## Commodore's Corner

### Fantastic Sailing in May!!

Even though May 2019 went down as one of the hottest Mays ever, we were treated to some excellent sailing days. I crew on Wharf Rat on Wednesday nights in Little Creek and I don't think we have had a bad night for racing yet. During our cruises to Yorktown and then to Mobjack Bay, our engines were feeling neglected going up to Yorktown or East River and going back. Let's hope the Southern Bay Race Week weather was not a harbinger and the winds hold up in June for our long cruises.

We have many activities planned for June, as you can tell from the *Upcoming Events @-a-Glance*. Be sure to look for details on each event below. I hope everyone can join us for at least one of the BBSA races, cruises, and activities.

We still have many members who do not get the opportunity to take part in a cruise or a race but might like to meet other members for a social gathering. If you would like to help lead or coordinate a social event, please let me know. For example, I have often thought it would be nice to take a BBSA group tour through the Chesapeake Bay Foundation's Brock Environmental Center, followed by an optional dinner at a nearby restaurant. If you have an idea or want to organize an event, please send me an email at [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org).

### New Members Offer Help

Several new members have contacted me saying they are sailors but do not have boats at this time. They still want to get on the water if possible. In most cases, we can easily get them on a racing boat as crew, but others are looking for more casual day sails or evening sails. We even have one new member who has offered to help do work on your boat. He wants to learn how to maintain a boat.

If you have a sailboat, but you tend not to take her out, because you need crew, let me know. If you cannot complete your maintenance or repairs, because you need some extra hands, let me know. Maybe you have a new boat and just want some experienced sailors riding along to build your confidence. If this turns out to be a common need, we can set up a mechanism to connect people on the website. For now, I just want to assess the needs or opportunities. Contact me at [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

### Great Scott!! Where is he going?

As most of you know, Scott Almond is stepping down next year as the BBSA Racing Fleet Captain. He is not going away, but significantly reducing his workload. New member, Bob Magoon, and veteran member, Jay Thompson, have volunteered to fill the role of BBSA Racing Fleet Captain and begin training with Scott now. I really cannot thank Bob and Jay enough.

The Racing Fleet Captain is an elected position, but we need to get started on the knowledge transfer as soon as possible. Based on mutual agreement between Bob and Jay, I will officially nominate one of these two. If you are interested in the job, please throw your name in the hat now so you can share in the apprenticeship. Elections are in November.

I want to thank Bob, who is a new member in BBSA, for stepping up. He knows that he has lots to learn and is eager to meet the challenge. He is not yet certified as a Principle Race Officer (PRO), but has taken the Race Management training. He crews on many boats and already works with Scott on racing issues. With his management background, I think he would do a great job.

Jay is a seasoned racer with race management experience. Mostly he wants to help the club and will work with us to ensure we continue to have great races for BBSA members. Thanks Jay! As Scott, Bob,

and Jay work together, we will all figure out the best arrangement for next year and the following years. We will write more on this transition as we have details.

In the process, we are trying to trim back the responsibilities of the Racing Fleet Captain. Consequently, we will need more Race Officers, people who are qualified and willing to organize and run a race. The new Racing Fleet Captain will need several other support people, so please let us know if you can support the BBSA in this way. We will need a team to replace Scott Almond.

Scott has also been very active in Cape Charles Cup organization and planning, performing tasks that are not part of the Racing Fleet Captain's job. Please reach out to Christina and Ben Ritger if you can help support that event. Most of the jobs are short annual activities.

### Website Notes

When we rolled out the new website, I set up several forums for skipper-crew matching, but so far this has not really been successfully adopted by skippers and crew. We still need a mechanism to facilitate the matching of skippers to crew and crew to boats, so I may be making some changes over the next few weeks. Rather than managing separate forums for each racing group, such as Willoughby and LCSA, I will likely create one single skipper-crew match facility that can also be used by cruisers or day sailors. The old forums will likely be deleted. Look for an announcement soon.

### Welcome

Please welcome the following new members, who have joined since April 1, 2019. Several have already joined us on cruises or in races.

- Joe and Connie Bostwick – s/v CoJo
- Jeff Horneff – p/v Dizzy Rascal
- Kevin Larkin
- Gaylon and Jeanine Montgomery – s/v Beautania
- Charles (Chuck) Mooring – s/v La Luna
- Elizabeth Paasch
- Evan Stallings

Welcome back to returning past members:

- Kenneth Carbaugh – s/v Chapulin
- Martin Casey – s/v Life of Riley
- Carey Hardesty – p/v Duke
- Dick McCrillis - s/v Courageous
- Dave Wilbar – s/v Knee Deep

### Welcome Back

Finally, I just wanted to welcome all the returning snow birders, who were lounging around down south in the warmth, while the rest of us were trying to stay warm up here in Hampton Roads this past winter. We may be calling on you to teach us the ropes of cruising in the Bahamas or picking the best spots in Florida.

Have a great June and see you on the water.

### PHRF Racing News

BBSA held its first big-boat race of the year, the Cape Henry Cup, on May 18<sup>th</sup>. Things weren't looking too good after a light-air start for the fleets (a real drifter at the line for the Cruising fleet) with the wind temporarily falling away to almost nothing before the 1<sup>st</sup> mark. Lucky for everyone (including us at the finish line on the beach back at Ft. Monroe), it filled back in to white caps shortly thereafter and allowed all who stayed in the race to finish. 31 boats entered, 22 boats started (including 13 BBSA skippers) and 21 finished. Congratulations goes out to Donna DeSteph and Mick Mihalcoe for winning their fleet and the Cape Henry Cup! Big thanks to our race committee: Jerry Pattenau and Joe Lieberman (Signal Boat Captains), John McCarthy (morning crew), Don Larsson (morning and afternoon crew), Hank Almond (morning and afternoon crew), Harrison Almond (morning and afternoon crew), Monica Larsson (afternoon crew) and Stephanie DeMarco (photographer). Here are BBSA's top finishers:

#### PHRF A

1st Place - MYRAGE - Christian Schaumloffel

2nd Place - RIFF RAFF - Don DeLoatch

#### PHRF B/C

4th Place - ELIXIR - Chris French

#### PHRF N

1st Place - RESTLESS - DeSteph and Mihalcoe

2nd Place - ARGO - Christina and Ben Ritger

3rd Place - PISCES - John Wandling

#### Cruising

2nd Place - BRITTANY - Rudy Eash

3rd Place - LUNA BLU - Keith Midgette

21 BBSA boats (out of 89 total) participated in the area's top-shelf big-boat regatta of the summer, Southern Bay Race Week, which was held last weekend. Can't say enough about the race officers who made the best of the curve balls that Mother Nature threw them... just a great event! Congratulations go out to Don DeLoatch (RIFF RAFF) for 2<sup>nd</sup> Place in the PHRF Super A Fleet, Christian Schaumloffel (MYRAGE) for 3<sup>rd</sup> Place in the PHRF A2 Fleet, Bob Howell (PEGASUS) for 1<sup>st</sup> Place in the PHRF N Fleet, Ben and Christina Ritger (ARGO) for 3<sup>rd</sup> Place in the PHRF N Fleet, and Kent Utley (MORTAR OFFER) for 1<sup>st</sup> Place in the Cruising A Fleet. That's a lot of silver... great job, BBSA skippers!!

Registration and Notice of Race for this year's Broad Bay Sailing Championship for the Bold Mariner Cup to be held on Saturday, June 22<sup>nd</sup> have been posted on our website. Racing will be off Ocean View just east of the Ocean View Fishing Pier. All BBSA skippers are encouraged to participate in our annual intramural race and team event (BBSA/LCSA/WR) and the entry fee is priced right... FREE! What's not to like??

Registration is also underway for BBSA's signature event of the summer, the Leo Wardrup Memorial Cape Charles Cup to be held August 9-11. Easy online entry and payment, including registration, t-shirts, and Saturday party ticket purchasing are all available at [www.CCCup.net](http://www.CCCup.net). Sign up now before the late fee kicks in. You don't want to miss this highlight of the summer!

**Leo Wardrup Memorial Cape Charles Cup needs your swag and sponsorship!!**

The Leo Wardrup Memorial Cape Charles Cup is our biggest event of the year. The planning committee has been working hard to bring us another successful regatta. Each participating skipper receives a bag with sailing instructions and crucial racing information plus lots of cool gadgets or information (commonly called “swag”).

If you, your company, or your favorite business can donate some “logo-ed” trinkets or swag to put in the Skipper’s Bag, we would love to help donors advertise and get their name out there. The bags reach over 400 people including skippers, crew, and over 100 sponsors. Your company will gain visibility with Hampton Road sailors, influential people, and community leaders. If you have an idea for Skipper Bag Swag, please contact our co-chairs, Ben and Christina, listed below.

In addition, you or your organization can also be a sponsor, gaining recognition in the yearbook, on banners, and on our website. Sponsorships range from \$50 to \$2000. See the BBSA website (<https://broadbaysailing.org/CCCSponsors>) or contact Christina or Ben for more information.

### Hobie Fleet 32 News:

The 13<sup>th</sup> Annual Rappahannock Rivah Regatta is happening this month, June 22 – 23. Please visit <https://sailrrr.shutterfly.com/> for details and to register for this fun and exciting catamaran buoy racing regatta located in Farnham, Virginia, on the beautiful Rappahannock River.

Scott Duff hosts and coordinates the event providing a private regatta site that offers plenty of space for your vehicle, boat and camping gear. All catamarans 21' and under are welcome!

Mark your calendars for July 6<sup>th</sup> to join Hobie Fleet 32 members at Chic's Beach and take a ride on a beach cat. We'll offer a variety of cats including Hobie, Nacra, Supercat, AHPC/Goodall, and possibly others. Many of you big boaters cut your teeth sailing these fast cats back in the day. We are pleased to offer you this opportunity relive those days and to see what has changed and what hasn't in beach cat design through the years. (Unfortunately, no foiling cats are available.) I'll update the calendar soon to provide details including the time of the event. Hope to see you there and share some fun on the water with you.

## CRUISING NEWS

### Cruising Calendar

You can now register for cruises through the [website](#). Just go to the [Cruising Calendar](#) and find the cruise you are interested in joining. Click on the register button and add any guests you are inviting, and you are all set. Your Cruise Captain(s) can track who is signed up for their cruise and you can track what you have signed up for in your profile. If you have already RSVP'd by email for a cruise, go ahead and register on the website as well. (Be sure to log in first.)

Marinas are filling up fast, so if you are going on one of the longer cruises, it is even more important to make your reservations now. The 4<sup>th</sup> of July cruise at Cape Charles is waitlisted for slips and York River Yacht Haven may be full as well.

We now have 3 long summer cruises, one to North Carolina, better known as the Sooper Looper (Summer Cruise I), and the other two around the Bay (one with anchoring and one "marina only"). See below for links and more information.

### May Cruises - Now in the History Books

We've had two fabulous cruises already in May and June is expected to be even busier. The May cruises were to Waterside and to East River off Mobjack Bay.

### Spring into Sailing - Celebrating at Waterside

Spring into Sailing Cruise had a truly perfect Spring Day. After so many weekends of rain the sun was out, had a little wind and everyone with a smile on their face, ready to celebrate. The gathering started at 5:00 in back of Dreamtime III.

There were 15 boats and around 36 people on the dock. Fantastic food was on the tables and, of course, Capt. Jim's delicious Goombay Rum punch was being served. The great thing was there was a mixture of people there, the "old timer cruisers" and new people to the area and Club.

We had our annual hat contest (usually Kentucky derby hats, but we could not get Waterside for that date) so we had a Spring hat contest. Melody Fink came in first, Cathy Brinsfield was second and Jerry and Jean Pattenau's dog Chad received Honorable Mention. Chad was dressed like a sailor and was adorable!

Now we all look forward to the next cruise. See you on the Water!

## Memorial Day – Mobjack Bay Anchoring Cruise

Thanks to Melody and Russell Fink for being Cruise Captains for the Memorial Day cruise. They did a great job herding us to multiple exciting activities and coordinating all the details. About a dozen sailboats made it to the East River off Mobjack Bay. There were a lot of sailboats anchoring on that popular stretch of scenic river, but there was plenty of space for all without crowding. In short, everyone had a great time. Saturday evening Roy and Irene Weisert were extremely gracious hosting everyone at their vacation house for potluck cocktails, hors d'oeuvres and dinner. It was a great socializing evening. A couple of guests even indicated that they would like to join BBSA.

The weather was fabulous all weekend, if a bit warm and muggy. The winds cooperated allowing a choppy sail (residual waves from high winds Friday) north on Saturday and an incredible downwind scoot back home on Monday. Since Sunday was fairly hot, the dinghy squirt gun fight allowed even those without generators and AC to cool off. Those with more than two in a dinghy certainly had a fire power advantage. It was only when Sergio's cigar was

doused that time was called. The dinghies retreated back to the boats for a bit of rest and to get things ready for the dinghy raft-up cocktails.

The raft-up was another great social time; a bit of motor idling countered the out-going tide and kept us safely out of the path of the powerboaters zipping up the river.

While it did not rain Sunday night, there was a bit of squally wind after midnight which rocked the boats a bit more than the powerboat wakes earlier. Monday's fine weather made for a wonderful end of an enjoyable long weekend cruise.

## Upcoming June Cruises

Remember, you can register on the website for all these cruises by clicking the Register button for the event of your choice on the Cruising Calendar.

### Harborfest – Downtown Norfolk – June 7-9

Harborfest is coming up soon. Mark the dates (7-9 June) as it will be here before you know it. John Scott has volunteered to host this cruise. If you are interested in participating, please RSVP to John Scott, (757) 729-1990 or e-mail at [flyingblueeyes@hotmail.com](mailto:flyingblueeyes@hotmail.com). You can also register here on the website. John will be leading the flotilla in the parade of sail on Friday June 7th. The rendezvous location will be in the vicinity of Elizabeth River Buoy Red 10 at 1000. Once the Parade is underway, our group will cruise alongside the Tall Ships to downtown, loop in front of Norfolk Seawall and then back across to an anchorage at Hospital Point where we will anchor for the weekend. You can participate in just the parade and anchor over at Hospital Point or join the crowd for all the festivities for this epic event.

### York River Yacht Haven Cruise June 7-9 **CANCELLED**

~~John & Mary Bergman will be hosting this cruise to York River Yacht Haven, for those folks who might want to skip the Harborfest activities in downtown Norfolk. Cruise up on Friday or Saturday and return on Sunday. YRYH has a wonderful pool for relaxing around. We will plan on having happy hour, docktails, around 5:00pm on both days, on the docks or up by the pool, specific location to be decided each day. Bring an appetizer to share and your favorite beverage. Dinners are up to the individual cruisers; at the on-site restaurant, York River Oyster Company, or grill out by the pool.~~

~~**NOTE:** The HYC Power Cruisers will also be visiting this weekend, so if you are thinking of coming, call the YRYH marina (804-642-2156) to make your reservations, and mention that you are part of the BBSA/HYC group. Please register on the website and/or RSVP to John & Mary at [bergmjo@outlook.com](mailto:bergmjo@outlook.com).~~

### Summer Sailstice June 20-23

To celebrate the summer solstice and Summer Sailstice, which is a worldwide event, Joe and Mary Greblunas are hosting a cruise to Fleets Bay. We will anchor in Little Bay off Pirates Beach. First, a Progressive Dinner is planned for Thursday night – location TBD depending on weather with the goal of Jackson Creek. Let Mary know by June 13 if you are participating in the progressive dinner. She will update participants directly of any changes and final dinner location.

If you are at HYC on Wednesday night staging for the trip, there will be a casual get together (bring your own drinks, a side dish to share, and something to throw on the grill). Beach and water activities are planned for the rest of the weekend in Little Bay and on Pirate's Beach, including a wine tasting and bonfire. Please check the [Event](#) on the website for the latest information.

Check the condition of your Burgee before you get all involved in major boat "things". The cost is \$25 whether mailed or handed to you. Hope to see the Bugees flying on all of our member boats.

If you want a cap or shirt with BBSA logo and ship's name embroidered on it, contact Sean Myers, [kila2351@yahoo.com](mailto:kila2351@yahoo.com). Tell him Bev suggested it. He does a good job.

### BBSA Website Tip for the Month

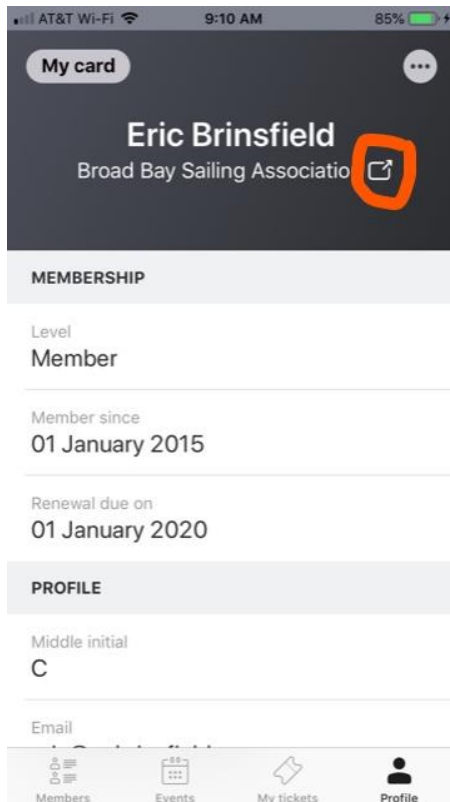

Did you know that we have an App for us? We host our website through a company called Wild Apricot. They provide a mobile App that provides some convenient features that you may like.

For example, want to know when an event starts or get the latest information quickly on your phone? Do you want to look up a member based on their boat name or boat type? You can do all that in you're the BBSA Wild Apricot App, which is available for iOS and Android devices.

Go to your mobile app store and download the Wild Apricot for Members. To use it, you will need to log in the first time. We have a help page on the website at:

<https://broadbaysailing.org/resources/Documents/Help/Getting%20the%20Member%20App%20on%20Your%20Phone.pdf>

When you sign in, you will see your profile initially:

By clicking on the 3 dots at the top right, you can edit your profile. If you click on the icon circled in orange, the App automatically opens and signs you into the BBSA website.

On the bottom row you can click on Member or Events to look up members or events in the calendar.

## **HU Summer Sailing Camp, by Jonathan Romero:**

Skippers,

Last year I was asked to put together a Sailing Camp for the high school students that participate in Hampton University's Young Diplomats Program. It was a last-minute request and we culled together Tempo, John Wandling's, Ed Darling's, and Dan Fox's boats to provide an "on the water" experience for the kids.

The program was such a success that they have asked me if we can do it again, but this time with 20 students instead of the original 10, and of course I said that we can. So, I'm asking for your help in hosting these students on your boats as part of the Sailing Seminar for the Young Diplomats Program.

This is only an "Introduction to Sailing", and not a "How to Sail" seminar. I anticipate that each boat will have 3-4 students, and the boats will sail near the Hampton Bar and return to the dock at approximately 8:20, which allows plenty of time to shuttle the students back on campus. I plan on having the students rotate boats so they can experience different sailboat types.

We plan on sailing on Monday, Tuesday, and Thursday, and will reserve Friday to a "meet & greet" with the HYC club members. This is so that the teens can see not just the "on the water" aspect of sailing, but also the social aspect as well.

Please return the following info on the reply, so that I can cull the info to turn in to the YDP admin folks.

1. Name
2. Boat Name
3. Boat type
4. Years of Experience
5. Copy of Boat insurance
6. Copy of Boating Safety Education card

The sailing portion of the program will commence as follows:

Topic: Sailing

Time: 7:00 – 8:45pm

Dates: Monday, June 24

Tuesday, June 25

Thursday, June 27

Friday, June 28

I will send out more information as I receive it. Thanks so much for your participation.

Best,
