RIFF RAFF repeats - takes Cape Charles Cup Weems and Plath Lantern Trophy of Racing Division & *SPECIAL K v2.0* captures the Lantern for Cruising Division.

The **2019 Leo Wardrup Memorial Cape Charles Cup** turned out to be a truly *current affair- a foul and fierce current at that..* Saturday the current was so strong even a moderate breeze (12-15 knts) could barely get the boats to the shortened course mark. But, several did make it to 1YR and used the iron gennies to get the rest of the way to Cape Charles and the Oyster Farm Marina. On Sunday, there was not enough breeze to make a race of it from Cape Charles to Hampton/Buckroe. Race 2 of the weekend was abandoned. RESULTS: Race 1 – Little Creek to Cape Charles: PHRF A (9 boats)-1.**Don DeLoatch**, *Riff Raff*; 2.**Neil Ford & Lis Biondi**, *Danger Paws*; 3.**Pete Hunter**, *Wairere*. PHRF B (7 boats)-1.**Chris French**, *Elixir*; 2.**Bob Archer**, *Bad Habit*; 3.**John Seely**, *Cannonball*. PHRF C (4 boats)-1.**Ben Cuker**, *Callinectes*; 2.**David Hughes**, *Jammin'*. PHRF Non-Spin, 1hs (5 boats) – 1.**Bill Ripley**, *Obsession*; 2.**Larry Baun**, *BaseRunner*; 3.**Booty Baker**, *Klimax*. PHRF Non-Spin, 2hs (6 boats) – 1.**Bob Howell**, *Pegasus*; 2.**Copeland, Gade, and Girardin**, *Black Widow*; 3.**Alan Johnson**, *Seeker*. CRCA (10 boats) – 1.**Paul Clifford**, *Wind Dancer*; 2.**Greg Peterman**, *Gregarious*; 3.**Ben & Cristina Ritger**, *Argo*. CRUISING A (5 boats)-1.**Scott Nielsen**, *Old Crow*; 2.**John Moore**, *Endless Summer*; 3.**Chris Schott**, *Lio Kai*. CRU C (5 boats)- 1.**Chris Whately**, *Kaleidoscope* (only boat to finish); Schooner (3 boats- none finished). Multihull (5 boats)- 1.**Ben Carver**, *Entourage* (only boat to finish). Event Principal Race Officer and West Starting Area = Scott Almond. Race Officer East Starting Area = Homer Babbitt. Signal Boats = Preston and Sherry Carraway (*Sojourner*) and Rob and Nancy Smithwick (*Miss Amy*). Mark Boat (*Holokai*) = Bill Pardee with Jerry Pattenau. Event Co-Chairs = Ben & Christina Ritger. Click on <https://broadbaysailing.org/LWMCCCHome>, then “results” for race details.. Of the 76 boats entered in the Cape Charles Cup, 66 raced on Saturday and 37 persevered against the grinding current to finish the shortened course. No racing was possible on Sunday due to lack of wind.

Cape Charles Cup Awards will be presented on Tuesday, SEPTEMBER 17th at AJ GATORS on Shore Drive in Norfolk near the Little Creek marinas. The Cape Charles Cup Weems and Plath Lanterns are awarded to the boat with the fastest corrected time in each division. WINNERS of the 2019 Cape Charles Cup Trophies: PHRF/RACING-Don DeLoatch, *Riff Raff*; CRUISING-Al Brazzi, *Special K v2.0*. *Riff Raff*, is a repeat winner, having won in 2018.

As a testimony to the viciousness of the current on the race course, a total of 3 marks were seriously damaged during the starting sequences. The first pin mark had a D-ring ripped from the mark (ground tackle lost, mark rendered unusable); the replacement mark for the pin suffered an identical fate as the first; and, the third merely blew a hole in itself and had to be displayed from on the mark boat for pin duty, since it could not float on its own. The race committee remained undaunted through it all, the racers were patient, and the race was started in a reasonable amount of time. KUDOS!

Save the Date: Leo Wardrup Memorial CAPE CHARLES CUP 2020 – August 15-16, 2020.

Fiddler's Green – Charles Amory (June 19, 1940 – August 2, 2019). Last week Charlie Amory passed from us. Mr. Amory touched so many parts of our water-centric community – boating, sailing, seafood industry, and more. He is know by many for his seafood company, Amory's Seafood, founded by his grandfather in 1917 and passed into Charlie's hands as a young man, 23, by his ailing father. The blue neon Amory fish sign at the end of King Street in downtown Hampton is a Hampton landmark. Daily Press staff writer Mike Holtzclaw wrote that, "*For Charles Amory Jr., seafood and the local industry that produced it was more than a business. It was a way of life and a means of bringing the community together.*" Mr. Amory was a generous man who cared for his fellow man in so many, many ways. He will be missed and long remembered. Sincere sympathy to all of Charlie's family and many friends. <https://www.legacy.com/obituaries/dailypress/obituary.aspx?n=charles-reginald-amory-jr&pid=193550301>

MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, is aware that most southern Bay racers would vote for **Tail of the Horseshoe** as the most endearing location name on the Bay. However, there is a new name in play, especially if you like to clam by using your toes in chest high water to catch the tasty critters. Find **Ware Stick Point** at N 37°08'46.3 W 076°19'33.8, jump out of the boat and starting toe-ing around! On these clam digging excursions, the Murphster has to stay in the boat – chest high water for a beagle is awfully thin.. . and there probably wouldn't be many happy, juicy clams there either! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
