## COMMODORE'S CORNER

Jim DiSomma, [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

Hello BBSA!

I hope everyone had a nice Thanksgiving, and is enjoying this holiday season!

The area is packed with plenty of things to do!

Parades (a lighted boat parade next week!), the boardwalk, lighted gardens, a Christmas-themed battleship, and fireworks! Grab some family, some friends, a chair, Go Do Stuff!

Oh wait, how many boat projects do you have?? Meh, that's what January and February are for!

Racing season just ended, and now your crew at BBSA is getting schedules for cruising, and meeting about racing, sooo technically its always boating season around here!

I would like to take this moment to thank everyone who has volunteered and helped out for 2022. The people are what makes this little organization special, and I look forward to seeing everyone at the Annual Banquet and Change of Command in January, at Norfolk Yacht Club.

And speaking of the change of command, the Friendsgiving turnout was awesome! We had a very fun gift exchange, tables of food, and the tradition of voting in the new board.

I wish Randy Goodman all the best as the 2023 Commodore!

He has great things planned, and knowing Randy, a few tricks up his sleeve!! Come out and support, hang out, and volunteer... 2023 is already shaping up to be a beam reach!

As this is my final banter, I'd like to say thank you for the opportunity to serve as your 2022 Commodore... It has been work, it has been a learning experience, and it has been fun... and it has been my honor!

Happy Holidays!!

Jim DiSomma

## CRUISING NEWS

Eric Brinsfield, [cruising@broadbaysailing.org](mailto:cruising@broadbaysailing.org)

### From the Cruiser's Cockpit

2022 Cruising Captain: Eric Brinsfield

This is my final report as Cruising Captain. I want to thank all the volunteers who organized cruises over the past two years and those who contributed to the success of those cruises. Jean and Jerry Pattenaude and Jonathan Romero along with their many friends and supporters have taken "the cruise" to a new level. Thank you.

I also want to welcome David Midkiff as the 2023 Cruising Captain. I plan to help David remotely and when I return, but please volunteer and offer suggestions to David as you think of them. Have a great 2023 cruising season.

#### Final Cruise of 2022:

#### Norfolk Grand Illumination Cruise, 18-20 November

WOW!! This year's Grand Illumination cruise was a total takeover of the Waterside marina in downtown Norfolk. We brought over 20 boats from to this year's event, with folks traveling from as far as Bay Creek and as close as Tidewater Marine. We met up with old friends and met many, many new ones.

I can safely say that everyone thoroughly enjoyed themselves, with many cruisers coming away from the weekend event believing that it was one of the best Grand Illumination cruises in the 13 years that the event has been running.

The assembled guests had dinner and a party on the dock across from Shangri-La, more partying on Sugaree after the parade, followed by breakfast on the dock, hosted by Jean and Jerry Pattenaude on Shangri-La. Saturday night consisted of the crockpot challenge, with over 16 crockpots consisting of all manner of hot brews, chilis, soups, and stews. A large first place bottle of Bacardi rum was awarded to Mike Ottaway for his Thai Butternut soup. The award was presented by Christina Ritger, last year's grand prize winner. The second-place award, a

bottle of Tennessee Salty Caramel Whiskey, was presented to Jonathan Romero for his Carolina meatballs, and third place award, of a flask of Sailor Jerry rum was awarded to Amy Guyer for her Peppermint Schnapps hot cocoa.

During the event many participants took advantage Norfolk Waterside's E-Scooters, to explore the downtown waterfront scene, the Waterside Live marketplace, Towne Point Park and Nauticus.

As has been the tradition over the last few cruises, Jean & Jerry Pattenaude hosted a robust and hearty Sunday morning breakfast about their catamaran, *Shangri-La* before folks departed for points home.

Start making your plans now to attend next year's Grand Illumination cruise, which will be held over the November 17<sup>th</sup>-19<sup>th</sup> 2023 weekend.

*Jonathan Romero, Cruise Leader*

### **2023 Cruise Planning Meeting – February 18, 2023**

Mark your calendars. We will be holding our annual cruise planning meeting for the 2023 Cruising Season in the Hampton Yacht Club Commodores Dining Room. We will get underway for this yearly land cruise at 1700 with the necessary docktails to spur the planning juices. HYC's chef will once again dish out an Italian Buffet (\$20++) starting at 1800 before we start the meeting to plan out the 2023 calendar. Come to the meeting with your cruising ideas and plans. Please volunteer to be a Cruise Leader. This is the best way for all of us to cruise to new destinations around the Bay. We'll make it easy for you as we fill out the cruising calendar during the meeting with planned cruises. Last year we hosted a variety of different cruises, where we sailed throughout the Bay and beyond. We look forward to doing the same or more this year. Regardless of whether you spend your time on a sailboat or powerboat, anyone can join the BBSA Cruisers. Come and join us.

If you have any questions, ideas, comments or if you cannot make the meeting and would like to volunteer as a Cruise Leader, please do not hesitate to contact, David Midkiff e-mail

[dmidkiff1@cox.net](mailto:dmidkiff1@cox.net).

## Training Ideas:

The Training committee and new Board members are already planning the training for 2023. If you have any requests as a cruiser or potential cruise for training topics, please let us know. It is easy to find racing topics, but we want to add more cruising sessions in 2023.

Possible topics include:

- Preparing your vessel for cruising:
  - Overview of topics
  - Essential equipment
  - Valuable resources
- Provisioning for cruises: short and long
- Planning your routes and stops
- Cruising etiquette
- Preparing for storms
- Technique sessions:
  - Anchoring
  - Docking
  - Navigating with Navionics
  - Navigating with Aqua Map
- 12 Volt power management
- Water Makers

Sessions can utilize presenters or panel discussions. If you have a skill or knowledge related to cruising or general seamanship, please consider offering a training or sharing session.

While planning for our cruise and during our cruise to the Bahamas, we have noticed that many new cruisers on the radio and on Facebook groups are not prepared. We can help you prepare if you are hoping to go for a long cruise someday.

Also, we find it difficult to schedule all the training sessions because of all the other competing activities. Let us know if you prefer weekend or weeknight training sessions.

Prior to our training sessions, I will make one recommendation to cruisers and potential cruisers regardless of whether you plan to use the ICW or not. Check out Bob423, his blog at [Bob423 ICW](#)

[Tracks and Routes \(bobicw.blogspot.com\)](http://bobicw.blogspot.com) or his guide book. He explains how to cruise down the ICW and provides guidance on problem areas along the way. He even shares his safe tracks from Norfolk to Florida, which you can download. The first few chapters of his book cover how to prepare your boat for cruising and the remainder talks about shoaling areas and points of interest in the ICW. I learned most of this information the hard way over the years and we tend to go offshore more than inside, but I do enjoy reading his material. Be sure to pay attention to his discussions of AquaMap (<https://www.aquamap.app>).

Have a great holiday and a happy new year on the water.
