidered on it, contact Sean Myers, [kila2351@yahoo.com](mailto:kila2351@yahoo.com). Tell him Bev suggested it. He does a good job.

### BBSA Name Tags:

Now is your opportunity to order a name tag. It has the BBSA Burgee on it along with your name and, if applicable, your boat name. If this is your first order, you get 2 for free. If it's a replacement, then it's \$10/each. The next order will be sent May 14. Here is a link to the order form: <https://form.jotform.com/71134870954157>

Please email Mary Greblunas at [marygreblunas@yahoo.com](mailto:marygreblunas@yahoo.com) with any questions.

**The 2018 Broad Bay Sailing Association's Roster of Members** will be mailed this week. When you receive it, please, take a moment to look through it. If you haven't read the history of BBSA, it's an interesting read. I would like to extend a special **welcome to the 36 new members in the 2018 Roster (listed below)**. When looking through the Roster there is a section near the back that list everyone's Home Port. If you see some names you do not recognize at your home port, please make a point to seek them out and introduce yourself, whether they are one of the new members below or a longtime member. Thank you, Sergio, for putting the Roster together.
