## **Southern Bay Racing News You Can Use # 425**

**SBRNYCU** is an independent weekly publication of southern Chesapeake Bay racing happenings. Founded in April, 2000.

**HAPPY NEW YEAR! 2009 is upon us! New season, new chances to go racing - don't miss any of them!**

**New Year's Day Racing features bitter cold, wind, and "those crazy racers"!** Seventeen (17) boats turned out for the **DANA DILLON MEMORIAL NEW YEAR'S MADNESS RACE**, co-sponsored by Old Point Comfort Yacht Club and Hampton Yacht Club. **John Blais' Stardancer** (Beneteau 36.7) won the Amarylyn Award (first to finish overall) in this staggered start race that goes from HYC, around Hampton Bar, to OPCYC. Meanwhile, up on the York River, **Dan Smoker's Smoke** (Nightingale 34) took first among five (5) boats racing in the **SEAFORD YACHT CLUB ANNUAL NEW YEAR'S DAY RACE**. Finishing second behind Dan was **Jim Bordeaux** in *Solstice*. Dana Dillon Memorial fleet results: Spinnaker A (4 boats): 1. **John Blais, Stardancer**; 2. **Phil Briggs, Feather**. Spinnaker B (4 boats): 1. **Ben Cuker, Callinectes**; 2. **Greg Cutter, Gremlyn**. Non-Spinnaker (4 boats): 1. **Dixon Wilde, Kingfisher**; 2. **Steve Ritz, Excelsior**. Winner of the Cruising Fleet (5 boats): **Jim Forrester, Anjalei**. Event Chairman - Dennis Miner.

**MURPHY RULES - 2009, January 24th seminar** at Norfolk Yacht and Country Club is full to capacity and registration is closed. HOWEVER, due to the overwhelming response, plans are underway to hold an identical second session, on a Saturday sometime in March. Watch future issues of **SBRNYCU** for the specific date and place for "MURPHY 2" once plans are finalized. For additional information now, please call Lin at (757) 850-4225 or email [mcbear@earthlink.net](mailto:mcbear@earthlink.net)

**ONE-DESIGN (small boats) SCHEDULE for CBYRA:** The "Honcho" of the One-Design Schedule for the small boats for the entire Bay is our very own **Tom Roberts at [tjroberts2@cox.net](mailto:tjroberts2@cox.net)**. **Club and One-Design Class reps** should be sending their one-design events schedule directly to Tom along with points of contact, etc. He is already putting together the spreadsheet for the entire Bay right now, so you really need to get on this, if you are not already.

Meanwhile, the **2009 CBYRA Region 4 Schedule for "Big Boats" is complete and ready for publication**. You may contact your club's and/ or sailing association's racing dude, these are the folks who put in all the time coordinating your club's events with the rest of the Region, or you can simply **hit your reply button to this issue of Southern Bay Racing News You Can Use, and on the SUBJ: line put "I gotta have my schedule now!", or words to that effect**. The schedule will come to you via email pretty darn quick! Get ready - 2009 has shaped up as a great season!

**WAIRERE, Pete Hunter's** Thompson 30, is headed for **Acura Key West Race Week** (January 19 -23, 2009). Wairere, sailing out of Kill Devil Hills, North Carolina, is a regular and past overall winner at Southern Bay Race Week. At this point, *Wairere* is the only entry from the "southern Bay and beyond" in the Key West showcase event.

**ANNA IS US SAILING's 2008 SportsWoman of the Year!** Below is quoted directly from an official US SAILING public relations release:

*Anna Tunnicliffe won a coveted gold medal at the 2008 Olympic Games in Qingdao, China, entering the history books as the first American female sailor in 20 years to win gold at the Olympic Games. ... US Sailing Team Coach Luther Carpenter (La Porte, Texas), said, "Anna is your dream athlete. She's a hard worker, in amazing shape, very open to coaching, completely driven and she sees a path clearly to winning."*

In case you missed this in the holiday crush - Junior Sailing Programs: Word is that **ACL barge lines in Louisville has a number of 13.5' Zodiacs in their warehouse that have never been used**. The company paid \$15,500 each, and they'll sell them for \$10,000 each. They have center consoles, and 30-hp Mercury fuel injected, four cycle engines. Very stable; would be great for Junior Sail training, etc. Anyone interested should contact Christian Primm directly at [cdprimm@aclines.com](mailto:cdprimm@aclines.com).
