COMMODORE'S CORNER

Randy Goodman, commodore@broadbaysailing.org

Greetings BBSA Members, Skippers, Crew and Friends,

Wishing you all the best as we head into some great sailing and boating weather. Your BBSA Executive Council continues to plan and coordinate a lot of activities for the club – Racing, Cruising, Social, and Training. I hope you are able to take advantage of some of this fun. We are continuing to meet at the Bold Mariner Brewing Company in Ocean View for our Monthly Membership Meetings. The next meeting is **May 23rd** (please note this is the 4th Tuesday) and will have a Cinco De Mayo Theme (Mexican inspired Potluck encouraged) as well as the awards for one of the longest running BBSA sponsored races, the Cape Henry Cup.

Weather-wise, 2023 produced one of the NICEST APRILs that I can remember – until the April 30th tornado that ripped into Virginia Beach and damaged 50 to 100 Virginia Beach homes. To the best of my knowledge, no one in the club received damage to their houses during the tornado, but I understand that **Christian Schaumlöffel** lives only a few hundred feet from a lot of damage.

BBSA Weekend racing is just around the corner. **Still time to register for the Cape Henry Cup (20 May). All BBSA members get their entry fee waived for this wonderful distance race** – 25 boats are entered, as of this writing. You can register at <https://broadbaysailing.org/event-5193813>

The Leo Wardrup Memorial Cape Charles Cup registration is now available.

A reminder that on April 15, all BBSA Members were sent an email where you had **a chance to vote on whether to change the BBSA Constitution and By-laws.**

The voting will end on Monday May 15, 2023.

If you want to vote, but haven't yet, please contact Eric Brinsfield.

For those of you on Facebook, I invite you to check out the BBSA Facebook page – there are always lots of interesting articles and photos of our members and their boats.

<https://www.facebook.com/groups/157181708588>

Willoughby Racers and Little Creek also have very nice Facebook pages.

April happenings within BBSA included:

- Little Creek and Willoughby started racing in the first week in April.
- Little Creek finished up its five race, Series 1.
- Willoughby is well into their seven race, Spring Series.
- A well-attended and fun Sock Burning Party was held at the stunning beach home of **Cindy Lee Hall**. We had some great food and plenty of cheer and enjoyed the beauty of the Ocean View Beaches.

- ODU Sailing Coach, **Mitch Brindley**, recent Herreshoff Trophy winner (US Sailings most prestigious award) was the guest speaker at the April BBSA Membership Meeting at Bold Mariner Brewing. Coach Brindley gave us an update and answered questions about the ODU Sailing Team. I was honored to present him with a \$1000 check on behalf of BBSA, to support ODU Sailing.
- **Debbie Koelliker** organized a free lunch for the ODU Sailing Team and all competitors & supporters at the American Trophy Regatta on April 29th, held at ODU. Teams from all over the Southern Region raced and enjoyed burgers, hot dogs, fruit, drinks & more and they were welcomed by a team of BBSA members.

In summary, April was another busy month with lots of BBSA Activities. Try to get involved – you will have more fun.

I continue to ask each of you to contact me, if you have any ideas on how we can improve our club.

Remember to vote on the BBSA Constitution & By-laws amendments, if you have not.

Below is a detailed calendar for May and June.

Best wishes,
Randy Goodman

As a reminder - Cape Henry Cup Race Information – we have 18 boats registered to race as of the end of April. Let's get some more in the race and pray for decent winds.

The Cape Henry Cup race on May 20, 2023, is one of the most popular races on the southern Chesapeake with the course passing out through the Maryland Channel opening of the Chesapeake Bay Bridge-Tunnel and returning through the Thimble Shoal Channel opening, making it one of the most unique long-distance races in the Bay. This race is part of the [Southern Bay Distance Racing Series \(SBDRS\)](#) and is also a [CBYRA](#)-sanctioned event with points qualifying for their High Point standings. A variety of classes are invited to race including PHRF A, B, C, N, ORC and Cruising. Information about this race may be located at <https://broadbaysailing.org/event-5193813>. Old Dominion University sailing and BBSA, American Trophy Regatta April 29th and 30th.

BBSA and ODU Sailing continued a renewed partnership this past weekend when ODU hosted the American Trophy Regatta, the last home regatta for the school year! Even though we were not sure it was going to happen, over the last two weeks a dozen folks and businesses donated everything we needed to feed 130 competitors, parents and coaches! We had a successful weekend at ODU, and we know they are still talking about us! We served grilled black bean burgers, hamburgers and hot dogs, energy/electrolyte mixes, granola bars, all kinds of chips, apples, bananas and oranges to all the student athletes, coaches and parents! I think this is the BBSA One Design creation of the *BBSA grill team!* There is a huge benefit to continuing this connection!

A big thank you to all our BBSA volunteers, donors and fundraisers! Check out the photos below; awesome BBSA Grill team Randy, Jackson, and Bob with the delightful servers Elizabeth, Jynine and Amani! Working hard all day! It was so fun, and the students were so grateful! The competitors said they never get anything or attention at any regattas, they kept asking why we were doing this, who we are, and what made us do this?

Having a big hot meal at a regatta is something the kids have told me they will never forget~

ODU Sailing hosts approximately 3 to 5 home regattas during the school year. The smallest regatta is 6 teams and the largest is 18 teams.

And over the weekend several students said we will have some ODU FJ's for the 61st annual One Design Regatta in June~ see you on the water!

I want to stress the 20th Anniversary aspect and we are looking for ideas, pictures, stories and such, from those of you who knew Leo well. We are exploring some promotional avenues and have confirmed our Skippers meeting at the Beautiful East Beach club as in years past.

Little Creek Sailing Association Wednesday Races:

LCSA Face Book Page: <https://www.facebook.com/groups/250807138384289>

BBSA Friends and Sailors.

Little Creek Racers finished up our first series, Wednesday May 3rd. This is the first series in a very long time that I remember when Mother Nature let us get in all five races. Wow, it's good to be back on the water. We've had about 13-18 boats competing for the various races, a great turnout. A big thanks to all the Race Committees who put on an exceptional first series.

And the LCSA Series 1 Winners are: NS1, Black Widow; NS2, Brittany, and SPIN, Elixir. Way to go Little Creek.

Willoughby Racers Thursday Races:

Check out the Willoughby Racers link from the BBSA website at <https://broadbaysailing.org/WRHome> and our Willoughby Racers Facebook page for updates and more information.

Good May to all, we are off to a great start even with fluky, sometimes nonexistent wind. But either way, we are racing.

I wanted to make everyone aware of a new program available to all BBSA Racers. The "Broad Bay Race Committee Support Team" (BBRCST) has been formed to assist Racers on RC night as desired. Claude Speed, Mark Flattery and Steve Snyder are available to schedule this assistance. It's important to understand this time is required as well for them to qualify for full "PRO" status and right now BBSA has more active PROs at least in training than I think we ever have.

Use this email for direction racing@broadbaysailing.org. Claude will connect parties for direct scheduling. I will be available as needed but I don't need to know details of all ride alongs.

Let's try and promote this program, I think it's great and shows massive support from BBSA volunteers.

Thanks, and see you on the water,
AL

CRUISING NEWS

David Midkiff, cruising@broadbaysailing.org

From the cruising corner:

As we move further into May and towards June, the weather is warming up and we are seeing more sunshine every day, more boaters are looking to get their boats away from the docks and go somewhere. Join BBSA on one of the cruises we have planned or create your own.

Memorial Day Weekend Cruise 27-29 May

Sergio is leading the cruise to Mobjack Bay, East River which has in fact become the de facto Annual Destination. The plan is to depart our respective homeports on Saturday (those that have more time may wish to depart earlier) and anchor just past Williams Wharf and hopefully in the vicinity of 37° 24.483' N 076° 20.719' W.

Sergio's friends Roy and Irene have once again been gracious to offer the use of their home on the river for our docktails and a potluck. The plan will be to gather on Saturday evening about 1700 for docktails. Depending on the number of participants, we may gather on Sergio's boat, have a dinghy raft up, or on the Weisert's dock, please bring your favorite libation and an appetizer to share. On Sunday evening we will gather on Roy and Irene's deck for docktails and a potluck. Please bring your favorite libation, a dish to share and your entrée. If you would like, a grill is available on the deck. If you prefer to go pier side, vice anchor, I do have limited space on the Weisert's dock. Please let Sergio know you if you will be attending by e-mail, sergio.diehl@cox.net or phone (757) 635-1846, as well if you would prefer to be pier side, or, sign up on the events calendar to let Sergio know you are attending.

Slow Moving Northern Neck One Week Cruise V1 10-18 June

Cindy Lee Hall & Eric Fee are the Cruise directors for this event. The plan is simple - we cruise safely together, enjoy the company of like-minded sailors and create life-long memories along the way! **Tentative Float Plan:**

6/12 - Indian Creek, Fleets Bay (anchor or Indian Creek Yacht Club, Chesapeake Boat Basin)
6/13 - Indian Creek (explore Kilmarnock, visit our friend Martin)
6/14 - Pirates Beach (Little Bay), Antipoison Creek, Fleets Bay (anchor & dinghy to beach)
6/15 - Broad Creek, Rappahannock River (Regatta Point Marina)
6/16 - Broad Creek (enjoy pool, club house, BBQ & Deltaville)
6/17 - Willoughby Bay or Home Port (anchor; dinghy to Fish House for dinner)
6/18 - Hampton Yacht Club or Home Port

Slow Moving Northern Neck One Week Cruise V2 10-18 June

The other half of the Team Tipsea Race Syndicate, Jeff Guyer, will be heading out for a one-week cruise for the "Middle Chesapeake/Crisfield Cruise". Our cruises tend to not stick to the float plans as much as others, in fact plan changes happen on the fly quite often but always end up as a good time. Anchoring/relaxing/swimming/exploring/libations are usually at the forefront. We are only planning for about 4 stops but have extra time built in for plan changes/weather delays.

Tentative Float Plan:

6/17 - Indian Creek, visiting a waterfront Friend, overflow may have to go to Indian Creek Yacht Club, Chesapeake Boat Basin, or Fleets Bay. (51 NM)
6/18 - Indian Creek
6/19 - Great Wicomico/Sandy Point, Anchor, Swim, Explore tributaries (14 NM)
6/20 - Great Wicomico/Horn Harbor, Anchor, Swim, Explore tributaries (17 NM)
6/21 - Crisfield (45 NM)
6/22 - Crisfield
6/23 – 6/25 - HYC/Home Port, we will be stopping somewhere in-between (giving us Fri/Sat/Sun) to allow for changes to the cruise.

Harborfest Cruise 16-18 June

The BBSA and HYC cruisers will once again make the "long" trek to Norfolk for the Harborfest weekend, where participants will have the option to anchor together, in the vicinity of R32 off Hospital Point near Tidewater Yacht Marina, or reserve dockage at Waterside Marina directly. Since the Parade of Sail is Friday morning, I envision that

several boats will arrive at Harborfest Thursday night or early Friday AM. We (S/V Brittany) will be there Thursday afternoon. We welcome others to join us to get a good spot to see the Parade on Friday morning and fireworks on Saturday night. Regarding events, other than the shoreside action throughout the weekend, we plan to get together a few times out on the boats in the anchorage. Remember, we will be rafting up, anchoring solo, getting a slip, and/or potentially dinking around a bit.

Sunday - Time to decorate our boats to celebrate our Independence in style. All are free to explore the town, enjoying of course the various eateries and drinking establishments. Don't forget to stop in at the Gull Hammock for their daily wine tasting (Time will posted outside the shop... usually 3:33 start). The plan for Docktails is the same as Saturday night, gather on the docks at 1700. Please bring an appetizer to share and your favorite libation.

Monday - We will gather on Monday Evening for a movie night dockside bring a chair and your favorite libation and snacks. At this time, it is planned to be a showing of the Sailors favorite "Captain Ron."

Tuesday (Independence Day) – Details for the town of Cape Charles 4th of July activities have not yet been posted, but the town always hosts a local parade, usually around 1000. In the past we gathered at the Cape Charles Distillery which made for a great spot to watch the parade and enjoy Bloody Mary's made with local spirits. Tuesday evening, we will gather on the docks at

around 1800 for docktails which will be followed by a potluck. Please bring appetizers as well as a main dish to share. At sunset, the City of Cape Charles always puts on a great fireworks exhibition and our dock makes for a great spot to enjoy them.

Wednesday – Derig the boats and docks and then a leisurely sail back to our respective home ports before we go back into our usual grind.
