## **Southern Bay Racing News You Can Use # 402**

**SCREWPILE entries now number 136**, the regatta has been designated as the **Beneteau 36.7 One Design Mid-Atlantic Championship**, and officials are close to adding a one-design start for the J-35 class.

**KINGFISHER in Sick Bay.** Dixon and Mary Wilde's beautiful dark hull C&C 99, *Kingfisher*, is out of commission for the time being - serious standing rigging problem. The repair process is underway and they'll be back on the race course as soon as the proper fixes are made.

**If you need to borrow cash to finance your next regatta** or the rest of the racing season, borrow it from a pessimist - he won't expect to get it back! (Scientist Steven Wright gets credit for this thought.)

This is the week of the summer that the southern Bay race boat delivery crews are checking the charts to plan their trip to Solomons for Screwpile. The easiest and quickest trip goes to those who "**ride the bubble**", the flood, up the Bay.
