MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, has petitioned the Olympic Committee to add a Beagle-athon to the event schedule. It would include points for: highest pitched howl, quickest dock dash, longest dock to boat leap, most pieces of line chewed within a time limit, most pats from attending crewmates and, finally, the pole vault (beagle jumps over a pole that is laying on the dock without touching it with any paw.) The Murphster is all in to win the gold! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
