2020 CAPE CHARLES CUP – two days of racing in the southern Bay, off Norfolk, Ocean View, Willoughby, and Hampton shores. Saturday the tremendous downpours caused a 2 hour delay for the start, but did not deter 23 racers from coming out to race. Sunday, with greatly improved weather, the number of boats racing increased to 41. Overall a great turnout, considering Mother Nature's buckets of rain and the Governor's Covid restrictions, which kept the regatta from going overnight to Cape Charles. Winners of the CAPE CHARLES CUP were: PHRF Division: GREY AREA, Robert Radam, and CRUISING Division: MORTAR OFFER, Kent Utley. The Cape Charles Cup is awarded to the boat in the division with the fastest total corrected time over both days. The CCCup Saturday and Sunday races are scored separately – here are the fleet winners for both days: PHRF A -Day 1 & Day 2: GREY AREA, Robert Radam. PHRF B – Day 1: CANONBALL, Tyler Martenstein, Day 2: BAD HABIT, Bob Archer PHRF C – Day 1 & Day 2: CALLINECTES, Ben Cuker. PHRF N-1- Day 1: BASE RUNNER, Larry Baum, Day 2: RHUMBLINE, Ethan Rule. PHRF N-2: Day 1: BLACK WIDOW, Ken Copelan, Carl Gade, Al Girardin, Day 2: SEEKER, Alan Johnson. CRCA – Day 1: COEUR D' ALENE, Hank Giffin Day 2: WIND DANCER, Paul Clifford. CRU-A – Day 1: ASPIRE, Claude Speed Day 2: MODUS VIVENDI, Sergio Diehl. CRU-B – Day 1 & Day 2: MORTAR OFFER, Ken Utley. CRU-C – Day 2: FREEDOM WON, Jimmy Schools. MULTIHULL – Day 1 & Day 2: ENTOURAGE, Ben Carver. Principal Race Officer: Bob Magoon; PHRF Signal Boat-Brian and Kim Deibler; Cruising Signal Boat- Preston and Sherry Carraway; Mark Boat-Bill Pardee and Jerry Pattenau; and Official Scorer: Scott Almond. LWMCCC Event Co-Chairs: Randy Goodman and Al Brazzi. Broad Bay Sailing Association presents the Leo Wardrup Memorial Cape Charles Cup Regatta each year. This was the 17th year. Bob Magoon said, "This time we had WIND, RAIN, WAVES and TWO FULL DAYS OF SAILING. It was FUN, CHALLENGING and EXHILARATING." Expectations for 2021 are to return to the previous CCCup format - racing (from Little creek) to Cape Charles, overnight stay in Cape Charles, and race back to Hampton (Buckroe). **FOR COMPLETE RESULTS, click on <https://broadbaysailing.org/CCCRResults>**

HAMPTON ONE DESIGN 2020 NATIONAL CHAMPION is LATANE MONTAGUE. Proving once and for all, that as sweet as all HOD racers are, they do NOT melt (like sugar) in rain or other yucky conditions! Rain, of the downpour kind, was more than a threat Friday and Saturday in the area and showers were about on Sunday, too. Their spirits undampened, the fleet of 12 competitors, sailing for the HOD Class National Championship, got in 6 races over the three days (Friday-Sunday) as planned. Racing took place at the mouth of the Lafayette River, East of the Elizabeth River ship channel, just off host Norfolk Yacht and Country Club. Latane Montague (Alexandria/FBYC) took the lead on Day 2 and finished the regatta with a string of 1-[3]-3-2-2-1, 4 points ahead of 2nd place Graham Landy (Norfolk, VA/YCYC) who had 13 points. Gordon Wolcott (Norfolk/NYCC) was in 3rd place with 14 points. For complete results click on <https://yachtscoring.com/emenu.cfm?eID=13089>. Event Chairman: Eddie Wolcott, Jr; Principal Race Officer: Mark Wheeler.

About those HOD Trophies: There is a lot of history connected to the Hampton One Design class and the boat itself. The National Championship Trophy, won by Latane Montague this weekend, was first awarded in 1935. So, this was the 85th annual National Championship. And, there were three other special trophies awarded in 2020, too:

J. Wiley Hurst Novice Trophy Chip and Sarah Lollar

William J. Daugherty Memorial Trophy

Crew of the Year Chris Robertson

T.Lane Stokes Sportsmanship Cup Charlie McCoy

NEW!! ATLANTIC REGATTA** will fill Neptune's shoes. . . if he had any! He's usually barefooted – not even flip-flops! Broad Bay Sailing Association is undeterred by the cancellation of the Virginia Beach Neptune Festival which served as the lynchpin for the BBSA Neptune's Atlantic Regatta in past years. The City cancelled the Festival, so Neptune will take a COVID break from the Festival this year and from the racing front as well. **HOWEVER**, the "replacement race", **ATLANTIC REGATTA, on Saturday, September 26th**, will feel very, very similar to the former Neptune Atlantic race format, staggered start and all. BBSA will have a link on their website for ATLANTIC REGATTA info and registration up soon. Stay tuned – plan to race! Expectations are that the ATLANTIC REGATTA entries will be due by 1500, September 22nd and the economically friendly entry fee will be \$25.

HAPPY 70th BIRTHDAY to the Hampton Yacht Club Junior Sailing Program!!

The Club will hold the official celebration on Saturday, August 22nd.

MURPHY'S LAW: *Yrs Truly, the Racing Beagle*, being all southern Bay racers' advocate, has to take exception with a recent "editorial snicker" issued in a well-known electronic publication. The comment declared, in effect, that southerners excuse all unflattering commentary directed upon an individual by tacking on the end of the comment, "Bless his/her heart." You know, like, "He couldn't find his way around the racecourse, even if the top navigator in NASA were standing beside him. . . bless his heart." Well, then . . . bless that little snickerer's heart. /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
