MURPHY’S LAW: *Yrs Truly, the Racing Beagle*, knows how much angst is caused by the Daylight Savings Time vs Eastern Standard Time rigmarole. In the spring, when Daylight Savings kicks in, it’s little more significant to racers – losing an hour at 2am has resulted in a number of crazy rushes to the boat on Sunday race day. However, this past Sunday the sleepyheads and everyone else had an extra hour to snooze. The Murphster is very much in favor of more snooze time! Change all your clocks, if you haven’t already. /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
