MURPHY'S LAW: *Yrs Truly, the Racing Beagle,* believes today will become known as the famous Southern Bay Drip Day. That is the day when finally and forevermore the dastardly, leftover S-N-O-W melts and drips and rains itself away, as in G-O-N-E! Break out the old handheld hairdryers, though, to make the epoxy kick; it's still C-O-L-D in the boatyard! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
