'ROUND THE LIGHTS RACE - FEATHER flies to overall win for the 5th time! Great wind for a perfect day for a racers' favorite race. There were excellent conditions – warm air temps and constant wind speeds in the high teens to low 20s, and there were a few memorable gusts. All but one of the 35 boats that started finished the 17 ½ nm course. Racers had to get around both the Thimble Shoal and the Middle Ground Lights, in each racer's chosen order, and return to where they began, in Mill Creek between Ft Monroe and the I-64 Hampton Roads Bridge Tunnel. **Phil Briggs and his crew on FEATHER**, started this pursuit race in a time slot ahead of only 5 other boats. The big blue J boat crossed the finish line 2 minutes and 51 seconds ahead of 2nd place *Stardancer* (**John Blais**), and an additional 20 seconds ahead of 3rd place *Myrage* (**Christian Schaumloffel**). **Winners of Fleets individual fleets:** PHRF A (10 boats) – **Phil Briggs, FEATHER**; PHRF B (6 boats) – **Bob Archer, BAD HABIT**; PHRF C (2 boats) – **Alan Bomar, ROUNDABOUT**; PHRF Non-Spin (5 boats) – **Dick McCrillis, COURAGEOUS**; CRUISING (3 boats) – **Anna Yarashus, ALLURE**; CRCA -Spin (5 boats) – **Jack Clayton – MELANTHO**; CRCA-Non-Spin (4 boats) – **Bill Ripley, OBSESSION**. Event Chair: Andrew Norris; PRO: Tim Etherington Old Point Comport Yacht Club is the originator of and annual provider of the **'Round the Lights Race – a southern Bay racers' favorite**. The OPCYC visionary who came up with this race back in the previous century is Jeff Rogers, who raced this past weekend. KUDOS to all involved!

MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, was reminded Saturday that the purported reason behind pursuit/staggered start races is based on the logic that if the handicap corrections are figured in at the *start*, then surely at the end everyone will *finish together*. Saturday in Mill Creek there were flashes of proof in the pudding. Witnesses at the finish line on Mill Creek reported a gaggle of boats of all sizes trying to edge out one another to finish up the standings. *Almost perfect – but not quite all together. . . not yet. /S/ Murphy the Racing Beagle, the sailing spirit in us all.*
