COMMODORE'S CORNER

Stephanie Sweeney, commodore@broadbaysailing.org

Welcome to the fall sailing season! All of you have heard me on constant repeat about the pandemic, appreciative of volunteers, excited about events we managed to pull off, and about people around us who are sick. Additionally, I've heard from members who feel very out of touch because of the challenges in our current environment. I've seen members who don't always participate in our events participate because their normal activities changed. Our normal is now different. As an organization, we still must comply with the state guidelines regardless if we agree with them or not. The state of Virginia has fortunately continued to stay in phase 3. The biggest change in phase 3 was that it allowed for larger groups as long as people would wear masks and could distance themselves 6 ft apart. Unfortunately, as we found with the COVA Brewery for the LWMCCC, they were not comfortable in their outside space having more than 50 people. Even though restrictions have eased, what we can do has not necessarily changed. With colder months approaching, having an event outside becomes less reasonable. We will do what we can to keep everyone together. If we can do an in-person event, there would have to be limited numbers of people in an outside venue. We can do anything in a Zoom type of format. If there is a subject you would like covered, please let the board and me know.

On a happy note, there has been a ton of sailing going on! September was fabulous! We closed out our official mid-week sailing calendar as the days are getting shorter. We had a great cruise to Pirate's Beach. Norfolk Yacht pulled off the Laser Atlantic Coast Championships with 90 boats participating in big breeze. They had help from myself, Mitch Brindley/ODU, Fishing Bay YC, and CCVR. It takes a village to run an event during a pandemic! We had great participation with BBSA boats in the Tri-services regatta. BBSA members participated in HYC's Middle Ground Race and we finished off the month with the Atlantic Regatta that had no Neptune Festival. All great stuff that you will hear more about in this Banter.

I started my September with David Hughes and the Jammin crew on Thursday, September 3rd Willoughby Race Committee. A big shout out to BBSA member Jeff Horneff for allowing us to use his big powerboat. The crew stayed on the boat at anchor that night and had a blast just being together. I went from Jeff's boat to the Stingray Point Regatta in Deltaville on Voodoo 2. I raced on Red Frog and Jammin at different events during the month and I got in more family time at our river house. My trips home to the Northern Neck have ended, I am back at work full time and am selling my home in Richmond, VA. A reason why I made trips home this year was due to my step-grandfather, Vernon. Vernon had been diagnosed with lung cancer. He passed away on the evening I was with the Jammin crew on race committee. He was 82 years old, a car guy who loved cigarettes, Kentucky bourbon, and his family. I got him as a grandfather when I was 28. He always asked about my sailing but could never totally grasp what we do with the big boats. Few people knew why I was going home because I didn't want to talk about COVID and how this wasn't that. The last time I went home was Labor Day, I got out on my wakeskate (kind of like a waterski) and had a blast riding and crashing, no different than when I was 10 years old. A week later, my friend Matt saw me on the Bay Point docks before a race. He told me the sparkle was back in my eyes. I really needed to hear that. Life for all of us this year has been much like riding a wakeskate – we were up, then things caused a crash so to speak, we made

adjustments, hit another bump, adjusted, got back up, and have had some fun along the way. The important thing is to keep the sparkle or get it back. From smiles I've seen on boats, other people have been finding their sparkle again as I have done. The timing couldn't be better with fall sailing here! Lots of opportunities to get out on the water. If you are looking for an organized event, a great one for cruisers and racers is the Round the Lights Regatta sponsored by OPCYC and HYC. The only rules are you have to start, go around the Middle Ground Lighthouse, and the Thimble Shoals Lighthouse and finish. You can go in any order and any direction. Plenty of mileage for the cruising boats, brutal on a stripped-out race boat yet so much fun. I hope to see you out there! Let's ride into the fall and have a blast!

Stay healthy and see you on the water!

Jeff Horneff and me on Jammin's race committee night.

RACING NEWS

- **ATLANTIC REGATTA** (Race #11 in the SBDRS). Broad Bay Sailing Association was undeterred by the cancellation of the Virginia Beach Neptune Festival, which has served as the lynchpin for the BBSA Neptune's Atlantic Regatta in past years. The City cancelled the Festival, so Neptune took a COVID break from the Festival this year and from racing as well. Our "replacement race" on Saturday, September 26th, felt very similar to the former Neptune Atlantic race format, staggered start and all. Thanks again to Andy Spittler, who has helped us out by providing a signal boat for the past few years. Joining Andy on the signal boat were Start Area Race Officer, Scott Almond, John and Lin McCarthy, and Gwynn Sullivan. Joining me on the beach at the 24th Street finish line were Jerry and Jean Pattenaude and friends and Donna Magoon. Thanks, also, to mark boat skipper, Chris Talbert, for setting the finish line mark for the fourth year in a row. This year Gary Newton on Knot Right recovered the mark following the race. We also had two great photographers, Stephanie DeMarco and Virginia Van Valkenburg, join us at the finish line. Long-time Event Chairman, Jerry Pattenaude, continues to coordinate a top-shelf event including a great skippers' meeting but unfortunately no post-race party this year! Thanks to him and his entire committee for an excellent job!

The race started with a scattered drizzle and wind that offered only "light breezes to invisible breezes" throughout the starting sequence of the pursuit race. 17 boats of the 20 registered boats started and finished. The first leg from Little Creek to Cape Henry was upwind and the last leg of the 15 nm race from Cape Henry to 24th Street was a reach. Winds were 8-10 from ESE. The race was thoroughly enjoyed by beach goers from Little Creek to 24th Street!

Thank you letter from K. C. Fullmer of Nauticus:

Dear Hank,

Thanks for your kind letter dated September 3rd. Congratulations on another successful Leo Wardrup Memorial Cape Charles Cup. In spite of this year's demanding circumstances I imagine Leo is truly proud of the effort and result!

On behalf of the children we serve, our staff and the Nauticus Foundation board, I wish to thank you, and all the members of Broad Bay Sailing, for your generous and continued support of our mission. The BBSA/Sail Nauticus connection is particularly special because members of each organization know first-hand, how sailing can impact lives. Simply put...*"y'all get it"*.

We are privileged to work with your talented and inspired regatta committee each year and this year was no exception. We eagerly await the return of the Schooner Virginia next year!

CRUISING NEWS

Charity Gavaza, cruising@broadbaysailing.org

I hope everyone has been able to spend some time sailing this Summer! It was hot, but there was wind. There were few organized BBSA cruises, but groups did get together a few times. Engine problems prevented me from getting there, but it sounds like a fair number of boats and sailors made it to Pirates Beach for a long Labor Day weekend complete with beach, bonfire and fireworks.

Although the Urbanna Oyster Fest has been cancelled as well as the Norfolk Illumination parade, groups can still head out to these places and enjoy the Fall weather and Holiday spirit by boat. Please watch the website and Facebook for updates on replacement activities or ***volunteer to organize an event.***

Fishing on the Bay in the Fall months can be great. I was wondering if we have any semi-serious sailboat fishing folks? My boat has pole holders on Port and Starboard – I just need to learn more about where to go and what to use to catch my dinner. If you, or someone you know, is an expert in this field I was thinking BBSA might hold a Zoom meeting to improve our knowledge. In fact, I think we need to head to Eastern Shore for a weekend and work on our fishing skills. Please contact me if you would be interested in this topic.

Since it doesn't look like we will be able to hold an actual, in person, meeting the rest of the year, **I have put together a ZOOM presentation** for our regular date and time – **Tuesday, October 20 at 6 pm.**

Carolyn Shearlock of The BOAT GALLEY will be our speaker! Let me know if you have specific topics or questions you would like to have me ask her to cover. Looking forward to our virtual time together.

Pirates Beach Labor Day Cruise Post Event Review

We had nice weather for the Labor Day cruise and fun was had by all. The weather was enjoyable during the day to hang out at the beach and cool off in the water.

Saturday and Sunday morning, Argo, provided the cruisers with wonderful Bloody Mary's. Christina had the best mixes and Vodka. I normally do not partake in Bloody Mary's but hers are perfect!

There were also some musical instruments being played by their crew in their cockpit to serenade the boats nearby.

It was too windy for a fire Saturday night on the beach, so we listened to tunes on Shangri-La and sang, danced and swam, some voluntarily. The party broke up about 0001 most likely to the delight of other boats in our anchorage although all were welcome.

Sunday night we had a roaring fire on the beach and again listened to tunes provided by Joe Lieberman. Morgan Schott helped him take requests (both nights) to keep the party atmosphere hopping. Again, there was dancing and enjoying our cocktails. John Scott surprised us with a great fireworks display. The fireworks were awesome and added a great finish to the Labor Day Cruise.

Most of us returned back to the dock Monday afternoon, knowing summer is quickly coming to close.

Thank You to everyone that joined us on this cruise - all added something to make it memorable.

COVID-19 Marina Impacts:

The Waterway Guide, AGLCA and Snag-A-Slip are reporting the changing status of access to marinas, services and docks during the COVID-19 Pandemic. Information can be found at <https://www.waterwayguide.com/covid-19-reports>. As can be seen from the list, several marinas have closed or will not except transients during the impact of the virus.

Ben and Christina Ritger's Press Release about Bay Harbor Brokerage:

Bay Harbor Brokerage has new owners Benjamin and Christina Ritger, a husband and wife duo, purchased Bay Harbor Brokerage on November 25, 2019.

Ben spent 20 years as a real estate broker, owning and running real estate brokerages in Florida. Selling the business in Florida, the Ritger's moved home to Tidewater where they have been actively involved in the local sailing and racing communities for the last 11 years. Together, they were last year's co-chairs of the Leo Wardrup Memorial Cape Charles Cup Regatta and Christina serves on the board of CCVR (Cruising Club of Virginia – Racing).

Ben and Christina are thrilled to be working in an industry in which they are already entrenched and look forward to helping people transact their boat sales.

The Ritger's bought Bay Harbor Brokerage from Ron & Kitty McLean, who started the company in 1979 after Ron's employer, Columbia Yachts, closed. They had a very successful 40 year run with Bay Harbor

Brokerage. Along with selling boats, Ron is also an avid racer who has logged thousands of miles in local and ocean races. Still an integral part of Bay Harbor, Ron is still taking care of his customers and is staying on to help the Ritger's grow an already successful business. Together, Ron and Ben 65+ years of sailing/boating/brokering experience.

Ben, Christina, and Ron are ready to help you in your next yacht purchase or sale.
