**CBYRA REGION 4 HIGH POINT AWARD WINNERS - SEA STAR** amassed the highest point total for the entire Region (PHRF): Saturday, VP for Region 4, **Tom Roberts**, and his wife Elaine, honcho-ed the annual Region 4 awards dinner soiree at Fishing Bay Yacht Club in Deltaville, VA. Fifty-five and one-half attended either to receive or to support those receiving awards based on the entire 2006 season performance. Here's how the "big boats" stacked up in each of the Region divisions. The number in parentheses denotes the number of qualifiers in the fleet.: NORTH DIVISION: PHRF Spinnaker (13) - 1.Voodoo Chile, **Leroi Lissenden and Bob Krushelnisky**; 2.Loose Cannon, **Strother Scott**; 3.La Maga, **Allan Heyward**. **Up and Coming Juniors** - Also recognized at the CBYRA Region 4 Awards ceremony were several southern Bay young racers. Receiving awards for Bay-wide competition in 2006: **Quentin Jenkins (FBYC)** was 1st in Laser Radials and **Chris Herring (HYC)** was 4th. In the Optimist class of 47 qualifiers, **Madeleine Alderman (FBYC)** finished 3rd overall and was 1st among girls. Also, finishing in the top half of the Opti class: 10.**Austin Powers (FBYC)**; 12.**Kyle Swenson (FBYC)**; 14.**Anerson Granger (NYCC)**; 15.**Ben Buhl (FBYC)** ; 16.**Billy VanBuren (NYCC)**

**Sea Star**, the David and Bumps Eberwine J/36, did have the best overall score for the "big boat" Region in CBYRA High Point compilations. And, to go along with that achievement, the **Sea Star crew and friends** won the "Most-People-Present-to-Accept-the-Award" competition. They filled a long, long table and almost a third of the room! Kudos!

**55 and 1/2** at the CBYRA Region Awards Soiree? The 1/2 was up and growing 9 month old son of racing sailors **Jerry and Andrea Latell**. **Jackson** learned how to accept trophies Saturday evening.

**Midnight Mistress plans to move. Jake and Pat Brodersen's** C&C 35, Midnight Mistress, will likely move to the PHRF B fleet this season. MM was CCV High Point Champion and CBYRA Region 4 Champion in PHRF Non-Spin in 2006.

**Henry and Doug Amthor** finished above the mid-line down-under. The Amthor brothers were 42nd out of 92 in the 2007 SAP International 505 World Championship in Australia last week.

**Kid Rock or Queen??? or both???** It's the kind of thing racers debate during the winter. Who really did the song Fat Bottom Girl and when? We need documented opinions.
