MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, is impressed by the 39 year old boat that finished 2nd in the J24 World Championship Regatta (see item above). Just thinking about the number of feet that have scrambled across *Bangor Packet's* deck in 39 years worth of tacking and gybing is mind boggling. It makes all four of the Murphster's padded feet tingle. /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
