COMMODORE'S CORNER

Randy Goodman, commodore@broadbaysailing.org

BBSA Skippers, Crew and Friends,

Hope you all are having a wonderful summer of Sailing, Racing & Cruising.

I would like to dedicate this issue of the Banter to long-time BBSA members, **John & Lin McCarthy**... you can read about them as they are highlighted in this issue of the Banter as the "BBSA Members in the Spotlight". Frankly, I know of no one or no couple that have done more for Sailboat Racing in the Southern Chesapeake Bay than **John and Lin** --- from racers, to coaches, to mentors, to Race Officials, to Racing Rules Instructors, to lead scheduler and cheerleaders, and so much more. Like many others, I call both of them for advice and have never been led astray... at least not about racing. **John & Lin**, Thank you both from all of us at BBSA... We are very proud to have you as BBSA members and as our friends.

In July we passed mid-summer, but there is still a ton of fun to be had on the water and meeting with friends. August brings the **20th Anniversary of Leo Wardrup Memorial Cape Charles Cup** (18 to 20 August)... as of this writing we have 67 boats entered in this wonderful race and social event. Registration closes on August 11th, so there is still time to enter if you want to dock at Oyster Farms Marina and be near the Saturday evening dinner and awards party. If you get a chance, thank CCC Chairman, Al Brazzi & his planning team for all of their efforts to make this race great. Also remember to thank all of our sponsors.

If you are interested, ask Al Brazzi about purchasing a commemorative 20th Anniversary Leo Wardrup Memorial Cape Charles Cup framed or unframed poster. They are stunning.

July brought lots of racing, a wide variety of weather and many BBSA members getting up on the podium to get awards in weekend racing; Lots of Little Creek and Willoughby Wednesday and Thursday Night Racing. New in July was the start of BBSA / Hobie Fleet's "Friday Night Follies" evening **Beach Cat Racing** in Ocean View. Think about it – three Weeknights of BBSA Racing.

For July weekend races, BBSA members on the podium included:

– **CCV Moonlight Triangle** - Myrage (**Christian Schaumloffel**) 2nd place PHRF A, Elixir (**Chris French**) 2nd place PHRF B, Pegasus (**Bob Howell**) 1st place Non-spin; Set Free (**Rob Williams**) 1st place, Red Frog (**Randy Goodman**) 2nd place in ORC Cruiser.

- **NYCC Dink Vail Regatta**, Elixir (**Chris French**) 1st place, Pegasus (**Bob Howell**) 2nd place Spinnaker; Set Free (**Rob Williams**) 1st place, Obsession (**Bill Ripley**) 2nd place, and Black Widow (**Copeland/Gade/Girardin**) 3rd place in Non-spin.

The BBSA Cruisers had a busy month, even though there were some weather challenges. **David Midkiff** led a 4th of July Cruise to Cape Charles; **Rick Ellis** headed up a Doobie Brothers Concert in Portsmouth, and there was a well-attended Norfolk Yacht & Country Club (NYCC) Cruise led by **John Scott**. Frankly, many boats turned the NYCC Dink Vail Regatta into a Cruise with two

days of dockage and a wonderful dinner included in the registration fee. Our friends at **Norfolk Yacht & Country Club** are wonderful hosts and they have a beautiful club.

BBSA Monthly Membership Meetings are getting started again after the summer recess, with the next membership meeting on Tuesday, August 22; a pool party at **Sergio Diehl's** home (see the BBSA calendar for details and registration). **Please join us on the 22nd as we honor Sergio for his 10+ years as the BBSA Treasurer.** If you have any good Sergio stories to share, even better.

The **BBSA Ship's Store** is expanding its offerings. BBSA Pennants & Name tags are available; New items are BBSA logo hats and koozies. Shirts are coming if there is interest.

See the Ship's Store Coordinator, **Elizabeth Paasch**, for details at epaasch@divaris.com .

Please see the below calendar for BBSA activities and registration links BBSA events planned over the next couple of months.

I continue to ask for your ideas on how we can make our club better. There are several short volunteer opportunities coming up, if you are interested.

I hope to see you on the water, at the Cape Charles Cup events or at our next BBSA Membership Meeting.

TRAINING NEWS

Larry Baun, training@broadbaysailing.org

Your training committee is developing the plan for off-season training topics to be presented over the non-sailing season (or winter).

We are soliciting ideas/recommendations from BBSA membership. What have you had a burning desire to learn more about in this complex sailing and boating pastime?

Ideas (and past topics) have included:

- Racing Rules
- Rules of the Road
- Navigation
- Cruising designations
- safety
- boat maintenance
- racing for beginners
- anchoring techniques
- cruising meal planning
- sail trim
- racing tactics
- weather, tides & currents

Any and all recommendations welcome. Better yet, if you know of a subject matter expert who may be willing to present or assist with a training event - let us know!

I envision a series of training sessions, probably weeknights, over January, February, March, April. Maybe November/December also....

Send a recommendation to training@broadbaysailing.org

Thanks in advance!

CRUISING NEWS

David Midkiff, cruising@broadbaysailing.org

From the Cruiser Cockpit

2023 Cruising Captain: David Midkiff

As the Month of August starts we are getting a break from the oppressive heat of summer 2023. 2023 moves into summer on the Chesapeake Bay, we are seeing hot days warm nights and variable winds.

Weather had impacted several of the planned cruises so far but things are looking up.

11 boats attended John Scotts cruise to Norfolk Yacht and Country Club Though my wife and I weren't able to attend, due to family commitments, I understand a good time was had by all who did, The Friday night Buffet lived up to it's reputation.

Eric Brinsfield and I put out a survey for our members to complete if you did not reply but wish to add your ideas or suggestion please respond to me (dmidkiff1@cox.net). Let me know what we can do to help or what you would like to see us doing, ie, social events, training on cruising, no matter what level you are at we want to help. Are you interested in short local cruises 1 or 2 nights, Marinas or Anchorages longer cruises multiple days?. All ideas will be considered.

If anyone has an idea for a cruise or is planning one and wants to invite other along let me know so we can get it scheduled.

Upcoming Cruises

Perseids Meteor Shower Cruise August 12 – 13:

Come join Karen and I (Tim Etherington) in Back Creek and enjoy Mother Nature's show, the Perseids Meteor Shower. Our plan is to anchor in the vicinity of Goodwin Islands and Red "10" (37°12.688'N 076°24.810'W). There is plenty of room to anchor both area and depth. We are planning a cocktail hour (or two) on board Navy Lady at 5pm. The advantage of a larger trawler is there is plenty of room to sit and deck space if the group becomes large. Please bring your favorite drinks, and appetizers to share. An Uber dinghy may be arranged so don't be shy to ask if you do not have a way to get to the group. Please RSVP to tjetheri@gmail.com.

CALLING ALL PIRATES!

LABOR DAY CRUISE

SEPTEMBER 1ST-SEPTEMBER 4TH

We are looking forward to cruising again this year to Pirates Beach on Labor Day weekend. We have had such a good time the past years that we are not changing a thing! This cruise is a combination of sailing and camping. For daytime fun, we will have yard games, horseshoes and fun floats to play with.

Our traditional cocktail hour will be held on the beach before we light up the grills for dinner.

The evening activities will include a bonfire, S'mores and music. John Scott will be providing and shooting off fireworks one evening from the beach.

For those that have an extra table, grill or firewood these items can always be utilized.

We hope that you can join us for a great time on one of the most beautiful beaches. Come be a Pirate!

BBSA Membership Spotlight

John and Lin McCarthy

Tenure at BBSA:

When we began sailing and purchased our first boat (Hunter 28.5, deep keel), we took a good friend's advice and joined BBSA. That was in 1986. BBSA was meeting in the Sunday School meeting hall at a church in the London Bridge area. We had recently moved back to Virginia from Rocky Mount, NC, and lived in Ocean Park. We loved the casual, informal atmosphere of the BBSA meetings and the good-natured boisterousness of the racers in particular.

We began racing at the BBSA Willoughby Racers Thursday Nights and John eventually became responsible for running the series. Lin wrote the monthly *Willoughby Racers* newsletter, a labor of love for sure.

We are still very close to BBSA friends first made at Willoughby in those years. Willoughby Racers and BBSA gave us the opportunity to grow as racers and led John eventually to become a US Sailing Regional Race Officer (well over 20 years at that level) and a US Sailing National Judge (10 years). We put together and John developed and taught our first "Performance Racing" classes at Willoughby. The Willoughby Racers spent several winter Thursday nights jammed into the marina lounge, sat on the floor, ate lasagna, drank beer, and discussed just how important it was to get excess weight off the race boat – "hell yeah, cut the handle off your toothbrush!". And there were the first Hot Buttered Rum Race parties, forerunners of today's BBSA unique socials.

John was BBSA Race Captain for a number of years and served as PRO for countless BBSA races, including 10 consecutive years as PRO for the Leo Wardrup Memorial Cape Charles Cup regatta.

During those early years we raced at least 100 races each summer. *Ulysses* (the Hunter 28.5) did every weekly HYC Wednesday and every Willoughby Thursday, occasional Portsmouth Boat Club Friday Barnacle Races, and of course multiple races most weekends – essentially every real race between here and Fishing Bay. It always seemed that we all wanted to race and considering not to go just never came up. Not surprisingly, *Sugar Bear* continued in the same pattern.

We grew with our loyal crew and we all learned a lot together and stayed together through most of our racing career. We moved up in boats and fleets and won championships, including the coveted Southern Bay Race Week Boat of the Week, CCV fleets and even a CBYRA Bay-wide Class C title. We went Non-Spin to PHRF C, to PHRF A, where we experienced 8 years of the joy of our sailing lives with *SUGAR BEAR*, a J33 we purchased from Dave Zanks in Poquoson.

Our roots for all our sailing endeavors began and were nurtured in BBSA, and to this day, the organization and the members have a special place in our hearts.

We have moved to Hampton and Hampton Yacht Club, a natural progression of things, but still maintain our membership at BBSA.

When John gave up the tiller and I came off the foredeck of *Sugar Bear*, it was because of physical issues that made regular racing impossible. We gravitated to a 28 foot Maine Lobster Boat (*Salty Dog*), which became an ideal Race Management signal boat for us for the next 13 years.

Southern Bay Racing News You Can Use was born twenty-three (23) years ago, while Lin served 3 consecutive terms as CBYRA Region 4 (aka Southern Bay) Vice-President, and the electronic weekly became the glue helping keep all of our Southern Bay sailing organizations together and up to date on our happenings.

Both John and Lin are proud to be longtime members of Broad Bay Sailing Association. They say, "Thank you all so much for this special recognition."
