Try sailing - it's NOT easy! - Bill Schanen, [SAILING Magazine](#)

MATCH RACE CHALLENGE: Hampton Yacht Club tried something different Saturday and the "experiment" has been declared a success by all involved. The first ever HYC MATCH RACE CHALLENGE took place off Strawberry Banks, under the envious stares of sweltering drivers held up on the HRBT. Adult racers sailed 420's for more than 4 hours straight, paired against one another *a la America's Cup*. They did "the dance", "dialed-up", and dived with one another for position in the "playground". Prior to hitting the race course, the teams soaked up match racing information from **Charles Higgins**, ODU Assistant Sailing Coach, on tactics and from **Chief Umpire Christine Accettella** on special rules. PRO (and event visionary and honcho) **John McCarthy** added a few specifics and boats were rigged, launched and out the river. Eighteen (18) matches were sailed (5 flights for standings and one more 'cause it was too much fun to stop). The overall winner was the team of Neil Ford and Elisabeth Biondi.

Umpires are a must for match racing and HYC's event Saturday had an outstanding crew. **Chief Umpire Christine Accettella** (HYC) pulled together a team that included US Sailing certified umpire **Rob Rowlands** (Annapolis), **Charles Higgins** (ODU assistant coach), **Randy Stokes** (NY&CC), and recent Harvard grad and sailing team All-American, **John Stokes**, Randy's son. The umpires and all 26 members of the race committee gave their time and energy for this special first time event. RC Mark boats - Dave Hamilton and Bill and Dave Gibbings; the mothership (so designated since she was where the competitors stowed their gear and refreshments while on the course) - Rich Wilcox. Match racing is heavy on support demands, but heavy on the absolute fun, too.

PLANTATION LIGHT RACE, Friday, August 12 - This is the Grand Dame of the Moonlight Ladies, sponsored by Hampton Yacht Club. The race is a non-stop, roundtrip, night race that starts and finishes in Hampton. The possible courses are listed in the Notice of Race (Page 89, *CCV 2011 Racing Guide*) Starts for all PHRF fleets - PHRF Non-Spin may use double headsails. The race begins in the harbor at CCV Mark "H". First warning is at 1900, Friday evening. There is NO TIME LIMIT. Boats dropping out of the race should notify the Race Committee on VHF 72 or call (757) 592-1650 or HYC (757) 722-0711 as soon as possible. For information and

entry, contact Bob Thomas at (757) 898-9407.
