COMMODORE'S CORNER

Randy Goodman, commodore@broadbaysailing.org

BBSA Skippers, Crew and Friends,

Summer is now in our wakes, but we still have at least another month of great potential sailing weather ... maybe this is the best time of the year for pleasant sailing & cruising without heat and humidity... but there are always the threat of evening showers or other weather events.

Up front, BBSA is looking for Volunteers for 2024 and the remainder of 2023. Big and small positions available.

We need a 2024 Leo Wardrup Memorial Cape Charles Cup Chairman.

This is a rewarding position, and it looks like the Oyster Farms Channel is FINALLY being dredged.

Please let Al Brazzi (2023 Chairman), Claude Speed (BBSA Racing Fleet Captain), or me know if you are interested.

September was another active month for BBSA Sailing, Racing, Cruising and Social Activities. Despite some weather concerns, there was a Labor Day Cruise, and the Hobie Fleet held the "2023 Chesapeake Challenge V2.23" over the Labor Day Weekend.

Little Creek continues racing every Wednesday evening (when the weather agrees to let us), and just started the 6th five-week series with the Oktoberfest Series (27 September - 25 October).

On September 12th, the Cruisers had a well-attended Social/Potluck evening at Rebel Marine that included some of the usual characters as well as some new potential members. Fun evening.

Tuesday, September 19th, was the BBSA Monthly Membership Meeting combined with the Leo Wardrup Memorial Cape Charles Cup post-race social and awards party. This was a very fun and well attended event. Also at this meeting, we recognized **Sergio Diehl** with a gift for his 10 years of service to BBSA as our Treasurer; We also recognized **Lin and John McCarthy** as Honorary BBSA Members recognizing their many years of service to BBSA and the entire Southern Bay Sailing Community with Leadership, Friendship and Guidance.

Little Creek Racers scheduled an Oktoberfest Kickoff Party on September 23rd, but the weather gods had other ideas and threatened us with a big storm.

BBSA finished the month with the Annual Neptune Atlantic Regatta. This was a wonderful and windy race with an excellent party at the oceanfront complete with live music provided by world famous band, Modern English. Big shout out to **Jerry Pattenaude** for his many years of coordinating this Race and Party. I want to recognize BBSA Members on the Neptune Atlantic Regatta podium:

PHRF A – 2nd place **Christian Schaumloffel** (Myrage); 3rd place – **Bob Radam** (Grey Area);

PHRF B – 1st place **Chris French** (Elixir), 2nd place **Chris Whately** (Shock), 3rd place – **Dan Berger** (Jammin);

PHRF N – 1st place **Rob Williams** (Set Free), 2nd place – **Selo Qejvani** (Arberia), 3rd place - **Bob Howell** (Pegasus);

ORC Cruiser – 1st place – **Randy Goodman** (Red Frog); 2nd place – **Larry Baun** (Baserunner), 3rd place – **Keith Midgette** (Luna Blu);

Cruising – 1st place – **Rick Carrol** (Never Give Up), 2nd place – **Jonathan Muhendorf** (Livin' the Dream).

We have a great schedule set up for October ... more Racing, Cruising, and of course, Social Events. Please see the below calendar for all the November events and web links for more info and sign up, but I would like to highlight a few events:

October 7 – Willoughby Memorial Race – Free to all BBSA Members

October 9 – Tucker Thompson America's Cup Presentation – Free to all BBSA Members. World class presentation.

October 14 – BBSA Bold Mariner Cup Regatta – also Free to all BBSA members. Willoughby Racers are the Defending Champions, with Little Creek trying to regain the title.

October 17 – BBSA Membership Meeting and Bold Mariner Cup Awards Presentation

October 24 – Cruiser Social and Potluck – Check them out; will be a fun get together.

November 4 – Willoughby Racers Hot Buttered Rum Race. Open to all BBSA members

Finally, I have a couple reminders.... The BBSA annual Election of Officers will be slightly different this year, as we now have a mix of online and in-person voting options (your choice of how you want to vote). Online voting will be from November 1st through November 13th and in-person voting will be on November 14th at our Monthly Membership Meeting (And Friendsgiving Gift exchange). **Eric Brinsfield** has a more detailed voting explanation later in this Banter.

Mark January 27th, 2024, on your calendars. We have reserved a fabulous room at Norfolk Yacht & Country Club for the BBSA Winter Banquet and Instillation of the 2024 BBSA Officers. The more people that come to this event, the more fun it will be.

I hope to see you all at The Tucker Thompson America's Cup Presentation on the 9th, and/or at the Bold Mariner Cup on 14 October and the BBSA Membership Meeting/Bold Mariner Awards Get together on Tuesday October 17th.

Any bets on the Bold Mariner Cup? – Can Willoughby retain their title, or will Little Creek win the Cup back?

Best wishes,

Randy Goodman

RACING NEWS

Claude Speed, racing@broadbaysailing.org

Debbie Koelliker, onedesign@broadbaysailing.org

The BBSA Championship, aka Bold Mariner Cup is Saturday 14 October, with a 1000 warning for the first start. Last year Willoughby Racers snared it back from our several year run (a sad day in the annals of LCSA history), and it's time to get out there and show our sister club how it's done. The race is being held off the Oceanview Fishing Pier and is equidistant between the two clubs. You can sign up here: <https://www.broadbaysailing.org/event-5406161>.

The Veterans Day Race – Honoring Those Who Served is on November 11, 2023. Open to all BBSA members. Deadline for entry is midnight on Thursday 9 November (prefer entries sooner so we can determine one or two Non-Spin divisions/starts). The NOR and the web page should be set up within the next week.

Heidi Marie will be working as RC for both races, and we can always use crew. Contact Claude Speed at racing@broadbaysailing.org

Thanx.

FLEET RACING

Little Creek Sailing Association Wednesday Races:

littlecreek@broadbaysailing.org

Broad Bay Sailors,

September 20, Little Creek wrapped up **Series 5** of our **Summer Series**. The fleet winners for **Series 5** were NS1 – Spittler (**Creek Water**), NS2 – Eash (**Brittany**), and SPIN – French (**Elixir**).

While we haven't calculated the overall fleet winners yet, I thought it would be interesting to see what the Summer Series competition looked like. There was some a serious rivalry in NS1 where **Creek Water**, **Set Free**, and **Arberia** each took a win, with **Black Widow** capturing the other two. **Brittany** dominated NS2 with four wins, and the only boat to break their streak was **Lew's Cruise** with one win. Another dominant boat was **Elixir** in SPIN with four wins. **Grey Area** kept them from a sweep with one win.

Official results can be found here: <https://broadbaysailing.org/LCSAResults>. I have a few spare anchors for sale... just saying...

I want to express a big thanks to all the LCSA skippers and crew. Your support of the club is not just by coming out every Wednesday; but by performing your Race Committee duties and putting on these great races. You are the ones who make this club a success.

Our first attempt to kick off the **Oktoberfest Series** with Race 1 was thwarted by Mother Nature; I have positive vibes for the remainder of the series.

Hobie Fleet 32 News:

Thanks to all who have participated this past spring, summer, and fall! We really have some great things happening!

Sadly, Beach Cat sailing, off the beach, has come to an end, so please get your boats off the beach, there may be more hurricanes or even brutal nor'easters coming soon!

All are welcome to attend the BBSA Hobie crew meeting at AJ Gators Oceanview, October 24th at 7:00PM. Join us for a bite to eat, sea stories and maybe even some 2024 planning!

TRAINING NEWS

Larry Baun, training@broadbaysailing.org

Your training committee is developing the plan for off-season training topics to be presented over the non-sailing season (or winter).

We are soliciting ideas/recommendations from BBSA membership. What have you had a burning desire to learn more about in this complex sailing and boating pastime?

Ideas (and past topics) have included:

- Racing Rules
- Rules of the Road
- Navigation
- Cruising designations
- safety
- boat maintenance
- racing for beginners
- anchoring techniques
- cruising meal planning
- sail trim
- racing tactics
- weather, tides & currents

Any and all recommendations welcome. Better yet, if you know of a subject matter expert who may be willing to present or assist with a training event - let us know!

I envision a series of training sessions, probably weeknights, over January, February, March, April. Maybe November/December also....

Send a recommendation to training@broadbaysailing.org

Thanks in advance!

CRUISING NEWS

From the Cruiser Cockpit

2023 Cruising Captain: David Midkiff

CRUISING SOCIAL, PATIO AT REBEL MARINE. October 24th 6PM:

After the success of our September Cruiser social and potluck dinner (we had 30 members in attendance) we had a good discussion about what members wanted and what we could do to help. I would like to thank one of our cruisers Eric Brinsfield, during our discussion one of the newer cruisers mentioned he would like some help with improving his docking skills and Eric arranged to spend some time with him to help.

We also need to extend our appreciation to Rebel Marine for allowing us to use their facility and to Al Brazzi for sponsoring us at Rebel.

Over the winter and into the spring we will set up some training to cover different topics for cruisers. We have scheduled the next cruisers social for October 24th at Rebel Marine at 6pm. It will be a potluck dinner and social. BBSA Cruisers will be providing water and beer and sodas. Bring your favorite dish to share and any special beverage you may want. Also make sure you bring your favorite stories about a cruise you have taken long or short to share with everyone.

As I am writing, we are still feeling the aftermath of Ophelia (she is like the house quest who just won't leave, Ellen and I are preparing to head out for a trip to Mobjack Bay for 3 days, Last week we spent a couple of days anchored up Back River AND Chisman Creek We realized that after cruising the Chesapeake Bay for 30 years we had never been to either. We would always blow by the lower end of the bay to get to the middle and upper parts of the bay. We have decided to spend more time enjoying areas we can get to closer to home this fall.

If anyone has an idea for a cruise or just an overnight or is planning one and wants to invite other along let me know so we can get it scheduled.

Cruise to Pirates Beach for Labor Day, Saturday September 2nd through Monday September 4th Hosted by Jean and Jerry Pattenaude:

The cruise to Pirates Beach, as usual, was a blast! Hurricane Idalia tried to cancel our plans, but we were able to persevere and keep to our original plan. The wind Gods did not favor us sailing over or back but the weather could not have been more perfect for the beach activities and sleeping at night. We had a minimum of 9 boats join in the fun: Shangri-la, Hedonist, Modus Vivendi, Summer Wine, Aspire, Tiki Rose, Full Stride, Kalypso and Beautania. We soaked up the sun during the day, ate steamed crabs on the beach, delicious sandwiches provided by Barb Cooley, bourbon other wonderful for fires at night. Dutch oven which sand with additional hot coals on top. It was my first time seeing this, and it was with whipped cream on top to boot. We also enjoyed S'mores so we were lucky to be able to dance some of the calories off with the music provided on the beach. In remembrance of Jimmy Buffet, an American Icon, there were bottles passed

around and toasts being made. Of course, many Jimmy Buffet songs were played over the weekend which totally fit the beach atmosphere. To top everything off, John Scott did a WONDERFUL firework display. This year's firework show was the biggest yet! Thank you, John, again for all your efforts in

putting the show on. The only bummer of the weekend was that we heard Pirates Beach has been bought and will turn private. They are working on getting the necessary permits but from the sounds of it, another beautiful beach will be unavailable for us to use.

This was a perfect way to end the official summer season and I thank everyone who came and made it such an enjoyable time.

Jean & Jerry Pattenaude

Upcoming Cruises:

The Chippokes cruise scheduled for this weekend has been cancelled based on weather predictions.

Cruise to Waterside for the Grand Illumination, November 18th and 19th, at Waterside Marina, hosted by Jonathan Romero:

Details to come. Jonathon always puts on a fun event for the Grand Illumination. So make your reservations now.

Wow! Election of 2024 BBSA officers is right around the corner.

Voting

Electronic voting will open on November 1, 2023. Primary contacts for each membership will receive a link to the electronic ballot. Electronic voting will close on Monday, November 13, 2023. In person voting will be held at the November membership meeting on November 14, 2023. In-person votes will take priority over any prior electronic vote. Each paid membership gets one vote, which means that families and couples will only get one vote unless both individuals in a couple have separate memberships.

Elected Positions in the Executive Committee

At the end of every year, the club accepts nominations for next year's executive committee and in November, the members elect their chosen nominees, who will be installed at the annual banquet in January. We are ready to accept nominations now. Please help support BBSA with your time, ideas, and energy.

Per Article IV of the BBSA Constitution:

*"The officers of the Association shall consist of a **Commodore**, a **Vice Commodore**, a **Past Commodore**, a **Secretary**, a **Treasurer**, **Training Officer**, and the **Fleet Captains for Racing, Cruising and One Design Racing**. The Past Commodore's office shall be filled by the immediate Past Commodore. "*

We also need committee chairs and committee members, but those are not elected and will be finalized in January by the next Executive Committee.

Nominations

Also, per Article IV of the BBSA Constitution,

"Candidates for office shall have attended or participated in a majority of the races, events, and/or meetings of the Association during the calendar year ending on the date of the election."

In other words, candidates should be active and familiar with the club and its basic functions.

If you would like to nominate yourself or some other member, please go to: [Register Nomination](#) or send an email to webmaster@broadbaysailing.org. Please provide some background on the nominee, the position of interest, and why you think the nominee is a good candidate. This information will be shared with the membership prior to voting.

Nominations will be accepted from now until November 1, 2023. At the October membership meeting, we will announce the nominations submitted by that date. Nominees can address the membership with their thoughts and ideas.

In Closing

Thanks to all the current and past executive committee and working committee members. Our club only functions because of our generous and dedicated volunteers.

**CRUISEAIR PORTABLE HATCH AC FOR SALE
(\$350)**

The Cruiseair Carry-On is a hatch top air conditioning unit designed specifically for the marine environment. Perfect for boats up to 30' that are too small for installed seawater-cooled air conditioning systems. One person can install the Carry-On in minutes with no special tools required! The Carry-On pumps out 6720 BTUs of cool, dry relief on those hot and humid summer days. The Carry-On fits in any standard-size hatch. All operator controls are easily accessible on the bottom of the unit. You can turn it off and on, set the thermostat and adjust the fan speed from the cabin. The Carry-On runs on normal dockside 115V 60 Hz power, and only draws 6.9 amps. All internal components are made of corrosion resistant material and the outside case is built of rugged, durable polymer. The Air Deflector comes standard with the unit and it is made of tough, rubberized plastic and is used to divert the airflow from vertical to horizontal, improving the distribution of cool air throughout the cabin.
