## COMMODORE'S CORNER

Guy Sorensen, [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

Hello June!! What a great month May was for our Sailing association. We are so fortunate to have so many venues to enjoy sailing within Broad Bay Sailing Association. We have cruises going on to wonderful destinations that have given our members some very memorable times. Our weekly races on Wednesday and Thursday, as well as a long-distance regatta that attracted the fastest boats on the Southern Chesapeake Bay, have continued to be a great success and very well attended. It is wonderful to see the increase in attendance and the energy on our waterfront.

Little Creek Sailing Association wrapped up their 1<sup>st</sup> series and is off to the races, pun intended, with series 2. I've heard the level of intensity has started to get better at LCSA with the Bold Mariner Cup looming in the near future. The buzz amongst LCSA seems to be filled with fear of losing the Cup to the inaugural winner, Willoughby Racers. The Bold Mariner Cup is a BBSA sponsored event and is free to Registered Willoughby Racers and Little Creek Sailing Association sailors. This is a inter club event and has proven to be one of the more fun events of the year! Willoughby Racers have had very spirited competition in some heavy air and wet conditions as they wrap up their spring series and head into their summer series. The end of Spring Series party was hosted at the Rebel Marina at was very well attended! The food was excellent (Thank you Chef Duncan and Vicki Layne) and the comradery was better than the food! The Cape Henry Cup was held May 19<sup>th</sup> and was certainly one for the books. Scott Almond put together a great course that was just right for the conditions we were presented with. Race committee did an exceptional job in execution of the Regatta in less than favorable conditions at times. The after party on Tuesday, May 22<sup>nd</sup>, was at the Rebel Marina and a good time was had by all!

The cruise to Yorktown was a huge success. I understand that the "fake" pirates didn't know what to do when real sailors arrived and took the waterfront over. The Kentucky Derby cruise was a great time as well, judging by the pictures on our Facebook pages. Some of those pictures of the hat contest might be used for black mail later in the year! Our future cruise schedule looks exciting. We have everything from quick weekend get-a-ways to the 2-week Summer Cruise to Washington. Wow, look at all that is going on in our Association!

We have so much coming up in this month. Harborfest, 2-week Summer Cruise to Washington, DC, Summer Sailstice Progressive Dinner Cruise and a FULL race venue just to mention a few opportunities to get on the water. Take a look at the website to see what all we have going on and coming up for our members. The website address is [www.broadbaysailing.org](http://www.broadbaysailing.org). We also have 5 Facebook pages that you can join and follow for updates and goings on! So, with all of that said....

Make Friends and Go Sailing!

## RACING NEWS

Scott Almond, [racing@broadbaysailing.org](mailto:racing@broadbaysailing.org)

Jerry Pattenaude, [onedesign@broadbaysailing.org](mailto:onedesign@broadbaysailing.org)

On May 19<sup>th</sup>, 21 boats, including 13 BBSA skippers, came out to play around the lower Bay in BBSA's first big race of the summer. Congratulations to Ken Copeland, Carl Gade, and Alvin Girardin and their crew on BLACK WIDOW for winning the PHRF N fleet and the Cape Henry Cup! Rain and the possibility of thunderstorms in the afternoon convinced me to send all boats on the short (18.9 NM) course. Most boats finished before 2pm and all boats were finished by 3pm... I believe everyone got wet. Much to everyone's surprise, the race committee won the race to the finish line this year and should've been in consideration for the Cape Henry Cup. Big thanks to our race committee: Eric and Cathy Brinsfield (signal boat captains and finish line crew), Joe Lieberman (morning crew), Jerry Pattenaude (morning crew), Don Larsson (morning and afternoon crew), and Hank Almond (morning and afternoon crew). A total of 31 boats entered, 21 boats started, and 18 finished. Here are BBSA's top finishers (full results are posted on our website):

### **PHRF A:**

2<sup>nd</sup> Place - MYRAGE - Christian Schaumloffel

### **PHRF B/C:**

2<sup>nd</sup> Place - BLUE GHOST - Guy Sorensen

### **PHRF N:**

1<sup>st</sup> Place - BLACK WIDOW - Copeland, Gade, and Girardin - Winner of the Cape Henry Cup

3<sup>rd</sup> Place - PISCES - John Wandling

### **Cruising:**

1<sup>st</sup> Place - MODUS VIVENDI - Sergio Diehl

3<sup>rd</sup> Place - TEMPO - Johnathan Romero

BBSA was, once again, well represented (20 boats out of 94!) in the area's premier big-boat racing competition of the summer, Southern Bay Race Week, which was held the first weekend in June. Congratulations go out to Mike Veraldi (QUICKY) for 2<sup>nd</sup> place in the J/24 fleet and the Greblunas, Schott, Fee Syndicate (TEAM TIPSEA) and Jay Thompson (RESTLESS) for 2<sup>nd</sup> and 3<sup>rd</sup> places, respectively, in the PHRF N fleet, as well as Bob Howell (PEGASUS) and Kent Utley (MORTAR OFFER) for 1<sup>st</sup> and 2<sup>nd</sup> places, respectively, in Cruising A! Great job, skippers! Full results can be viewed at <https://yachtscoring.com/emenu.cfm?eID=4427>.

Registration and Notice of Race for this year's Broad Bay Sailing Championship for the Bold Mariner Cup have been posted on our website. BBSA's annual intramural race continues to be a hit and is scheduled this year for Saturday, July 7<sup>th</sup> (only 4 days after our family gets back from Greece). Don't wait until the last minute to register!

Registration is also underway for BBSA's signature event of the summer, the Leo Wardrup Memorial Cape Charles Cup to be held August 11-12. Easy online entry and payment, including registration, t-shirts, and Saturday party ticket purchasing are all available at [www.CCCup.net](http://www.CCCup.net). Sign up now before the late fee kicks in. You don't want to miss this highlight of the summer!

If you have any questions about any of the above or just want to talk about the New York Yankees, feel free to contact me.

### **Kentucky Derby Cruise at Waterside, May 8, 2018.** Hosted by Jim and Bev Borberg

The Derby cruise was a success. Probably about 30 plus people came by boat and car, and we all indulged in the fantastic appetizers that were brought to Dreamtime III for the party. Capt. Jim concocted his famous Goombay Smash.

We had the hat contest and Cathy Brinsfield won for the women and Jim Currie was the winner for the men. Bets were placed by the Bookie, Bev and then we all gathered around various TVs to cheer our horses in that famous 2-minute race. Andy Spittler was the winner and for the second year in a row!

After the party began to wind down, some people went into town and some had dinner on various boats. Now we all are looking forward to the next cruise!

### **Memorial Weekend Cruise 2018.** Hosted by Eric and Cathy Brinsfield

After studying the weather forecasts closely for a week in advance of Memorial Day, fourteen boats decided to make the journey to Mobjack Bay and anchor in East River. Those who sailed up on Saturday were treated to a beautiful sail, speeding along on broad reaches and beam reaches most of the way. Although some boats arrived a day early and left a day early, fourteen boats and their crew gathered Saturday evening on the host boats Flight Risk and Lio Kai, which were rafted-up to support the event.

I spent most of the event down below making Dark and Stormies, but I have heard rumors that everyone had a good time. After about 2 hours when the food dwindled and I started to run out of ginger beer, parties started slipping away to their own boats for dinner or sleep. Special thanks to Cathy Brinsfield for organizing the food and Chris and Kim Schott for providing the additional host boat and support on Lio Kai.

*BBSA and HYC Cruisers packing onto Flight Risk*

The boats participating in the cruise included: Flight Risk, Lio Kai, Modus Vivendi, Virginia Breeze, Shangri La, Arrow, Sea Doc, Sugaree, Nuance, Seaquel, Tiki Rose, Lady Charlotte, Southerly II and BooRie. Local residents Roy and Irene Weisert joined us as well, but left S/V Arete at the dock.

Gary Coldren of Lady Charlotte said *“As we arrived a day early and left a day early, we only participated in one day. However, that one day was just perfect. We got to sail around in our dinghy and say hello to everyone, and we came to the happy hour that we enjoyed very much. I think we set a record for the number of dinghies tied up.”*

*The Schott sailing family*

Sunday was a lazy day for most of us, although several boats tried to beat Monday’s rain by heading back early. One group walked into Matthews (the tide was too low to dinghy) and others just relaxed, swam, sailed sailing dinghies, or kayaked. Sunday was a beautiful day.

*The Penne’s heading out to explore and get some exercise.*

On Sunday evening, we planned a “dinghy drift”. Our first attempt at the designated time was thwarted by a rain shower when all the dinghies hightailed it back to their boats like cockroaches when the light comes on. But after the shower passed, cruisers began to gather again at the windward side of East River. We lashed our dinghies together, started drifting, and passing appetizers. We successfully dodged a few anchored boats and some docks at the other side thanks to our tugboat dinghies.

Eventually, we ran out of food, so drifters began to return to their boats for dinner, if they were still hungry. The next day, boats departed at different times, but all had a great sail back with steady winds and clear skies in the morning.

*The Sunday evening dinghy drift.*

We received these comments from our cruisers:

Donna Penne said *“The floating dinghy raft up was a blast! All round, it was a well-organized event with flexible time tables to account for weather. Enjoyed it immensely!”*

Suzie Trotter commented: *“Brad and I thoroughly enjoyed sailing with the club and sharing in each other’s company in such a pristine anchorage. As we set anchor on Saturday afternoon, a beautiful bald eagle flew over our mast! This was the first time our guests had ever spent the night on a sailboat and they were warmly welcomed by the club at both gatherings. The drifting dinghy raft-up was unique and FUN! The club members presented an array of appetizers like something you’d see at an upscale culinary scene. Those smoked salmon canapés! Wow!!”*

Karen Sage shared that *“Fred and I enjoyed the Memorial Day cruise. The cruisers were a friendly group; we made new friends and visited with old. The highlight of the trip was the dinghy raft-up cocktail cruise—fun people, great food, good drinks and a lovely evening.”*

Thanks to all those who participated and contributed to the success of the cruise. Cathy and I look forward to the next one.

Eric Brinsfield

**Ship's Store News: Bev Borberg**, (757)460-1051, [bevborberg@yahoo.com](mailto:bevborberg@yahoo.com)

Now is the time to have our Burgees flying. We are getting to be quite a large club and it is fun to see members out with Burgees on their boats. They are \$25 and can be mailed or I usually have some on our boat or try to remember to bring them to our meetings.

If you want a cap or shirt with BBSA logo and ship's name embroidered on it, contact Sean Myers, [kila2351@yahoo.com](mailto:kila2351@yahoo.com). Tell him Bev suggested it. He does a good job.

**BBSA Name Tags:**

The BBSA name tag has the BBSA Burgee on it along with your name and, if applicable, your boat name. If this is your first order, you get up to 2 free name tags (one per person). The name tags were brought back so we can put a name with that face. So please wear yours to meetings and other gatherings. If it's a replacement, then it's \$10/each. **The next order will be sent in October.** Here is a link to the order form: <https://form.jotform.com/71134870954157>. Please make sure you fill out everything correctly, as the names goes in just as you type it.

Please email Mary Greblunas at [marygreblunas@yahoo.com](mailto:marygreblunas@yahoo.com) with any questions.

**New Broad Bay Sailing Association's Members since the last Banter.**

I would like to extend a special welcome aboard to the following new members:

Matt & Mariah Schroeder	Hobie		

BBSA is one of the most active sailing associations on the Chesapeake Bay. BBSA is made up of both Racers and Cruisers, both boat owners and crew. There seems to always be something to do with BBSA. If you know of anyone interested in joining Broad Bay Sailing Association (and Willoughby Racers or LCSA racing memberships), please have them complete our membership application. Please welcome our new members when you see them.

### 3 Mistakes Boaters Don't Want to Make with a DSC-VHF Radio

Article from BoatUS, submitted by Sergio Diehl

ANNAPOLIS, Md., May 24, 2018 – For recreational boaters, sailors and anglers, having a Digital Selective Calling (DSC) VHF radio aboard to call for emergency help will always be the fastest way to summon assistance from your closest rescuers. That means that going without one can hurt your chances for a safe summer on the water. Here are three common mistakes boat owners make with DSC-VHF radios and some simple ways to improve safety aboard your boat.

#### **Mistake #1: Relying on an old VHF radio to signal that you are in distress**

If you are using a VHF radio that was manufactured more than 15 years ago, you're relying on old technology. There's probably not a person around that regularly uses a 15-year-old phone, television set or computer. Today's DSC-VHF radios have new lifesaving features, most importantly a distress button that can hail a mayday and relay your position to rescue authorities — all at the push of one little red (distress) button on the face of the radio. BoatUS has some help to set up your new DSC-VHF radio at [BoatUS.com/SettingUpDSCRadio](http://BoatUS.com/SettingUpDSCRadio).

#### **Mistake #2: Thinking you don't need to bother to register a DSC-VHF and get an MMSI number**

A Maritime Mobile Service Identity (MMSI) number is a unique registration number that is assigned to your vessel to be used with the vessel's DSC-VHF radio. MMSI numbers are issued by organizations including [BoatUS](http://BoatUS) which offer the service at no cost to members or for a nominal \$25 fee for non-members. The MMSI must be entered into the radio in order to harness all of its power and lifesaving technology. Registering your radio gives potential rescuers important information about you, your boat and whom to contact in an emergency.

#### **Mistake #3: Not reading the owner's manual that came with your radio and familiarizing yourself with your radio's features**

Your DSC-VHF radio manual contains a ton of great information about the features of your radio and how to install it. If your radio is not properly installed or not connected to your boat's GPS or chartplotter, you're shortchanging yourself and perhaps unknowingly putting yourself and your crew in danger if there is a delay in transmission and emergency response.

Digital Selective Calling technology can also make your everyday boating better. In addition to being able to send a distress signal with the press of a button, a DSC-VHF radio can privately hail other DSC-VHF-equipped vessels or groups of boats without tying up VHF channel 16, the distress, safety and calling frequency. It also allows you to 'ring' (hail) others if you know their MMSI numbers without them having to monitor a particular channel.

If you haven't yet purchased a DSC-VHF radio, make it one of your safety-gear equipment priorities this season. To learn more DSC-VHF radios, take a free online DSC-VHF radio tutorial at [www.BoatUS.org/DSC](http://www.BoatUS.org/DSC). The course is provided by the 501(c)(3) BoatUS Foundation for Boating Safety and Clean Water and funded by BoatUS members.
