COMMODORE'S CORNER

Randy Goodman, commodore@broadbaysailing.org

BBSA Skippers, Crew and Friends,

It has been a wonderful summer. For many, summer ends with Labor Day weekend, however, it's officially over on Saturday, September 23rd. There are still a lot of great BBSA sailing, racing, cruising and social opportunities in the next month and into the fall. Late fall/early winter starts the beginning of the BBSA Winter Training Season.

August 18 to 20 marked the **20th Anniversary of the Leo Wardrup Memorial Cape Charles Cup**. It was a great event... So much fun. There was a lot of wind on Saturday, until it died out. There were clearly "Haves" and "Have Nots" with wind. Sunday started with steady but light winds, requiring a shortened course to ensure most everyone was able to finish. The weather for the Friday Night Skipper's meeting and the Saturday Night Awards Get Together was near perfect; there were unseasonably cool evening temperatures and clear skies. Great service for the dinner, and I don't think anyone waited more than a few seconds for beverages. DJ Dave Wilbar did a great job "spinning" the music and keeping the party and dancing moving. All things considering, I thought this was one of the best all-around Cape Charles Cup Weekends in recent history... perfect for our 20th Anniversary.

We planned the BBSA August Membership meeting/Pool Party at **Sergio Diehl's** home. The party had to be cancelled, as Sergio came down with a bout of Shingles and was in no condition to entertain.

Just around the corner on Tuesday, September 19th, will be the **BBSA September Membership Meeting/Cape Charles Cup Final Award's Social** at AJ Gators on Shore Drive. For details, please see <https://www.broadbaysailing.org/event-5273430>. Race memorabilia and commemorative 20th Anniversary LWMCCC poster will be on sale during this get together.

Racers, Cruisers & all... Consider registering for **BBSA's Neptune Atlantic Regatta** on Saturday 30 September. **With registration you get 2 tickets to the post-race party. As always, there be great food and refreshments** at the grounds of the Virginia Beach Surf and Rescue Museum. **The party is well worth the registration fee.** Register at <https://www.broadbaysailing.org/event-5376564> or contact Race Coordinator, **Jerry Pattenau**.

I believe that BBSA has more weekly racing than any sailing club in Tidewater, with 3 days of racing each week – Wednesday (Little Creek); Thursday (Willoughby) and Friday (Hobie Fleet). The Hobie Fleet seems to be gaining momentum.

Mark your calendars for October 9th where BBSA will help host a Tucker Thompson America's Cup Presentation at the Hampton Air and Space Museum. Register at <https://www.broadbaysailing.org/event-5294629>. This will be interesting and fun.

It was unanimous, the BBSA membership voted **John and Lin McCarthy** to be BBSA Honorary Members last month. We are lucky and proud to have them as BBSA members.

Finally, while it is a little early, I would like to formally nominate **Dan Berger** (C&C 34, Jammin) to be the 2024 BBSA Vice Commodore. Elections will be in November. Dan is an active Big Boat and Hobie Racer. He has been a member of BBSA, Willoughby Racers and Hobie Fleet 32 for a long time. He will bring a lot of leadership and a fresh breadth of experience to the Executive Committee.

We have a great deal to be proud of at BBSA, as it is a wonderful and active club.

I hope to see you all at the BBSA September Monthly Meeting/Cape Charles Cup Final Awards Social at AJ Gators on September 19th, or on the water.

Best wishes,

Randy Goodman

2023 BBSA Commodore

RACING NEWS

Claude Speed, racing@broadbaysailing.org

Debbie Koelliker, onedesign@broadbaysailing.org

Protests – After participating in several protest hearings, I was disappointed that they didn't get beyond the tests for validity, i.e. the protester didn't follow either the RRS 61 or SI requirements for filing the protest. For many of us, the odds of us lodging a protest are low enough that we aren't encouraged to learn and remember how to do it effectively. There are five simple steps that need to be performed:

- Shout PROTEST at the moment of the event.
- Hoist your red protest flag immediately.
- Ensure the boat being protested is aware of the protest and acknowledges it.
- Inform race committee of the infraction as soon as possible after it occurs but no later than immediately after finishing. Ensure that the RC acknowledges the protest.
- File the written protest in accordance with the instructions in the SI.

Do these things and you'll actually get a chance to exchange your impassioned arguments about the foul that was committed.

Currents – Rob Williams (Set Free) had some interesting comments on currents in his description of one of the LCSA Wednesday night races. "We all know that currents are a huge factor in racing. The old saying is that 1 knot of current is equal to 15 knots of wind is a pretty good rule of thumb to keep in mind. Makes one wonder if the current isn't more of a factor in collisions, missing marks and boats getting washed onto the course side than the wind." To expand these comments beyond the racing world, it's important to know what the tide and currents are doing while cruising up and down the Chesapeake. It explains why a channel marker or anchored ship feels like it's chasing you as you try to pass. We all know that it's better to plan to pass on the downwind side, but an adverse current can thwart even that plan.

Neptune's Atlantic Regatta, September 30 – Jerry Patenaude has been coordinating this race for at least 10 years and would like to retire after this year. We are looking for a volunteer to shadow him this year and take charge next year. Please let me know at racing@broadbaysailing.org.

Please send me any comments, corrections, or suggested topics to racing@broadbaysailing.org

TRAINING NEWS

Larry Baun, training@broadbaysailing.org

Your training committee is developing the plan for off-season training topics to be presented over the non-sailing season (or winter).

We are soliciting ideas/recommendations from BBSA membership. What have you had a burning desire to learn more about in this complex sailing and boating pastime?

Ideas (and past topics) have included:

- Racing Rules
- Rules of the Road
- Navigation
- Cruising designations
- safety
- boat maintenance
- racing for beginners
- anchoring techniques
- cruising meal planning
- sail trim
- racing tactics
- weather, tides & currents

Any and all recommendations welcome. Better yet, if you know of a subject matter expert who may be willing to present or assist with a training event - let us know!

I envision a series of training sessions, probably weeknights, over January, February, March, April. Maybe November/December also....

Send a recommendation to training@broadbaysailing.org

Thanks in advance!

Calling all current new and future cruisers join BBSA a cruising social September 12th at 6:00PM on the patio at Rebel Marine. Bring a covered dish to share and your favorite beverage. We will have an open discussion of what "You" the cruisers want us to do. More social events, training/panel discussions, help for new or less experienced sailors, more cruise and length. Overnight multiple days, etc. What's on your mind?

PATIO AT REBEL MARINE

As I am writing this we are approaching Labor Day weekend and Hurricane Idalia appears to be heading towards the Northwest coast of Florida and is expected to impact our area Wednesday night and Thursday morning. Jean Pattenau de of S/V Shangri-La previously announced a possible alternative to the Labor Day Cruise to Pirates Beach, A Labor Day Cruise to the East River off Mobjack Bay. But that's off the book now that the weather looks nice for Saturday and beyond... highs in the 80 during the day.

Weather continues to impact planned cruises so far, but things are looking up. If anyone has an idea for a cruise or is planning one and wants to invite others along, let me know so we can get it scheduled.

LABOR DAY CRUISE

SEPTEMBER 1ST-SEPTEMBER 4TH

We are looking forward to cruising again this year to Pirates Beach on Labor Day weekend. We have had such a good time the past years that we are not changing a thing! This cruise is a combination of sailing and camping. For day time fun, we will have yard games, horseshoes and fun floats to play with.

Our traditional cocktail hour will be held on the beach before we light up the grills for dinner.

The evening activities will include a bon fire, S 'mores and music. John Scott will be providing and shooting off fireworks one evening from the beach.

For those that have an extra table, grill or firewood these items can always be utilized.

We hope that you can join us for a great time on one of the most beautiful beaches. Come be a Pirate!

BBSA Membership Spotlight

This month's member in the Spotlight is Claude Speed, BBSA Fleet Captain for Racing. Claude is 77 years old and has been actively sailing for 9 years with BBSA. He started as crew for Andy Spittler on Wharf Rat for a couple of years before purchasing his first racing sailboat, an Irwin, 31' yawl, Iris. He raced her for several years, progressing from measuring his success by whether he rounded the first mark before time expired to actually being able to read the names on the transoms of the boats he finished with. Eventually, a stable crew enabled him to win several races. After a cruise on Andy and Carmen's Coriolis, he and Sandy decided to purchase a 44' Irwin center cockpit, Aspire, to live aboard and cruise. They made several cruises to Cape Charles and one month-long cruise back and forth the southern Chesapeake, touching into Salt Ponds, Deltaville, Urbanna, York River Yacht Haven, Cape Charles, Onancock, and Kilmarnock. He successfully ran aground in the entry to Salt Ponds and in Sarah Creek. He concedes he forgot to think about the tides.

Claude raced Aspire two years, successfully racking up a number of wins, again the result of a stable and experienced crew.

Arthritis in his hands and balance issues encouraged them to move to the "dark side" and they purchased Heidi Marie, a 44' Tollycraft cockpit motor yacht. Claude and Sandy continue their cruising pattern, completing their month-long cruise in the southern Chesapeake and cruises to Cape Charles. They are planning another cruise to Smithfield this fall but remember the need to arrive there at slack tide so they can dock uneventfully this time.

Claude's interest in sailing and sailboat racing remains high and he volunteered to become the BBSA Fleet Captain for Racing in 2022. He supports the development of Notices of Race and Sailing Instructions and performs race committee functions as often as practical. He recently received his US Sailing Club Race Officer certification. Claude finds that the mental challenges of designing and managing races, such as the Cape Henry Cup, Cape Charles Cup, Bold Mariner Cup, and Veterans Cup keep him intellectually active and hopefully help postpone Alzheimer's.
