Commodore's Corner

It is now March and spring sailing is literally right around the corner! It is hard to believe our racing areas will be full of boats in just one month. For me that means the sail loft is suddenly in a "all systems go" mode for me at work with sail installs and people bringing in last minute sail repairs. I'm seeing local riggers and other marine services on the docks daily. If you need to have anything done to your boat, get on your marine contractor's list as soon as possible so you can be on the water with all of us! Additionally, it is time to check your safety gear on your boat. If you are using an inflatable PFD that is 5 years old, check the inflation mechanism to make sure it has not expired and then blow it up manually to make sure it holds air for 24 hours. If it doesn't hold air for 24 hours, it is time to buy a new one. If you need help with any of this, please reach out to me.

February was a lot of fun. Our membership meeting at Stripers in Waterside was a great introduction to three new members who are interested in racing and cruising with BBSA! I love meeting new members who are all about getting out on the water! It was wonderful to get to know everyone who attended that evening. The view of the water was pretty, and the food was great! Our training and LWMCCC committees along with Cruising Chairwoman, Charity Gavaza have been working on all of our upcoming events. Charity and Sergio held the annual Cruiser's meeting at Hampton Yacht Club to get the cruising schedule nailed down. There are lots of opportunity to cruise with a group in 2020! Please look at the cruise schedule and sign up! We have our next training event coming up on March 10th. It is a tides and currents talk, which I am looking forward to hearing.

Our **membership meeting** is on **St Patrick's Day, March 17th**, at the **ODU Sailing Center** starting at **6:30pm**. This will be a Potluck event so bring lots of yummys! Jerry Latell will be speaking about the state of the sailing industry, which will be the same talk he is giving to the Ocean Cruising Club next month in Annapolis. Many of you have been sailing for years. While you have been sailing, the sport has evolved quite a bit in sail design, sail cloth, boat design and more! On March 23rd, my former co-worker and good friend Austin Powers of North Sails will be speaking at Bold Mariner about downwind and off-wind sails. If you are thinking about a Code 0 or cruising Asymmetrical Spinnaker, this is the talk to go to. Lots of fun events in the pipeline to get us ready for April 1st, which is the first race day of the season in Little Creek.

I hope everyone has a wonderful March! I can't wait to see you at our upcoming events!

Jerry Pattenau, onedesign@broadbaysailing.org

The first big-boat races of the season are about a month away as **Little Creek Sailing Association** starts their Wednesday Night Series on April 1st and **Willoughby Racers** starts their Thursday night series the next day. Keep your eyes on our website for registration details.

OPEN INVITATION! BBSA needs your boat and/or help for our Race Committees (**Cape Henry Cup, Cape Charles Cup, BBSA Championship, and Neptune's Atlantic Regatta**). We are often in need of a signal boat or mark boat for our big races. Race committee experience is not necessary... we will provide direction; you provide the boat. Please consider volunteering your boat and services to support our racing program. Contact me if you have any questions or are interested in helping out on one of our races!

Coming up in March and April are a couple of great workshops:

Don't forget to finish up the following applications/renewals before the prep flag drops:

- **US Sailing** – as a member of BBSA, you get a discount on your membership:
<https://www1.ussailing.org/membership/MPP/Default.aspx?ycid=108856C>. Members also get a free copy of the Racing Rules of Sailing.
- **CBYRA** – become a member for eligibility in their season-long High Point competition; the Southern Bay has its own division (Region IV) for trophies.
https://www.regattanetwork.com/membermgmt/CBYRA/membership_registration_start.php

- **PHRF of the Chesapeake** for your Valid Rating – a necessary evil for racing. Applications and renewals are all done online now: <http://www.phrfchesbay.org/> . Also, please be sure to put BBSA as your primary club to be sure you are represented at the PHRF Annual Meeting of the Delegates. Willoughby Racers and Little Creek Sailing Association are NOT member clubs of PHRF of the Chesapeake and are not represented at the Annual Meeting.
- **CCV-Racing** – Their racing membership automatically enters you in all of their races for the season (except for Southern Bay Race Week); saves time, money, and headaches!! At least join as a club member to get your copy of the annual racing bible (the CCV-Racing 2020 Guide) to have information on every significant race in this area. Online application is here: <http://ccvracing.us/membership-registration/>
- **Southern Bay Race Week** (May 28th – 31st) – It's not too soon to get registered in the most competitive racing event of the year 3 days of racing (2 for the Cruising Fleet) ... take advantage of the early bird entry fee! <https://yachtscoring.com/emenu.cfm?eID=11754>

For questions about these or anything else related to racing, please do not hesitate to contact me.

LCSA Face Book Page: <https://www.facebook.com/groups/250807138384289>

Little Creek Sailors, **It's less than a month away from our first race.** April 1st; (no joke, it's April 1st) we muster on the start line. Chris Whately (Kaleidoscope) is our first Race Committee.

We still have a bunch of holes to fill on the Race Committee Calendar. Go to <https://broadbaysailing.org/LCSACalendar/> and sign up. LCSA's documents page has been updated with instructions as how to sign up for (and cancel if necessary) Race Committee Duty". The **How to Sign up for Race Committee Guide** can be found at: <https://broadbaysailing.org/LCSADocs/>.

Chris Whatley (Kaleidoscope) is ready to race. **Begin the Wednesday night competition early with practice racing starting Wednesday March 11 at 5:30 PM.** Two other nights are planned, March 18th and 25th. Meet at or around the Red "K" mark (Red LC#2). Kaleidoscope will be on channel 72 and determine with the other boats which direction to run. This is super casual. No sign up necessary. As always, the race actually ends at AJ Gators with the obligatory war stories.

An updated SI has been posted on the LCSA Documents page. Some clarification was added; it primarily addresses PHRF renewal, and communication with the Committee Boat if you plan to protest. Major changes highlighted in **BLUE**. Check it out at <https://broadbaysailing.org/LCSADocs/>.

Ben and Christina Ritger's Press Release about Bay Harbor Brokerage:

Bay Harbor Brokerage has new owners Benjamin and Christina Ritger, a husband and wife duo, purchased Bay Harbor Brokerage on November 25, 2019.

Ben spent 20 years as a real estate broker, owning and running real estate brokerages in Florida. Selling the business in Florida, the Ritger's moved home to Tidewater where they have been actively involved in the local sailing and racing communities for the last 11 years. Together, they were last year's co-chairs of the Leo Wardrup Memorial Cape Charles Cup Regatta and Christina serves on the board of CCVR (Cruising Club of Virginia – Racing).

Ben and Christina are thrilled to be working in an industry in which they are already entrenched and look forward to helping people transact their boat sales.

The Ritger's bought Bay Harbor Brokerage from Ron & Kitty McLean, who started the company in 1979 after Ron's employer, Columbia Yachts, closed. They had a very successful 40 year run with Bay Harbor Brokerage. Along with selling boats, Ron is also an avid racer who has logged thousands of miles in local and ocean races. Still an integral part of Bay Harbor, Ron is still taking care of his customers and is staying on to help the Ritger's grow an already successful business. Together, Ron and Ben 65+ years of sailing/boating/brokering experience.

Ben, Christina, and Ron are ready to help you in your next yacht purchase or sale.
