A very realistic story of a solo sailor surviving at sea. The promo says it is scarier than *The Perfect Storm*. And, while not involving sailboats, ***CAPTAIN PHILLIPS***, based on the American ship hijacking by Somali Pirates, starring Tom Hanks, is gripping, to say the least. It is showing now almost everywhere. Seeing it on an I-MAX screen adds to the experience.

**MURPHY'S LAW:** *Yrs Truly, the Racing Beagle*, reminds everyone that Halloween is this coming Thursday. The world will be crawlin' with all kinds of ghosties and goblins. Four-legged fur people enjoy costuming up and searching for treats too. Golden retriever Tucker, of the sailing Flowe Family, is already sporting orange and black stripes, going as a tiger (and a test for temporary hair-color)! *The Murphster* will be disguised as an empty beer tankard, looking for a refill. Ahhhh-ooooo! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
