WATCH OUT FOR THE EMAIL SCAM GOING AROUND. The bogus email will appear to be from your yacht club or sailing association commodore asking you to donate to a cause, that some have reported, ends up asking you to send gift cards charged to your credit card. In each instance, the message is addressed to you by name and the sender says he is "out of town", blah-blah-blah. Don't reply. You may want to let your club leadership know what you have received. What a dirtbag trick!
