Sailing Season is Here!!

If hay fever has not let you know that spring is here, the bragging on Facebook about beautiful sailing conditions should have. Although we have had lots of rain events and storms this year, we have had plenty of wonderful sailing days. So be sure put down your varnish brushes and use your boat now before the summer heat wave hits.

Racing is in full swing at both Little Creek and Willoughby and one of BBSA's signature events, the Cape Henry Cup, is scheduled for Saturday May 18. It is a fun and exciting regatta, because it attracts boats of all sizes and we usually still have wind (and an occasional squall).

Starting line at Cape Henry Cup 2018

To register go to: <https://broadbaysailing.org/CHCRegister>. See Scott's full discussion below.

Personally, I have been busy getting Flight Risk ready to sail this season. After some major upgrades to my rigging by Performance Rigging, a "mast pull" last fall with some rewiring, and a clean heat exchanger, we are ready to go. We participated in the cruise to Yorktown and had a rollicking sail on the way up and on the way back. What a great way to start the season! See more in the recaps below.

Great Events Completed

In April, we have a strong turn-out for our monthly membership meeting and potluck at the Sail Nauticus Elizabeth River Pavilion. We gathered around the knot tying station learning/practicing critical knots for sailors. Beginners and Marlin-spike seaman all had fun showing off or trying new techniques. Thanks to volunteers: Bill Wheary, Kevin Kibbe, Scott Almond, Claude Speed, Chip Jones, Cathy Brinsfield, and others who pitched-in to demonstrate knots, move tables, and more.

We also held a successful training session on **Sail Trim Around the Race Course** at Sail Nauticus presented by sailmaker, Jerry Latell from Ullman Sails. As usual, everyone came out with some new knowledge or new ideas. Well over 50 people attended.

Finally, we had an exciting trip to Yorktown, but I defer that recap for cruise captains Ed and Aimee Darling. See below.

A Few Notes on the Website

We have stepped back from active development right now to see how members are responding to the site and so we can focus on our boat. I will, however, make a few comments:

- Please give us feedback.
If you go to <https://broadbaysailing.org/forums>, you will see a “New BBSA website – feedback” forum where you can post comments or ideas. Note that anything posted here is visible to all members (but only members), who can also comment on your comment. Otherwise, you can send personal comments to commodore@broadbaysailing.org.
- Download the App
If you go to the App Store for your mobile device, download the Wild Apricot Members App. To use this, you will need to login with your userid and password. Once in, you will have access to all events on our calendar plus more.
- If you do not use the website for anything else, please take advantage of the Events calendar. We are making a special effort to keep it updated all the time. The home page shows the next four events on the calendar, but the Events page shows everything planned for the year including some non-BBSA events. Please check it out at: <https://broadbaysailing.org/events> Each event is updated constantly as we know more, so be sure to check the details in the event entry.
- Please login.
Logging into the website not only gives you access to members-only pages, but also prefills your information when you register for an event.

Up Next

Be sure to see the detailed stories below, but I want to point out the top events.

- The Marine Yard Sale (May 4) at Bold Mariner Brewery
Check out the details below, but please join us for this first-time event. We will be looking for your thoughts on whether to do it again next year, change it, or drop it. Note that Bold Mariner has not opened their new location yet, so the yard sale will still be in the Bowden’s Ferry Road location.
- Cape Henry Cup (May 18) as described above and below.
- Spring into Sailing – Cruise to Waterside (May 18-19)
Jim and Bev Borberg are leading a cruise to Waterside Marina in downtown Norfolk. See their write up below. Traditionally, they lead the Cinco de Mayo/Derby Cruise, but the Loopers (the Mississippi cruisers) were holding a rally at Waterside that weekend, so Jim and Bev had to shift. This is also the same day as the Cape Henry Cup, but racer-cruisers can certainly do both. As you cross the finish line, just keep heading south and we will see you at Waterside.
- May membership meeting and Cape Henry Cup Awards
Join us at the Old Dominion University Sailing Center for our traditional May potluck and Cape Henry Cup awards presentations. Details are available in the online events.
- Memorial Day Cruise to Mobjack Bay (May 25-27)
Russ and Melody Fink are organizing the big anchoring cruise to Mobjack Bay (East River). See the discussion below.

Leo Wardrup Memorial Cape Charles Cup needs your swag and sponsorship!!

The Leo Wardrup Memorial Cape Charles Cup is our biggest event of the year. The planning committee has been working hard to bring us another successful regatta. Each participating skipper receives a bag with sailing instructions and crucial racing information plus lots of cool gadgets or information (commonly called “swag”).

If you, your company, or your favorite business can donate some “logo-ed” trinkets or swag to put in the Skipper’s Bag, we would love to help donors advertise and get their name out there. The bags reach over 400 people including skippers, crew, and over 100 sponsors. Your company will gain visibility with Hampton Road sailors, influential people, and community leaders. If you have an idea for Skipper Bag Swag, please contact our co-chairs, Ben and Christina, listed below.

In addition, you or your organization can also be a sponsor, gaining recognition in the yearbook, on banners, and on our website. Sponsorships range from \$50 to \$2000. See the BBSA website (<https://broadbaysailing.org/CCCSponsors>) or contact Christina or Ben for more information.

CRUISING NEWS

Cathy Brinsfield, cruising@broadbaysailing.org

First Cruise of the Year – Fun in Yorktown

We had a fantastic weekend at Yorktown for our first cruise of the season. Friday offered some stormy sailing and shake-down opportunities. We watched the christening of the R/V Virginia between Friday evening storms.

Saturday was sunny and breezy with lots of opportunities to explore the R/V Virginia, the schooner Virginia, the Waterman's Museum, and the Yorktown Pirate Invasion as well as to gather with friends. Sunday turned out to be the best sail of the year. Thanks to Ed and Aimee Darling for organizing the

event (and the painkillers) and to the talented dock masters at Riverwalk Landing. More pictures on Facebook and at <https://primemeridian.smugmug.com/Broad-Bay-Sailing-Association/BBSA-2019/Yorktown-Riverwalk-Cruise-and-Pirate-Invasion/>

Let's Go Cruising!

Now that April is over, we are ready for Goombay Smash, fancy hats, and the bright lights of downtown Norfolk. Make reservations now and let Jim and Bev know you are planning to come to Waterside May 18-19. Visit the [Cruising Calendar](#) on the BBSA website and register for the event so we can keep track of how many to expect. Following close on the heels of the Waterside adventure is the Mobjack Bay anchoring weekend for Memorial Day hosted by Melody and Russell Fink.

Cruising Calendar

You can now register for cruises through the new website. Just go to the [Cruising Calendar](#) and find the cruise you are interested in joining. Click on the register button and add any guests you are inviting, and you are all set. Your Cruise Captain(s) can track who is signed up for their cruises and you can track what you have signed up for in your profile. If you have already RSVP'd by email for a cruise, go ahead and register on the website as well. (Be sure to log in first.)

Marinas are filling up fast, so if you are going on one of the longer cruises, it is even more important to make your reservations now. The 4th of July cruise at Cape Charles is waitlisted for slips and Yorktown Riverwalk may be full as well.

We now have 3 long summer cruises, one to North Carolina, better known as the Sooper Looper (Summer Cruise I), and the other two around the Bay (one with anchoring and one "marina only"). See below for links and more information.

Sooper Looper Pre-Cruise Social

If you are interested in joining our flotilla on the [Sooper Looper cruise](#) there will be a pre-cruise social to discuss the trip and answer any questions you may have hosted by Eric Fee. Eric looks forward to meeting all of you prior to this **SOOPER** voyage that Jean & Jerry have worked very hard to put together for us.

A detailed itinerary has been provided in the newsletter and on the website Cruising Calendar.

Memorial Day Cruise - Mobjack Bay

Russ and Melody Fink have planned a terrific Memorial Day Cruise to Mobjack Bay. This is the same destination as last year, if any of you joined that cruise. This is an anchoring cruise with a potluck ashore at Roy and Irene Weisert's on Saturday night. Bring something to throw on the grill and a dish to share. They have some space at their dock, first reservations, first serve. Don't forget to RSVP if you plan on attending. See details below.

Destination(s):	We plan to anchor in the East River farther in than Williams Wharf. Generally, there is good anchoring on both sides of the channel between day marks green 13 and 15 (Williams Wharf to Long Point). If the wind in that area is adverse for comfort, we will retreat up beyond Long Point. Roy and Irene Weisert have generously offered the use of their dock for boats which do not want to anchor – first to reserve with us will get priority. The group may or may not decide (at the docktail/dinner get together on Saturday at Weisert's) to relocate over to the Severn River for Sunday night. If the group decides to relocate to the Severn, we can anchor beyond School Neck Point on the Northwest branch or on the Southwest branch past red 2.
Navigation /Local Knowledge:	Contact us if you have any concerns.
Anchoring:	The East River is generally protected from any long fetch (waves), but not wakes. There are a lot of nice areas for kayaking and dinghying. This area is where high schools run crew races in the spring. If we are lucky, we might see some crew practice in the channel.
Social Activities:	<ul style="list-style-type: none"> • We will have Happy Hours at 5 pm on Saturday and Sunday. • Saturday will be docktails on Weisert's deck.
