wait for it. . . .and the 40 slots are **already filled!** And, 3 of the 10 waiting list slots are taken. HEY SAILORS! *SPINSHEET MAGAZINE SEPTEMBER ISSUE* has hit the docks and the website. MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, asks if you remember when *Labor Day* marked the day after which the fashionably correct would no longer wear summer white. Well, those rules don't apply any more. Under the sailing and the fashion rules you can wear any color you want any time, including white after Labor Day! So, if your old white-ish foulies have those black mildew splotches all over them, tell your fellow crewbies it's the latest cammie pattern and go on sailing! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
