## COMMODORE'S CORNER

**Randy Goodman**, [commodore@broadbaysailing.org](mailto:commodore@broadbaysailing.org)

BBSA Members, Skippers, Crew and Friends,

It's finally here... the beginning of the 2023 BBSA Sailing & Racing season. The warm February was a head fake, as March returned to cold and sometimes wet Norfolk weather.

Despite the weather, BBSA had a very active month with lots of fun activities and planning. We also picked up a handful of new members.

I hope to see you racing and/or at the **BBSA Sock Burning Party** on Saturday April 15<sup>th</sup>.

At the BBSA Monthly Membership Meeting on April 18<sup>th</sup> at Bold Mariner Brewing, BBSA will host **ODU Sailing Coach, Mitch Brindley**. See the below write up about Mitch winning the Herreshoff Trophy.

Details & registration for both events are on the BBSA Webpage (<https://www.broadbaysailing.org>).

For all of you racers with your BBSA membership, you get free registration to the Cape Henry Cup Race on Saturday, May 20<sup>th</sup>. Info and registration at: <https://broadbaysailing.org/event-5193813>.

**In the next few weeks, expect an email proposing some minor changes to the BBSA Constitution and Bylaws. We will ask that you vote to approve the changes in the 30 days after you receive the email.**

This is an overview of the changes you will see:

- We propose to modernize our voting, by allowing members to vote in person or electronically; the intent is to get more members voting.
- Identify a clear succession plan for all members of the BBSA Executive Committee should anyone need to step down or not be able to fulfill their duties; currently we only have a written plan for replacing the Commodore.
- At the request of several members, we propose that BBSA formally include not just sail boaters, but "all boaters" in our constitution and bylaws, and
- We are cleaning up a few small typos.

BBSA March happenings included:

- A morning of Sail Trim presented by **Evolution Sails**, at **Sail Nauticus** on March 4<sup>th</sup> – big turn out and lots of great information shared.
- The BBSA Monthly Membership Meeting was at **Bold Mariner Brewing** on March 14<sup>th</sup>. We started with an entertaining ice breaker/meet & greet (including an introduction of all the New BBSA members present), followed by a Navigation & Rules of the Road Trivia Night game led by Training's Red Baron.... There was also a great turnout for this monthly meeting.

- March 23<sup>rd</sup>, Al Brazzi & Andy Spittler organized a Skipper / Crew Get together. I was told we were able to add about 15 to 20 new crewmembers to LCSA & Willoughby Racing boats. **Bay Harbor Brokerage** helped sponsor this event.
- Saturday March 25<sup>th</sup> included two events – a Sailing/Boating Swap meet in the morning (sponsored by BBSA & **Bay Harbor Brokerage**) – it is rumored that many sailors were able to clear a lot of great junk from their garages and an equal number of people brought some great stuff home at bargain prices.
- Saturday evening LCSA held their 2023 Kickoff Party and 2022 Award Ceremony, which was another fun event.
- Thursday, March 30<sup>th</sup>, Willoughby Racers wrapped up the month with a Skipper's Meeting at Rebel Marine.

To summarize, in March BBSA added numerous new members, we had very active social and training programs and we prepared to start racing and cruising in April.

I think this was an excellent and busy month for the Club.

Please contact me, if you have any ideas on how we can make our Club better.

I look forward to seeing you on the water or at one of our social events in April.

Below is a detailed Calendar for April and May.

Best wishes,

Randy Goodman

Commodore

### **Mitch Brindley Awarded Herreshoff Trophy**

#### **The Herreshoff Trophy: US Sailing's most prestigious award**

On February 2, the Intercollegiate Sailing Association (ICSA) president and head coach of Old Dominion University (ODU), Mitch Brindley, was named recipient of the Nathanael G. Herreshoff Trophy. The [Herreshoff Trophy](#) is US Sailing's most prestigious award. After being donated by the National Marine Manufacturer's Association in 1957, this award is given out annually to an individual who has made an outstanding contribution to the sport of [sailing](#) in the United States.

Coach Brindley is widely respected across all parts of the sailing community. Reflecting on her time as one of his sailors, Bridget Groble said, "Mitch perfectly exemplifies what a coach should

be. He is as committed to producing strong sailors as he is well-rounded young adults... Mitch's legacy is evident in how his alumni continue to give back to the sport of sailing." Brindley has produced numerous All-Americans and several Olympic sailors through the [ODU program](#). ODU has secured seven national championships during his tenure.

### Useful RC Information – Roles

Here are descriptions of some of the roles involved in managing a successful race.

**Race Officer** – Primary responsibilities are determining the course, setting the start, and managing the conduct of the race. May fill in for various roles at the start if shorthanded.

**Timer** – One of the most important roles in an RC crew. Primarily responsible for counting down the starts and directing the signaler to raise and lower the flags at the appropriate times. At the finish, the timer reads out the times that will be captured for each boat as it finishes.

**Line Spotter** – During the start, the line spotter monitors the line to determine whether any of the boats have crossed the line before the start. If any boats are OCS (on the course side) or “over early,” the line spotter sounds a single blast of the horn and raises the “X” flag. He or she keeps the flag raised until all OCS boats have restarted, or 4 minutes have expired, whichever comes first. At the finish, the line spotter notifies the timer and recorder of the sail numbers of finishing boats as they cross the line.

### Cape Henry Cup Race Information:

The Cape Henry Cup race on May 20, 2023, is one of the most popular races on the southern Chesapeake with the course passing out through the Maryland Channel opening of the Chesapeake Bay Bridge-Tunnel and returning through the Thimble Shoal Channel opening, making it one of the most unique long-distance races in the Bay. This race is part of the [Southern Bay Distance Racing Series \(SBDRS\)](#) and is also a [CBYRA](#)-sanctioned event with points qualifying for their High Point standings. A variety of classes are invited to race including PHRF A, B, C, N, ORC and Cruising. Information about this race may be located at <https://broadbaysailing.org/event-5193813>. The entry Fee is \$25.00 which is waived for BBSA members.

NYCC hosting the BBSA 61<sup>st</sup> One Design Regatta on 6/24 and Wolcott Memorial Regatta on 6/25.

Start networking for one design sailors! .....And a BBSA OD 61 sponsor~ Last year we had a big fleet of Hampton One Design, various cats, Lasers and trimarans. In the past we have had Moths, Sharks, Comets, FJ, Laser Radials, may be a possibility to charter a Laser or FJ?

We only need a few more volunteers for several committees: registration, scoring and giveaways!

Thank you to all that have stepped up and thank you for the cool giveaways! The racers love getting fun surprises!

### **Al Brazzi on the Leo Wardrup Memorial Cape Charles Cup:**

Spring will be here soon, and we have started our season planning for all racing. The Committee is meeting monthly for planning for this years' 20<sup>th</sup> anniversary Leo Wardrup Memorial Cape Charles cup. August 18-19-20. As you all know we have a new Racing Fleet Captain, Claude Speed, who will join the planning committee as well as our Commadore, Randy Goodman, who of course has chaired the LWMCCC numerous years previous. We also are developing a team to manage all the fund raising, and breaking in a new club treasurer, Rob Williams. We have a strong team in these people along with a returning team with many years' experiences.

I want to stress the 20<sup>th</sup> anniversary aspect and we are looking for ideas, pictures, stories and such, from those of you who knew Leo well. We are exploring some promotional avenues and have confirmed our skippers meeting at the beautiful East Beach club as in years past.

In conclusion we are operating this year on a stricter budget and welcome any and all support and ideas on new fund-raising initiatives, David Midkiff and Debbie Koelliker will be working closely with our sponsor leads, and we can't talk about this without mentioning all our club members who personally contribute and support and help maintain our legacy base of sponsors. Thanks to all. This is a whole club event and we welcome everyone's involvement.

Please reach out to me with any ideas.

## FLEET RACING

### Little Creek Sailing Association Wednesday Races:

[littlecreek@broadbaysailing.org](mailto:littlecreek@broadbaysailing.org)

LCSA Face Book Page: <https://www.facebook.com/groups/250807138384289>

The LCSA Sailing Season is off to a fantastic start. The 2022 Awards/2023 Kickoff Party was held the other weekend, with over 50 LCSA members and crew in attendance. Many thanks to Rebel Marine for graciously allowing us to use their facilities. The weather cooperated and most of the afternoon was spent outdoors under the pavilion.

Of course, what would an awards gala be without mentioning the 2022 Fleet Champions:

#### LCSA 2022 Fleet Champions

Elixir - Spin

Coeur d' Alene – NS2

Black Widow – NS1

Also, on the last Wednesday in March, intrepid LCSA Sailors got underway for a shakedown cruise organized by Set Free (Williams). Creek Water (Spittler) and Loose Goose (Holcomb) also went out to play. Winds averaged about 7 knots, so it made for an easy day. This pseudo race was culminated by the season's inaugural christening of our corner at AJ's. Much celebration with libations and happy hour prices...

Our first race of the season is in the books as we kicked off on April 5<sup>th</sup>. We have 20 competitors ready to race, and several new boats to the fleet. The competition has been getting tighter and tighter for the last couple of years, and I think the new blood is going to add another level.

Standby to standby... Little Creek Racers are ready to roll.

## TRAINING NEWS

Larry Baun, [training@broadbaysailing.org](mailto:training@broadbaysailing.org)

March was a busy month on the training front. On 4 March, BBSA teamed with Sail Nauticus and Evolution Sails to hold a sail trim seminar at Nauticus. About 70 were able to get tips and learn (and relearn) sail trim fundamentals from sailmakers Jerry Latell and Stephanie Sweeney. Thanks again to Sail Nauticus and Evolution Sails.

On 21 March, in conjunction with our monthly BBSA meeting, we held a "trivia game" on Rules of the Road and aids to navigation basics. Thanks to Edward (Red) Baron for MCing, and Sergio Diehl for acting as "judge" .... And providing a number of the ROTR questions. Go to Red's training tips on the BBSA website, under training to learn more.

Along the Navigation "learning" lines, mark your calendars! Sail Nauticus is offering a "Coastal Navigation" course during August 12-13 and 19-20 (3 1/2 days total). This classroom-based training is taught by US Sailing certified instructors and leads to a U.S. Sailing Coastal Navigation certification. Sail Nauticus will provide additional information in coming weeks. We will post it on BBSA website, and the Banter.

Looking forward to sailing season gearing up. See you on the water!

## CRUISING NEWS

### Yorktown Pirate Invasion Cruise

We kick off the cruising season with a sail up to Yorktown for the Annual Pirate Invasion. Ed and Aimee Darling will lead the cruise for the weekend. You can sail up on Friday or Saturday and return on Sunday.

**Dates: April 28-30, 2022**

### Derby Day Cruise to Waterside

Ronda and I have been trying to carry on the first weekend in May tradition that Jim and Bev Borberg used to do with a cruise to Waterside. But the past couple of years we have either had to deal with bad weather or a pandemic that derailed our cruise plans. Not going to let that have any influence on our plans this year! We are combining our efforts with Barbara and Grant Cooley for the Derby Day cruise to Waterside Marina. Come by land, come by sea... but do what you can to get there and have a good time in Downtown Norfolk! Ronda and I have acquired Jim's "secret recipe" for his famous Goombay Smash rum drink so we will have that on hand to get everyone in the festive spirit!

Some of the festivities Barbara Cooley has in store: what is the Kentucky Derby without a hat contest! (Need assistance for other things to include???)

Bring a treat to share. We will gather at our boat sometime around 5:00 to 5:30ish for the pre-race events. Typically, post time for the derby is around 6:30. After that, dinner is on you. Plenty of places to go around the marina, or enjoy a nice dinner on your boat.

Ok, the "deets" for getting a slip. When I called the marina, they told me there was a wine festival that weekend so they wouldn't set aside a block of slips for us. But no worries, when I told him it was a

BBSA/HYC cruise, he said he would do everything he could to group us as close as possible. So, if you come by sea, call the marina ((757) 625-3625) and tell them you are with the BBSA/HYC cruisers. If you go through Dockwa, be sure to include that you are with BBSA/HYC. But the dockmaster said it would be better to call. And please let me know by call/text at (757)-374-6034, or email ([karl.shulenburg@gmail.com](mailto:karl.shulenburg@gmail.com)) so that we can ensure we get enough Goombay Smash ingredients!

## **Member Spotlight: Jim Borberg**

### **Do you have one or more boats/type/name?**

My first sailboat was an 18 ft Mercury that I built in 1962 in California while in the Navy. A few years ago I found that there was still a Mercury sailing association and my boat was listed as one of the member boats. It must have seen lots of racing in over 50 years and I must have built a good sturdy boat. Next we had a Cal 20 in Hawaii that I once raced to Maui, (about 70 miles each way), a 24 ft Junior Holiday in California, a 14ft Blue Jay that I built on Guam. After settling down in Virginia Beach we had a Pearson 30, a Beneteau 33 and our last sail boat was a Beneteau 37. My first wife, Jayne and I raced and cruised for many years. My second wife, Bev and I also enjoyed racing and cruising on the Bay. My daughter, Ronda learned to sail on Guam when she was about 6. She and her husband, Karl sail a Beneteau 39.

### **How old are you?**

93

### **How did you get interested in sailing?**

I had a friend who had a 110 sailboat and I crewed for him, enjoyed it and built the Mercury.

### **What do you enjoy most about BBSA? Racing, cruising, social events, training**

I enjoyed everything about BBSA. It is a unique club that serves the needs of its members. It was a privilege to serve two terms as commodore.

### **How do you prep for a race, what is key in winning?**

First have a clean bottom and make sure your crew knows their duties. Concentrate and if you don't win figure out what YOU are doing wrong. When I first started racing and coming in last or nearly last, I kept a log and after the race I listed what I did wrong or what we could have done better. I found it hard to admit that if we didn't win that it was me, as skipper, who was at fault. The log worked and we started doing better.

### **What sailing social media sites do you follow and/or find helpful?**

None

### **What are some good sailing related books or movies you can suggest?**

Joshua Slocum - Sailing Alone Around the world.

Mutiny on the Bounty

Moby-Dick

### **How do you prep the boat for the season?**

Make sure everything is working properly. Lube the winches, Clean the bottom.

### **What do you think about when looking for new sails?**

When I built the Mercury I heard of a man named Lowell North who was starting to build sails in San Diego. I ordered sails from him and continued using North Sails on all our boats. They spend a lot on building sails so I figured that they must be good.

### **Can you explain the key differences between PHRF and ORC ratings?**

No

**What is the best music to listen to while heading to a race?**

I don't listen to music when I race. I consider the time before the race as part of racing. Observe the wind strength and consider sail adjustment, determine the best place to start, review the course, last minute instructions to the crew, concentrate on the race, etc.

**What goals do you have for the upcoming season?**

At 93 my goal is staying alive a little longer. Concentrating on exercise, keeping a good outlook, not ruining today worrying about tomorrow (in the end everyone dies), concentrating on enjoying the days I have left.

In a way it's just like racing. Concentrate on the things that will help you to achieve your goal and eliminate those things that don't help.

I wish you fair winds and following seas and WINNING.

Jim Borberg

**Andy Spittler also has a dinghy for sale:**

Free to good home. 1994 10-3" Avon Inflatable. Purchased used (can't remember when) but it was holding air when it went into storage. Portions of the rub rails will require regluing to the hull, just never got to it. It's been stored indoors for years. Come and get it...
