Try sailing - it's NOT easy! - Bill Schanen, [SAILING Magazine](#)

Life is short, even on its longest days... (John Cougar Mellencamp)

*Non-sailing days are long, and now the sailing days to come will always be way too short.
(Murphy, the Racing Beagle)*

HOPEFUL Racing Plans being made:

*****CCVR** has announced they are hopeful of beginning their training classes, maybe as soon as June 16th, and they are planning for the **Summer Solstice Ocean Race on June 20th**.

***From **Broad Bay Sailing Association** event officials comes word that *the beat goes on for "... 2020 Leo Wardrup Memorial Cape Charles Cup for 14-16 August 2020 with the skipper's meeting on Friday August 14th and racing on Saturday August 15th and Sunday August 16th."* Registration is available at www.CCCup.net. For additional info, please contact Tim Dull, 2020 LWMCCC Event Entry Coordinator at dull1492@verizon.net

******York River Yacht Club** intends to hold the **YRYC Summer and Fall Wednesday Night Racing Series**, beginning **June 10th**.

Try as they may to reschedule, a couple of additional events will be *cancelled* and racers should note their schedules:

****COCK ISLAND RACE* has been cancelled for 2020. However Portsmouth Boat Club has started preparations for 2021!

*** York River Yacht Club has cancelled it *YRYC Spring Wednesday Night Racing Series (April 8 - June 3)*

MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, has become alarmed at the "unintended consequences" of the continuing COVID-19 "stay home" recommendations. Yesterday the wife of the family came in the backdoor wearing muddy boots and carrying an old bone the Murphster had buried last Fall in the flowerbed. Then this morning I overheard her conversation with the next-door neighbor; *Neighbor*: Where's Bill [husband] today? *Wife*: He's in the garden. *Neighbor*: I'm looking, but I don't see him... *Wife*: Oh, you'll have to dig deeper. (*Thanks to Joe Lupton for sharing that bit of COVID-19 humor*). /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
