## COMMODORE'S CORNER

Stephanie Sweeney, [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

Happy November everyone!

I am writing to you from my bunk on the Schooner Virginia. October started for me on this ship in the Great Chesapeake Bay Schooner Race and is ended at the Sultana Downrigging and Bluegrass Festival in Chestertown, Maryland. The Great Chesapeake Bay Schooner Race is an annual event that focuses on education of the Chesapeake Bay's resources and conservation of the Bay. The ship sailed with 50 school children (5<sup>th</sup> and 8<sup>th</sup> grade) while in Baltimore where the children participated in teaching stations that focused on environment, marine life and physics. The race down the bay took over 39 hours due to a lack of wind. We drifted by the Calvert Cliff gas piers with 1.2 knots of boat speed. Wind picked up and the Virginia had over 10 knots of boat speed at the finish line. We won our fleet beating Pride of Baltimore II by about 2 minutes in corrected time. Not much considering we had raced 117 miles. I left the ship and drove to Annapolis for a dinner with the Ocean Cruising Club and the US Sailboat Show. I had so much fun seeing BBSA members who came by the Evolution Sails booth and the Jeanneau owners' party! If you do not know what the Ocean Cruising Club is and you are a cruiser, you should check it out. To be a qualifying full member you must complete a 1,000 nm passage on a boat 70 ft long or less. If you have not done a qualifying passage, you can be an associate member. The club has over 3,000 members in 86 countries, port officers in ports all over the world and is a great resource for cruisers. I am a full member and can sponsor anyone interested in the club. I left the boat show, measured a boat for new sails, picked up an international judge from the airport and walked right into J111 Worlds at Hampton Yacht Club. Our very own Bob Magoon was on the race committee for the week. We had a ton of fun together at the event. J111 Worlds ended, the boat managers packed up the boats and I hopped on the Schooner Virginia. Chestertown, MD is a gorgeous town. The people are so kind here. The coffee shop, speakeasy, restaurants and walking tour of the town are wonderful. And if you come during downrigging week, the Bluegrass bands are fabulous. This town should be on everyone's cruising destination list.

We had a board meeting in October and the synopsis is BBSA is doing great! We had a fun October meeting at Nauticus where Cape Henry Cup race awards were handed out. Scott Almond emptied out his garage by giving out past unclaimed trophies. Our November meeting will be at the ODU Sailing Center on November 16<sup>th</sup>. This meeting is "Friendsgiving". It is an optional white elephant gift exchange and potluck. Last time we did this was in 2019 and I never thought I could laugh as hard as I did during the gift exchange. We will be voting on the new officers for 2022. It is time for me to not be Commodore as it has been a long pandemic filled 2 years for me. I hope to see everyone there! We will be nailing down the date and place for our January banquet this month. Keep an eye out on the website for details. We still have sailing events on the schedule! There is the cruise to Waterside for the Grand Illumination, Hot Butter Rum Race, and Frostbite races. I hope to see everyone out on the water as we roll into the end of the year!

I hope all of you have a wonderful November, enjoy family and friends over Thanksgiving and that I get to see your smiling faces on the water or at our Friendsgiving on November 16<sup>th</sup>.

## TRAINING NEWS

Larry Baun, [training@broadbaysailing.org](mailto:training@broadbaysailing.org)

We are getting ready to kick off our “off-season” and that means training plans for BBSA.

Some great ideas received so far including cruising anchorages discussion & tactics/sail trim (always needed).

I think our first event will center on re-hashing the good/bad & ugly for our sailing season just wrapping up. Primary focus on our beer-can series. In Navy parlance, a “hot wash”, to strike while iron is hot and fresh in everyone’s minds – what were problem areas, repeat problems, areas where we need to focus training for upcoming season, areas for race committee improvements, etc.

More detail to follow – I’ll be working a time/place... probably later November or early December, latest.

If you can contribute to leading/assisting any portion of discussions – let me know. Presentations not needed, but probably talking points needed so that we can focus discussion.

## CRUISING NEWS

Eric Brinsfield, [cruising@broadbaysailing.org](mailto:cruising@broadbaysailing.org)

### From the Cruiser Cockpit

#### Completed Cruises

##### Cruises to Mobjack Bay and Cape Charles

In October we scheduled three pop cruises (short notice) that were based on the weather, which turned out good. The biggest cruise happened on October 23, 2021, when five boats sailed up to the Severn River which branches off Mobjack Bay. Flight Risk, Sea Doc, and Owl had a beautiful sail up the bay on Friday and Trouble and Contented Turtle joined us on Saturday. Everyone (11 people) climbed aboard Flight Risk on Saturday evening for some sailing talk, appetizers, and drinks. We had a beautiful evening. Thanks to Rick Ellis for the photo below.

## Upcoming Cruises

### More pop cruises

Keep your eyes on the BBSA calendar or the home page ( <https://broadbaysailing.org/>) for notification of more pop-cruises. We schedule these with short notice when the weather looks promising, so we cannot schedule in advance. Don't winterize yet. You will experience some of the best sailing cruises in the fall when the bugs are slow, the temperature is about right, and the winds keep blowing.

### Grand Illumination Cruise

Each year during the third weekend in November, the city of Norfolk holds its Grand Illumination weekend, which kicks off the official holiday season in the city. The culminating event of the festive weekend is the illumination of the Norfolk & Portsmouth downtown skyline.

Prior to the lighting of the downtown skyline, the Grand Illumination weekend consists of a festive, holiday themed parade, the largest in the region. The parade features spectacular floats, marching bands, giant balloons, dancers, and Santa himself.

BBSA sailors take part in a cruise to Norfolk's Waterside Marina for the joyful weekend events. We plan to have a flotilla of boats sail down to Waterside Marina for this last cruise of the season. The Grand Illumination Cruise, now in its 9<sup>th</sup> year, always enjoys a robust fleet of sailboats and powerboats as well.

Come join us as we end the 2021 cruising season in fine holiday fashion and join us in ringing in the holiday season in grand style as only boaters can. Many BBSA and Hampton Yacht Club cruisers sail downtown on Friday night and on Saturday morning rendezvous at Waterside marina to watch the parade and enjoy warm ciders, hot toddies, and other libations, along with crockpots full of chowders, chilis, and charcuterie platters.

At approximately 7pm on Saturday, we plan to have a chowder and chili cookoff, with nautical prizes going to the winner and runner ups, with HYC members serving as judges. So, break out your favorite recipes and plan on eating, drinking, and being merry.

Make sure to call Waterside Marina early at (757) 625-3625 to reserve your slip today before they are all gone. The following are a list of non-food items needed; cups, plates, bowls, plastic utensils, serving spoons, ice, and table covers. E-mail Jonathan at [romeroarms@cox.net](mailto:romeroarms@cox.net) to let me know what items you will bring to the event, in order to avoid duplication.

So, plan to clean your bottoms, dress your boats, bring potent potables, hot libations, and crock pots full of your favorite recipes and join us at Norfolk's Waterside marina for the last cruise of the year.

## **BVI WINTER CRUISE**

I have arranged for a group of my friends to sail the BVI's in March 2022. Since we have 6 boats going, we have earned 20% off the charter rate. We have reached the highest discount! I want to share this with you. If you would like to join us, mention my name to take advantage of the discount. Since many boats are going, not all will have the same itinerary but we will bump into each other along the way.

Our trip date is March 13<sup>th</sup> - 22<sup>nd</sup>. I believe you can come a little earlier or stay a little later, but need to be cruising on some of these dates. Please check when you make reservations.

We are going through BVI Yacht Charter. Abbie has been my point of contact. They respond quickly through email: [charters@bviyc.com](mailto:charters@bviyc.com) or 1-284-494-4289.

I hope you can join us.

Happy sailing!

**IT'S THE LAW.** The U.S. Coast Guard require that all boats 16' and larger carry non-expired (current) day & nighttime approved signals.

**CHECK YOUR FLARE DATES EVERY BOATING SEASON.**
