MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, knows March is supposed to come in like a lion and go out like a lamb. However, what the weather gurus are thinking is chilly with sun and/or partly cloudy this Tuesday through Saturday. So, this year's March lamb is very skittish and mischievous and unreliable . . . but what the heck, pull on the oldest foulies from the trunk of the car and get the rigging run! It's a known racers factoid that for every rainy day there are three days of sunshine and racing breezes in the bucket. /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
