TRIPLE TUNNEL TERROR RACE: The 2022 CCVR TTT turned out to be **THE HEAT TERROR** race. Air temps hung around in the high 90's before the 11 am first start and well into the early evening. Around 1pm, when to add insult to injury, the wind died, the Race Chairman Brian Deibler pulled the plug and abandoned the race.

Here come the **SPRINTS:** This coming Saturday, July 30th.

- **The HAMPTON SPRINTS are on the way.**
- **They are being run this Saturday!**
- **Lots of fun and lots of races.**
- **Put a smile on your crews' faces.**

As of today, there are 6 to 7 fleets tentatively formed, consisting of **oooh-so-closely-rated PHRF boats**, a **Viper 640 one-design fleet**, and possibly a **Sonar one-design fleet**.

Entries will be accepted until 1800, Thursday, July 28th, but none after that so that final preparations can be made.

For your convenience, at the end of this SBRNYCU issue is a SPRINTS flyer, including an entry form. See ya there.

A young up and coming southern Bay sailor, **Jackson Montague**, did as well as it was possible to do at Screwpile a week ago. Jackson, in his Hobie 33, *Osprey*, won the PHRF 1 fleet with a string of 1-3-1-1-1 over the 3 days of racing. *Osprey* was recognized as Best Boat in the entire regatta and awarded the Calvert Trophy. Jackson comes from "good racing bones". His dad is Latane Montague, who by the way, sailed with Jackson at Screwpile. Latane said his son had pulled

the sunken *Osprey* from a creek and spent the entire year restoring the boat to shipshape and now tiptop form. Good on ya, Jackson! https://yachtscoring.com/event_results_cumulative.cfm?eID=14923

Two southern Bay junior women did great at the U.S. JUNIOR WOMEN'S CHAMPIONSHIPS in Marina Del Rey, CA. Congratulations are in order for **Alders Kulynych-Irvin** who finished 3rd overall and **Rebecca Schill** who finished 4th overall in the 25-competitor ILCA 6 Championship Fleet. Rebecca is a rising senior at Norfolk Academy sailing out of Norfolk Yacht and Country Club. Alders sails for Christchurch School (Saluda, VA) out of KBYC and SSA.

MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, knows it was so hot on the Elizabeth River this past weekend, that a cruiser broke an egg on the top of his bimini, tossed in some shredded cheese, and scooped it up to serve before it left a spot, it cooked so quick. A lot of racers must now know what it feels to be zapped in a microwave oven, too! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
