COMMODORE'S CORNER

Randy Goodman, commodore@broadbaysailing.org

I am proud and honored to be your Commodore for 2023. I look forward to the opportunity to serve the membership in this next year.

Congratulations and thank you to now Rear Commodore, Jim DiSomma. Jim has been an impactful leader over the past three years while serving as Vice Commodore for two years & Commodore in 2022. Jim very successfully got our sailors on the water while navigating a pandemic and its uncertain aftermath... On Jim's watch, the Cruisers cruised, the Racers raced, and we had some wonderful training & social events. Well, done.

Sir, I relieve you.

Big shout out to Kim DiSomma for organizing the Winter Banquet and Change of Command at the Norfolk Yacht & Country Club. It was a wonderful event – Great food, drink, music and friendship with the wonderful ambiance of NYCC to include all the beautiful nautical art and charm and the stunning waterfront views. Thanks Kim.

February 2023. Already.

I don't know about you, but for some reason this has been an unusually quick winter. We didn't get any snow this year, I never lost power to my house, no lockdowns and the threats of "the virus" seem mostly behind us... and I am not complaining at all.

Time to start getting our boats ready for the spring... Willoughby & Little Creek start racing in less than 60 days. The Cruisers have their kick-off planning meeting on February 18th at Hampton Yacht Club. I hope to see you there, (sign up on the BBSA Website), as I want to learn more about Cruising and learn about their schedule.

Your 2023 Board of Directors/Executive Committee are meeting to plan and coordinate speakers and themes for our monthly membership meetings and training events. Our plan is to use The Bold Mariner Brewing Company in Norfolk/Willoughby as our meeting base for 2023. Bold Mariner is centrally located for many; they have a fabulous upstairs room that they very generously let us use... and their beer is awesome. For Tuesdays, they will allow us to have potlucks upstairs or order in food.

Cape Charles Cup Chairman Al Brazzi and his planning committee had their first meeting as they are preparing for the 20th running of the Cape Charles Cup.... our signature event of the year.

Racing Fleet Captain Claude Speed has been busy preparing Notice of Races (NORs) to put in CCVR's annual book and he has started the required planning & coordination with the US Coast Guard for all of our races.

Sergio Diehl is preparing to turn over BBSA Treasurer to Rob Williams. Sergio has been tireless with his dedication as BBSA Treasurer for the past 10 years. We all owe a great deal to Sergio,

as he has been a tremendous continuity piece for the club and a sounding board for many Commodore's and Exec Committees.

With this Banter, Secretary Karl Shulenburg masterfully herds cats for inputs, edits and produces our monthly newsletter. This is Karl's 12th year of producing the Banter. Thank you Karl. You are an Institution.

Our first membership meeting of 2023 is a must attend, especially for all of you racers.....

Tuesday, February 21st – at The Bold Mariner Brewing Company (Norfolk) Membership meeting – Speaker Alan Bomar (PHRF Chief Handicapper for the Southern Chesapeake Bay) will discuss how PHRF of Chesapeake establishes ratings for your boat and every other boat in the area; how to challenge ratings... and more.

In talking with Alan, a lot more goes into our ratings than many people think, including me.

Training Officer Larry Baun and his training team have coordinated with John McCarthy to provide Racing Rules of Sailing seminar at Old Dominion University in the morning on January 18th... as previously mentioned, later in the afternoon on the 18th Cruising Fleet Captain David Midkiff and our Cruising Fleet will meet at Hampton Yacht Club for Cruise planning and dinner. Details on how to sign up for the Cruise planning meeting at this link

<https://broadbaysailing.org/event-5133959>.

I hope you are able to take advantage of the BBSA training, camaraderie & friendship as we have a lot going on this month and in February and March. I look forward to seeing you at The Bold Mariner, at one of the many seminars or maybe even on the docks.

Best wishes,

Randy Goodman

RACING NEWS

Claude Speed, racing@broadbaysailing.org

Debbie Koelliker, onedesign@broadbaysailing.org

When I took this job, I thought it would be a fun time to work on planning, preparing for, and managing races but there is an incredible amount of work in the planning, e.g. Coast Guard permit applications, information to be developed and sent for CCV and CBYRA publications, plus actual race planning. Fortunately, Mark Flaherty has agreed to help with the business aspects of BBSA racing management, e.g., awards, Southern Bay Distance Racing Series administration and scoring. I really appreciate the behind-the-scenes work that previous Racing Fleet Captains did.

Then on the race preparation side, John McCarthy and Scott Almond have taken the time to educate me on all the scenarios I need to plan for when developing the sailing instructions for weekend races. Again, I never recognized the wealth of experience that needs to go into designing races that can be raced and finished in multiple weather scenarios. It truly "takes a village" to plan a successful year. Thanx to all who've helped educate me so far.

Thanx.

Mark your calendar, NYCC hosting BBSA 61st one design regatta 6/24 and Wolcott memorial regatta 6/25.

Start networking for one design sailors!And a BBSA OD 61 sponsor~

Last year we had a big fleet of Hampton one design, various cats, lasers and trimarans.

In the past we have had moths, sharks, comets, fj, laser radials, may be a possibility to charter a laser or fj?

We also need volunteers for several committees: registration, RC, scoring, trophies and giveaways!

Al Brazzi on the Leo Wardrup Memorial Cape Charles Cup:

Spring will be here soon and we have started our season planning for all racing. The Committee is meeting monthly for planning for this years' 20th Anniversary Leo Wardrup Memorial Cape Charles cup. August 18-19-20. As you all know we have a new Racing Fleet Captain, Claude Speed who will join the planning committee as well as our Commadore, Randy Goodman who of course has Chaired the LWMCCC numerous years previous. We also are developing a team to manage all the Fund raising, and breaking in a new club Treasurer, Rob Williams. We have a strong team in these people along with a returning team with many years' experiences.

I want to stress the 20th Anniversary aspect and we are looking for ideas, pictures, stories and such, from those of you who knew Leo well. We are exploring some promotional avenues and have confirmed our Skippers meeting at the Beautiful East Beach club as in years past.

In conclusion we are operating this year on a stricter budget and welcome any and all support and Ideas on new fund-raising initiatives, David Midkiff and Debbie Koelliker will be working closely with our Sponsor leads, and we can't talk about this without mentioning all our club members who personally contribute and support and help maintain our legacy base of Sponsors. Thanks to all. This a whole club event and we welcome everyone's involvement.

Please reach out to me with any ideas.

- Mast Abeam (*JUST KIDDING!*)
- And, more . . .

TRAINING NEWS

Larry Baun, training@broadbaysailing.org

The training calendar for winter/early spring is filling in.

In addition to the "Murphy Rules" training scheduled for 18 February at ODU, we have scheduled a training session with Evolution Sails on Saturday 4 March.

Owner/Sailmaker Jerry Latell and Stephanie Sweeney will present "Sails and Sail Trim", answer all your questions about sail types, trimming techniques and how to optimize your boats sail plan. We look forward to their expert advice. Details to follow on BBSA website/announcements - but plan for 0830-1200. Location will be Sail Nauticus. The training will be conducted in the Nauticus auditorium.

Following our popular "Trivia Game" contest on Racing Rules held in January, we will conduct another Trivia Game - this time all cruisers AND racers will test their knowledge (and gain some training) on "Navigation and Rules of the Road". Pull out those COLREGS and dust up on your Rules of the Road and knowledge of Aids to Navigation (ATON) and basic navigation skills. This "Trivia Game" will be scheduled for Tuesday, 18 March - starting 6:30pm at Bold Mariner Brewery. Pizza (for a small fee) will be available, as well as those Bold Mariner refreshments. Look for the announcement and invitation forthcoming.

"Red" Baron, who has provided Racing Rules tutorials on the BBSA site (under "Training" tab), will be providing Navigation 101 and Rules of the Road tutorials as well. Look for those under the BBSA "Training" tab, and study up!
